

PLEASE READ - IMPORTANT INFORMATION

Welcome to Winchendon Fall Festival 2021!

This year we have recommendations from the Winchendon Board of Health regarding safety protocols to help prevent the spread of the Covid-19 virus at the event. Those recommendations are that:

- Each vendor will have hand sanitizer visible and available for use by festival attendees;
- The Town of Winchendon will supply hand sanitizing stations and provide masks free of charge to those attending (who want them) at the Fall Festival event entry point – Cumberland Farms and the entrance to the CVS parking area;
- The Town of Winchendon and those attending will follow recommended U.S. CDC, and Massachusetts Dept. of Public Health protocols for outdoor public events. Please post attached sign regarding masks at your space.

ALL side streets off lower Central St. will be closed at 7am, therefore you will need to enter the event through check in ONLY that is located at the Southern end of Central St. (Cumberland Farms, please refer to Parking map for location)

CHECK IN - Please have your name & space number ready to help speed up the check in process. Find your name and space number on the excel sheet attached to this correspondence. The list is alphabetical by the FIRST name of the person that submitted the application to us. In some cases we had to list by business or organization name. Please go through the list multiple times before calling us, but certainly if you do not find your name reach out via email at nroberts@townofwinchendon.com or call 1-978-297-3537. We ask vendors assigned to a space numbered between 1 and 50 to plan to arrive after 8:00am the day of the event to help reduce congestion in the check in area.

SPACE LOCATIONS - Odd number spaces are on the left side of Central street heading north, even numbered are on the right. Tape separates each space and there will be a cone in each space to help identify space numbers. We will try to have volunteers all along Central Street to help you find your space and if available, help unload.

PARKING- A parking map is included in this packet. Parking areas correspond to your space number and location so that you will know where your parking area is prior to that day. **Please adhere to one way traffic NORTH only on Central Street during set up.** The opposite is expected at breakdown (4pm).

MORNING OF EVENT-

Stop at check in between 7:00am -8:30am (Front & Central) to confirm space and check in.

Proceed to your assigned space, unload your vehicle completely into your space ***as quickly as possible!***

Proceed to vendor parking area 1, 2 or 3 (routes are clearly marked, refer to map included in this packet)

Park your vehicle and head back to your space to set up (surface is pavement, make sure to anchor tent)

All vehicles **MUST** be off Central Street by 8:30 am, the area becomes congested very quickly.

PLEASE NOTE: NO ONE will be allowed onto Central Street in a vehicle after 8:30am. You will have to park and carry your items to your space if you arrive beyond 8:30am.

END OF DAY - Breakdown starts at 4pm. No early breakdown will be allowed.

Breakdown your entire setup before you retrieve your vehicle

When you are done, retrieve your vehicle and travel back to your space opposite of arrival.

Load your vehicle and leave. Please be careful and courteous to others.

BATHROOMS are located at each end of the festival and in the middle adjacent to the Post Office.

A FIRST AID tent is located at the corner of Summer St. and Central St.

REMINDERS: No late entry or early departure.

If you must smoke, please be courteous and refrain from smoking near festival attendees

Volunteers will be traveling throughout the festival. We will have orange "staff" shirts so you can easily spot us.

Thank you for being a part of the Winchendon Fall Festival 2021!
