RE: Fiscal Year 2023 Operating Budget

Dear Madam President and Councilors,

I hereby submit my Fiscal Year 2023 Operating Budget for the City of Gardner.

Fiscal Year 2023 Budget by functional area:

FY 2023 General Government by Functional Area:

FY 2023 Budget Compared to FY 2021 Budget:

FY 2023 Notable Revenue Changes:**FY 2023 Notable Operating Expense Changes:**

The FY 2023 Budget proposal contains the following position additions/changes:

1. A Cost of Living Adjustment (COLA) for non-union positions. This equates to about two percent (2%) increase for most non-union position. Some positions are seeing additional increased associated directly with increases or changes in duties associated with their positions.
2. An additional half year position in the City Clerk's Office in order to train for upcoming retirements we expect within the next fiscal year.
3. Funding for our statutorily required five (5) year re-valuation year for the Assessor's Department
4. Upgrades to City software systems and licenses to boost cyber security measures.
5. Increasing the currently unfilled part time building department local inspector to a full-time position. This position has been vacant since it was created in FY2018 and has been unable to be filled since. This is being done to attract more applicants for the position to help the department catch up with the record number of permits that the department is seeing.
6. Increases in Debt Service to begin to pay the cost of the new elementary school.

The proposed budget also funds our schools over Minimum Net School Spending ("MNSS") for the sixth (6th) year in a row.

Our revenue sources continue to remain stable, with the Commonwealth restoring our Chapter 70 funding to pre-pandemic levels, unrestricted local government aid coming in higher than anticipated, and as has been the City's practice in the past, local receipt revenue was budgeted at ninety-four percent (94%) of the past three years average, in order to utilize conservative estimates.

Respectfully Submitted,

A handwritten signature in blue ink, appearing to read "Michael J. Nicholson". The signature is stylized with a large initial "M" and a cursive "Nicholson".

Michael J. Nicholson, JD
Mayor, City of Gardner

Circuit Breaker

Eligibility is tied to four times the state average foundation budget per pupil as calculated under the chapter 70 program, with the state paying up to 75 percent (subject to appropriation) of the costs above that threshold.

In FY23, the state average foundation budget per pupil is \$14,263, so if a special education student cost a district \$60,000, the eligible reimbursement for that student would be $(\$60,000 - (4 * \$14,263)) * .75 = \$2,211$.

RE: FY2023 Compensation Ordinance Amendment

Dear Madam President and Councilors,

Attached, please find the annual Compensation Schedule Ordinance Amendment that coincides with the FY2023 Budget proposal.

The majority of positions received a two percent (2%) cost of living adjustment ("COLA"). Those that are seeing more than a 2% COLA are proposed in recognition of increasing the duties of that position and reorganizing what aspects their position covers.

Respectfully Submitted,

Michael J. Nicholson
Mayor, City of Gardner

Be it ordained by the City Council of the City of Gardner as follows:
