RE: **SUPPLEMENTAL INFORMATION** – Item #10724: An Order Appropriating \$15,000 from Free Cash to the Recreation Department – New Equipment Account.

Dear Madam President and Councilors,

I have received some questions from Councilors regarding Item #10724: An Order Appropriating \$15,000 from Free Cash to the Recreation Department – New Equipment Account.

While confusing at times, the City's Recreation Budget falls under the purview of the Department of Public Works and relates to all parks and playgrounds in the City, while the Municipal Recreation Budget relates to our active Recreation Department that oversees our summer camps, athletic camps, and other activities throughout the year.

The funding requested in this proposal is for the City's Recreation Budget under the DPW.

An image of the Disc Golf Pins (baskets) that would be purchased for this project through this funding is attached.

Respectfully Submitted,

Michael J. Nicholson
Mayor, City of Gardner
