Re: Regan Street One-Way Proposal

RECEIVED  
2022 DEC -1 PM 12:12  
CITY CLERK'S OFFICE  
GARDNER, MA.

Dear Madam President and Councilors,

The Traffic Commission recently met and voted to recommend changing Regan Street from two-way traffic to one-way in a north direction. The request was made as there are traffic concerns during events at Holy Rosary Church and regular pickup at Holy Family Academy. Regular resident parking and the additional vehicle traffic for the church and the school can cause a bottleneck. Through traffic sometimes must stop to allow vehicles traveling the opposite direction to safely pass.

The effect of the proposal on residents would be mitigated by access to Regan from Moran Street. With the change, parking on Regan Street would remain the same, but allows vehicles to safely pass traveling in one direction.

The change to Regan Street will require an ordinance change to section 600-42 of the City Code. I would recommend the update to 600-42 by adding:

| <u>Name of Street</u> | <u>Direction of Travel</u> | <u>Location</u>                    |
|-----------------------|----------------------------|------------------------------------|
| Regan Street          | Northerly                  | From Baker Street to Parker Street |

Very truly yours,

Eric P. McAvene  
Chief of Police
