RE: **Petition 10892** – An Ordinance to Amend the Code of the City of Gardner, Chapter 675 thereof, entitled “Zoning,” to add “Sports Betting” to the Zoning Table of Uses.

Dear President Kazinskas:

At its meeting on March 22, 2023, the Planning Board voted unanimously, 5-0, to recommend approving the proposed zoning amendment referenced above based on the information provided to them by the petitioner.

If the proposed amendment is approved, the Planning Board recommends the rewording of number 54 to read:

Indoor amusement, fitness, recreational place, place of assembly, or a sports betting facility, provided that the building is so insulated and maintained as to confine noise to the premises and is located not less than 100 feet from a residential district.

In addition, due to the potential significant scope and complexity of such a project if implemented under this proposed zoning amendment, the Board recommends changing the use table for number 54 from permitted by right (P) to Special Permit Planning Board (SPPB) for Commercial 1 and Commercial 2 zones; and number 56 from permitted by right (P) to Special Permit Planning Board (SPPB) for Commercial 2 and Industrial 1 zones.

The Planning Board looks forward to joining the City Council at the joint public hearing scheduled on Monday, April 3, 2023, at 6:30 p.m. Please contact Trevor Beauregard if you have any questions or need additional information.

RE: Joint Public Hearing Written Testimony – Item #10892: An Ordinance to Amend the Code of the City of Gardner, Chapter 675, thereof entitled “Zoning,” to add “Sports Betting” to the Zoning Table of Uses

Dear Madam President and Councilors,

I am writing in favor of the Administration’s proposed Zoning Amendment to add the term “Sports Betting,” to line items 54 and 56 the Zoning Table of Uses.

In May of 2018, the United States Supreme Court struck down the federal Professional and Amateur Sports Protection Act (“PASPA”)¹, also known as the Bradley Act, as unconstitutional in their ruling of *Murphy v. National Collegiate Athletic Association*². This federal statute had effectively outlawed sports betting nationwide, except for a few excluded states. The Supreme Court had ruled this act as unconstitutional, thus paving the way for several states to legalize sports betting.

In August of 2023, former Governor Charlie Baker signed House Bill 5164 into law, legalizing online, retail, and kiosk sports betting in the Commonwealth for residents ages 21 and older. Retail sports betting went live on January 31, 2023, and online sports betting launched on March 10, 2023. Kiosk sports betting will go live later this year.

There are currently three (3) approved retail sites and ten (10) approved mobile betting applications. When kiosk sports betting goes live later this year, they will be allowed across the Commonwealth in locations that follow a specific procedure as outlined by the new law.

The Supreme Court of the United States has ruled on several occasions, that under the First Amendment of the Constitution, a municipality cannot outright ban a particular industry or business from opening within its borders, but can limit where these businesses are located.

Since the City cannot bar this type of business from opening in Gardner, and since this type of activity is not currently listed in the City’s Zoning Table of Uses, it leaves the City open to

¹ 28 U.S.C. ch.178 §3701 et seq.

² *Murphy v. NCAA*, 138 S.Ct. 1461 (2018).

liability of not being able to control whether these types of facility are located in largely residential neighborhoods or in areas in the City that may not be suited for this type of activity.

As such, it is the request of my Administration that this use be added to the City Code's Zoning table of uses under Line 54: Indoor Amusement, and Line 56: Outdoor Amusement, as these items fit the closest to the realm of sports betting.

This amendment to the Zoning Table of Uses, does not waive the other requirements these locations would have to go through should any sports betting facility open in Gardner in the future.

Per the requirements of the sports betting enabling legislation, any sports betting facility would have to enter into a Host Community Agreement ("HCA") similar to cannabis facilities in the Commonwealth. The Expanded Gaming Act requires that all applicants for sports betting licenses must first submit to the Massachusetts Gaming commission:

"a signed agreement between the host community and the applicant setting forth the conditions to have a gaming establishment located within the host community; provided, however, that the agreement shall include a community impact fee for the host community and all stipulations of responsibilities between the host community and the applicant, including stipulations of known impacts from the development and operation of a gaming establishment."

Additionally, after the HCA is approved by the City Council and signed by the Mayor, the City Council must then annually vote to allow the proposed establishment to operate a sports betting facility within the City at its location.

Lastly, before any facility should open, they must also go through the regular requirements for site plan approval and Development Review Committee vetting, both listed in Chapter §675-1010 of the City Code.

As such, this action to add this type of use to the Zoning Ordinances still requires this type of industry to be heavily regulated and vetted by the City by both branches of its government and its boards and commissions.

This action is simply being put forward to protect the City in the long run and pre-plan should one of these facilities come to Gardner rather than waiting and reacting if this should ever come up.

RE: Zoning Ordinance Proposal- Sports Betting Facilities

Dear Madam President and Councilors,

As you are likely aware, on August 10, 2022, former Governor Charlie Baker signed Chapter 173 of the Acts of 2022 into law, legalizing sports betting in the Commonwealth.

This new addition to the General Laws, some parts of which have already taken effect while others will within the next few months, allows for the opening of new facilities across the Commonwealth where individuals can gamble and place wagers on sporting games.

Currently, these types of facilities are not governed by our zoning ordinance, as they were not allowed prior to the passage of this act. The attached ordinance proposal is being presented to help protect the City so that we can regulate where facilities like this can go and make sure that in the event that a facility like this looks to open in Gardner, it locates in a location that fits this use rather than in a largely residential area that could cause disruptions to a neighborhood.

I believe it is in the best interest of the City to be proactive in this matter in order to make sure the City has the tools in place before any situations may arise.

Dear Mr. Mayor,

Please accept this letter as my full support for your proposed text amendment to our Zoning Ordinance regarding sports betting. I believe when new laws are enacted at a state level that a municipalities Zoning must change to reflect the new law, or be forced to react to a potential problem.

236 and the rules and regulations of the commission.

242 this chapter, the following shall be considered to have control of an applicant: (i) a person who
243 owns 10 per cent or more of a corporate applicant and who has the ability to control the activities
244 of the corporate applicant; provided, however, that a bank or other licensed lending institution
245 that holds a mortgage or other lien acquired in the ordinary course of business shall not be
246 considered to have control of an applicant; (ii) a person who holds a beneficial or proprietary
247 interest of 10 per cent or more of a non-corporate applicant's business operation and who has the
248 ability to control the activities of the non-corporate applicant; and (iii) at the commission's

discretion, an executive, employee or agent having the power to exercise significant influence over decisions concerning the applicant's sports wagering operations in the commonwealth.

Any applicant convicted of any disqualifying offense, as determined by the commission, shall not be licensed.

(d) Each person licensed under this chapter shall give the commission written notice not more than 30 days after any change to any material information provided in the application for a license or renewal.

(e) A commission employee shall not be an applicant for any license issued under this chapter.

Section 6. (a) A licensed qualified gaming entity may operate sports wagering upon the approval of the commission.

(b)(1) The commission shall issue a category 1 license to any holder of a gaming license, as defined in section 2 of chapter 23K, that meets the requirements of this chapter and the rules

271 and regulations of the commission; provided, however, that any holder of a category 1 license
272 shall not be issued a category 2 license.

273 (2) The commission shall issue a category 2 license to: (i) any holder of a license to
274 conduct a live horse racing meeting in accordance with chapter 128A; (ii) a running horse racing
275 licensee that conducted simulcast wagering as of December 31, 2020 as authorized by law; or
276 (iii) a greyhound meeting licensee that conducted simulcast wagering as of December 31, 2020
277 as authorized by law; that meets the requirements of this chapter and the rules and regulations of
278 the commission; provided, however, that any holder of a category 2 license shall not be issued a
279 category 1 license; and provided further, that no more than 1 category 2 license shall be issued to
280 any 1 person, entity, or affiliate or close associate of such person or entity.

281 (3) The commission may issue a category 3 license to any entity that offers sports
282 wagering through a mobile application or other digital platform that meets the requirements of
283 this chapter and the rules and regulations of the commission; provided, however, the commission
284 shall issue no more than 7 category 3 licenses that are not connected to a category 1 or category
285 2 license.

286 (4) A category 1 or category 2 licensee may enter into agreements related to mobile or
287 digital sports wagering with a category 3 licensee pursuant to the approval of the commission.
288 Nothing in this chapter shall require a category 3 licensee to partner with or have any
289 commercial relationship with a category 1 or 2 licensee.

290 (c)(1) A qualified gaming entity may submit to the commission a request for a temporary
291 license for the immediate commencement of sports wagering operations. Such request shall
292 include an initial licensing fee of \$1,000,000 payable to the commission.

293 (2) Upon receiving a request for a temporary license, the executive director of the
294 commission shall review the request. If the executive director determines that the entity
295 requesting the temporary license is a qualified gaming entity and has paid the sports wagering
296 initial licensing fee pursuant to paragraph (1), the commission shall authorize the qualified
297 gaming entity to conduct sports wagering for a period of 1 year under a temporary license or
298 until a final determination on its operator license application is made.

299 (3) All sports wagering conducted under authority of a temporary license shall comply
300 with the house rules adopted under section 10.

301 (d) Prior to issuing an operator license, the commission shall commence an investigation
302 into the suitability of the applicant. The commission may use information obtained from the
303 applicant pursuant to chapter 23K, chapter 128A, chapter 128C, or information from other
304 jurisdictions where the applicant is authorized to conduct sports wagering. In evaluating the
305 suitability of the applicant, the commission shall consider the overall reputation of the applicant
306 including, but not limited to: (i) the integrity, honesty, good character and reputation of the
307 applicant; (ii) the financial stability, integrity and background of the applicant; (iii) the business
308 practices and the business ability of the applicant to establish and maintain a successful sports
309 wagering operation; (iv) whether the applicant has a history of compliance with gaming or sports
310 wagering licensing requirements in other jurisdictions; (v) whether the applicant, at the time of
311 application, is a defendant in litigation involving its business practices; and (vi) the suitability of
312 all parties in interest to the license, including affiliates and close associates, and the financial
313 resources of the applicant.

314 (c) The commission may deny an application, if the commission determines during its
315 investigation that an applicant has failed to: (i) establish the applicant's integrity or the integrity
316 of any affiliate, close associate, financial resources or any person required to be qualified by the
317 commission; (ii) demonstrate responsible business practices in any jurisdiction; or (iii) overcome
318 any other reason, as determined by the commission, as to why it would be injurious to the
319 interests of the commonwealth to award the applicant an operator license.

320 (f) Upon application by a qualified gaming entity that is not denied pursuant to subsection
321 (e) and payment of a \$5,000,000 licensing fee, the commission shall grant an operator license to
322 a qualified gaming entity that provides the right to conduct sports wagering; provided, that the
323 qualified gaming entity shall meet the requirements for licensure under this chapter and the rules
324 and regulations of the commission. Such license shall be issued for a 5-year period, and may be
325 renewed for 5-year periods upon payment of a \$5,000,000 renewal fee; provided, that the
326 operator shall continue to meet all requirements under this chapter and the rules and regulations
327 of the commission. The commission shall credit any initial licensing fee paid pursuant to
328 paragraph (1) of subsection (c) to a successful applicant for an operator license against the
329 licensing fee due under this subsection.

330 (g) An operator shall submit to the commission such documentation or information as the
331 commission may require to demonstrate that the operator continues to meet the requirements of
332 this chapter and the rules and regulations of the commission. An operator shall submit required
333 documentation or information no later than 5 years after issuance of its operator license and
334 every 5 years thereafter, or within lesser periods based on circumstances specified by the
335 commission.

(h) No licensee shall transfer an operator license, or any direct or indirect interest in the license, without the majority approval of the commission. A person seeking to acquire such license through a transfer shall qualify and otherwise be determined by the commission to be eligible for licensure under this chapter. The commission may reject a proposed license transfer or a proposed transfer of interest in the license to an unsuitable person and may reject a proposed transfer that, in the determination of the commission, would be injurious to the interests of the commonwealth. The commission may promulgate regulations governing this process which may include assessment of a fee to reflect the cost associated with reviewing the proposed transfer.

(i) Applications for operator licenses shall be public records under section 10 of chapter 66; provided however, that trade secrets, competitively-sensitive or other proprietary information provided in the course of an application for an operator license under this chapter, the disclosure of which would place the applicant at a competitive disadvantage, may be withheld from disclosure under said section 10 of said chapter 66.

Section 7. (a) An applicant for an operator license shall pay to the commission a nonrefundable processing fee of \$200,000 for the costs associated with the processing of the application and investigation of the applicant; provided, however, that if the costs of the investigation exceed the initial application fee, the applicant shall pay the additional amount to the commission not more than 30 days after notification of insufficient fees or the application shall be rejected.

(b) All fees in this section shall be deposited into the Sports Wagering Control Fund established in section 14.

Section 8. Section 8. (a) All persons employed by an operator to perform duties directly related to the operation of sports wagering in the commonwealth in a supervisory role shall maintain a valid occupational license issued by the commission. The commission shall issue such occupational license to a person who meets the requirements of this section.

(b) An occupational license authorizes the licensee to be employed in the capacity designated by the commission while the license is active. The commission may establish, by rule or regulation, job classifications with different requirements based on the extent to which a particular job impacts, or has the potential to impact, the lawful operation of sports wagering.

(c) An applicant for an occupational license shall submit any required application forms established by the commission and shall pay a nonrefundable application fee of \$100. An employer may pay an application fee on behalf of an applicant.

(d) Not later than March 1 of the third calendar year following the issuance or renewal of an occupational license, an occupational license holder shall pay a nonrefundable license renewal fee of \$100 and submit a renewal application on a form established by the commission. An employer may pay the license renewal fee on behalf of the licensed employee.

Section 9. Section 9. (a) The commission may deny a license to any applicant, reprimand any licensee or suspend or revoke a license if the applicant or licensee: (i) has knowingly made a false statement of a material fact to the commission; (ii) has had a license revoked by any governmental authority responsible for regulation of gaming activities; (iii) has been convicted of a felony or other crime involving embezzlement, theft, fraud, perjury, or a gambling-related offense; (iv) has not demonstrated to the satisfaction of the commission financial responsibility sufficient to adequately meet the requirements of the proposed enterprise; (v) has affiliates or

close associates that would not qualify for a license or whose relationship with the applicant may pose an injurious threat to the interests of the commonwealth in awarding an operator license to the applicant; or (vi) in the case of an operator or an applicant for an operator license, is not the true owner of the business or is not the sole owner and has not disclosed the existence or identity of other persons who have an ownership interest in the business.

(b) The commission may deny, suspend or revoke an operator license or reprimand any licensee if the applicant or licensee has not met the requirements of this chapter.

Section 10. (a) An operator shall adopt comprehensive house rules for game play governing sports wagering transactions with the operator's patrons. The house rules shall specify the amounts to be paid on winning wagers and the effect of sports event schedule changes. An operator shall not conduct sports wagering until the commission has approved the house rules and an operator shall not conduct sports wagering in a manner inconsistent with approved house rules.

(b) The house rules, together with any other information the commission deems appropriate, shall be accessible to any patrons of the sports wagering operator. The operator shall make copies readily available to patrons and shall post the house rules as required by the commission, including on a prominent place on the operator's public website and mobile application or other digital platform.

Section 11. (a) An operator shall employ commercially reasonable methods to: (i) prohibit the operator, directors, officers, owners and employees of the operator and any relative living in the same household as any such person from placing bets with the operator; (ii) prohibit athletes, coaches, referees, team owners, employees of a sports governing body or its member

401 teams and player and referee union personnel from wagering on any sporting event of their
402 sport's governing body; provided, however, that the operator shall use lists of such persons that a
403 sports governing body may provide to the commission to determine which persons are excluded
404 from placing wagers under this subsection; and provided further, that the commission may use
405 the list of barred employees from the operator and may work directly with a member team to
406 determine the risk posed by certain employees for obtaining nonpublic confidential information
407 on a sporting event and may remove an employee without knowledge of team strategy or game
408 operations from such a list if the commission determines any such risk is de minimis; (iii)
409 prohibit any individual with access to nonpublic confidential information held by the operator
410 from placing wagers with the operator; (iv) prohibit persons from placing wagers as agents or
411 proxies for others; and (v) maintain the security of wagering data, customer data and other
412 confidential information from unauthorized access and dissemination; provided, however, that
413 nothing in this chapter shall preclude the use of internet or cloud-based hosting of such data and
414 information or disclosure as required by court order, other law or this chapter; and provided
415 further, that such data and information shall be hosted in the United States.

416 (b) A sports governing body or players association representing athletes who participate
417 in sporting events of the sports governing body may submit to the commission, in writing, by
418 providing notice in a form and manner as the commission may require, a request to restrict, limit
419 or exclude a certain type, form or category of sports wagering with respect to sporting events of
420 the sports governing body, if the sports governing body or players association believes that such
421 type, form or category of sports wagering with respect to sporting events of the sports governing
422 body: (i) is contrary to public policy; (ii) unfair to consumers; (iii) may undermine the perceived
423 integrity of the sports governing body, sporting events of the sports governing body or the

424 athletes participating therein; or (iv) affects the integrity of the sports governing body or sporting
425 events of the sports governing body or the athletes participating therein.

426 The commission shall request comment from operators on all such requests. After giving
427 due consideration to all comments received, the commission shall, upon a demonstration of good
428 cause from the requestor, grant the request. The commission shall respond to a request
429 concerning a particular event before the start of the event or, if it is not feasible to respond before
430 the start of the event, not later than 7 days after the request is made; provided, however, that if
431 the commission determines that the requestor is more likely than not to prevail in successfully
432 demonstrating good cause for its request, the commission may provisionally grant the request
433 until the commission makes a final determination as to whether the requestor has demonstrated
434 good cause. Absent a provisional grant by the commission, an operator may continue to offer
435 sports wagering on sporting events that are the subject of a request during the pendency of the
436 consideration of the applicable request.

437 (c) The commission shall designate a state law enforcement entity to have primary
438 responsibility for conducting, or assisting the commission in conducting, investigations into
439 abnormal betting activity, match fixing and other conduct that corrupts a betting outcome of a
440 sporting event for purposes of financial gain.

441 (d) The commission and operators shall use commercially reasonable efforts to cooperate
442 with investigations conducted by sports governing bodies or law enforcement agencies,
443 including, but not limited to, using commercially reasonable efforts to provide or facilitate the
444 provision of anonymized account-level betting information and audio or video files relating to
445 persons placing wagers. All disclosures under this section are subject to the obligation of an

446 operator to comply with all federal, state and local laws and regulations, including, but not
447 limited to, laws and regulations relating to privacy and personally identifiable information.

448 (e) An operator shall immediately report to the commission any information relating to:
449 (i) criminal or disciplinary proceedings commenced against the operator in connection with its
450 operations; (ii) abnormal betting activity or patterns that may indicate a concern with the
451 integrity of a sporting event; (iii) any potential breach of the internal rules and codes of conduct
452 pertaining to sports wagering of a relevant sports governing body; (iv) any other conduct that
453 corrupts a betting outcome of a sporting event for purposes of financial gain, including, but not
454 limited to, match fixing; or (v) suspicious or illegal wagering activities, including, but not limited
455 to: (A) use of funds derived from illegal activity; (B) wagers to conceal or launder funds derived
456 from illegal activity; (C) use of agents to place wagers; and (D) use of false identification. An
457 operator shall immediately report information relating to conduct described in clauses (ii), (iii)
458 and (iv) of this subsection to the relevant sports governing body.

459 (f) The commission and operators shall maintain the confidentiality of information
460 provided by a sports governing body for purposes of investigating or preventing the conduct
461 described in clauses (ii), (iii) and (iv) of subsection (e), unless disclosure is required by this
462 chapter, the commission, other law or court order or unless the sports governing body consents to
463 disclosure.

464 (g) With respect to any information provided by an operator to a sports governing body
465 relating to conduct described in clauses (ii), (iii) and (iv) of subsection (e), a sports governing
466 body shall: (i) only use such information for integrity purposes and shall not use the information
467 for any commercial or other purpose; and (ii) maintain the confidentiality of such information,

unless disclosure is required by this chapter, the commission, other law or court order or unless the operator consents to disclosure; provided, however, that the sports governing body may make any disclosure necessary to conduct and resolve integrity-related investigations and may publicly disclose such information if required by its integrity policies or if deemed by the sports governing body in its reasonable judgment to be necessary to maintain the actual or perceived integrity of its sporting events, and subject in all cases to the sports governing body's compliance with federal, state and local laws and regulations, including, but not limited to, laws and regulations relating to privacy and personally identifiable information; and provided further, that prior to any such public disclosure that would identify the operator by name, the sports governing body shall provide the operator with notice of such disclosure and an opportunity to object to such disclosure.

(h) An operator shall maintain records of all wagers placed by its patrons, including: (i) personally identifiable information of a patron who places a sports wager through a mobile application or other digital platform or a patron who places an in-person sports wager that exceeds an amount determined by the commission; (ii) amount and type of the bet; (iii) the time the bet was placed; (iv) the location of the bet, including the Internet Protocol address if applicable; (v) the outcome of the bet; and (vi) records of abnormal betting activity for 3 years after a sporting event occurs and video camera recordings in the case of in-person wagers for at least 1 year after a sporting event occurs. An operator shall make these records available for inspection upon request of the commission or as required by court order.

(i) An operator shall use commercially reasonable efforts to maintain, in real time and at the account level, anonymized information for each patron, including: (i) the amount and type of bet; (ii) the time the bet was placed; (iii) the location of the bet, including the Internet Protocol

491 address if applicable; (iv) the outcome of the bet; and (v) records of abnormal betting activity.
492 The commission may request the information in the form and manner as it requires. Nothing in
493 this section shall require an operator to provide any information prohibited by federal, state or
494 local laws or regulations, including, but not limited to, laws and regulations relating to privacy
495 and personally identifiable information.

496 (j) If a sports governing body has notified the commission and demonstrated a need for
497 access to the information described in subsection (i) for wagers placed on sporting events of the
498 sports governing body for integrity monitoring purposes and demonstrated the capability to use
499 the data for the purpose of effectively monitoring the integrity of sporting events of the sports
500 governing body, an operator shall share, in a commercially reasonable frequency, form and
501 manner, with the sports governing body or its designee the same information the operator is
502 required to maintain pursuant to said subsection (i) with respect to sports wagers on sporting
503 events of the sports governing body. A sports governing body and its designee shall only use
504 information received pursuant to this section for integrity-monitoring purposes and shall not use
505 information received pursuant to this section for any commercial or other purpose. Nothing in
506 this section shall require an operator to provide any information that is prohibited by federal,
507 state or local law or regulation, including, but not limited to, laws and regulations relating to
508 privacy and personally identifiable information.

509 (k)(1) An operator shall conduct a background check on each newly hired employee.
510 Background checks shall search for criminal history, charges or convictions involving corruption
511 or manipulation of sporting events and association with organized crime.

(2) An operator shall conduct a single background check on any employee hired before the operator was issued an operator license. Background checks shall search for criminal history, charges or convictions involving corruption or manipulation of sporting events and association with organized crime.

Section 12. (a) An operator shall: (i) employ a monitoring system utilizing software to identify irregularities in volume or changes in odds that could signal suspicious activities and promptly report such information to the commission for further investigation; provided, however, that system requirements and specifications shall be developed according to industry standards and implemented by the commission as part of the minimum internal control standards; (ii) promptly report to the commission any facts or circumstances related to the operation of a sports wagering license that constitute a violation of state or federal law and promptly report to the appropriate state or federal authorities any suspicious betting over a threshold set by the operator that has been approved by the commission; (iii) conduct all sports wagering activities and functions in a manner that does not pose a threat to the public health, safety or welfare of the residents of the commonwealth; (iv) keep current in all payments and obligations to the commission; (v) prevent any person from tampering or interfering with the operation of any sports wagering; (vi) ensure that mobile sports wagering occurs only using a commission-approved mobile application or other digital platform to accept wagers initiated within the commonwealth; (vii) maintain sufficient cash and other supplies to conduct sports wagering at all times; (viii) maintain daily records showing the gross sports wagering receipts and adjusted gross sports wagering receipts of the operator from sports wagering; (ix) timely file with the commission any additional reports required by this chapter or by any rule or regulation;

534 and (x) use commercially reasonable efforts to prevent a person under 21 years old from placing
535 a wager.

536 (b) Sports wagering operators may use any data source for determining:

537 (1) the results of any and all tier 1 sports wagers on any and all sporting events; and

538 (2) the results of any and all tier 2 sports wagers on sporting events of an organization
539 that is not headquartered in the United States.

540 (c) A sports governing body may notify the commission that it desires sports wagering
541 operators to use official league data to settle tier 2 sports wagers on sporting events of such
542 sports governing body. The notification shall be made in the form and manner as the commission
543 may require. Within 5 days of receipt of the notification, the commission shall notify each sports
544 wagering operator of the requirement to use official league data to settle tier 2 sports wagers. If a
545 sports governing body does not notify the commission of its desire to supply official league data,
546 a sports wagering operator may use any data source for determining the results of any and all tier
547 2 sports wagers on sporting events of the sports governing body.

548 (d) Within 60 days of the commission notifying a sports wagering operator of the
549 requirement to use official league data to settle tier 2 sports wagers pursuant to subsection (c), or
550 such longer period as may be agreed between the sports governing body and the applicable
551 sports wagering operator, a sports wagering operator shall use only official league data to
552 determine the results of tier 2 sports wagers on sporting events of that sports governing body,
553 unless:

554 (1) the sports governing body or its designee cannot provide a feed of official league data
555 to determine the results of a particular type of tier 2 sports wager, in which case a sports
556 wagering operator may use any data source for determining the results of the applicable tier 2
557 sports wager until such time a data feed becomes available from the sports governing body on
558 commercially reasonable terms and conditions; or

559 (2) a sports wagering operator can demonstrate to the commission that the sports
560 governing body or its designee will not provide a feed of official league data to the sports
561 wagering operator on commercially reasonable terms and conditions.

562 (e) In evaluating whether official league data is offered on commercially reasonable
563 terms and conditions for purposes of paragraphs (1) and (2) of subsection (d), the commission
564 may consider factors, including, but not limited to:

565 (1) the availability of official league data to a sports wagering operator from more than 1
566 authorized source;

567 (2) market information, including, but not limited to, price and other terms and conditions
568 regarding the purchase by sports wagering operators of comparable data for the purpose of
569 settling sports wagers in the commonwealth and other jurisdictions;

570 (3) the nature and quantity of data, including the quality and complexity of the process
571 used for collecting the data; and

572 (4) the extent to which a sports governing body or its designee has made data used to
573 settle tier 2 wagers available to sports wagering operators and any terms and conditions relating
574 to the use of that data.

(f) Notwithstanding subsection (d) or any provision of this subsection to the contrary, during the pendency of the determination of the commission as to whether a sports governing body or its designee may provide official league data on commercially reasonable terms, a sports wagering operator may use any data source to determine the results of tier 2 sports wagers. The determination shall be made within 120 days of the sports wagering operator notifying the commission that it requests to demonstrate that the sports governing body or its designee will not provide a feed of official league data to the sports wagering operator on commercially reasonable terms.

(g) A sports governing body may enter into commercial agreements with a sports wagering operator or other entity in which such sports governing body may share in the amount wagered or revenues derived from sports wagering on sporting events of the sports governing body. A sports governing body shall not be required to obtain a license or any other approval from the commission to lawfully accept such amounts or revenues.

Section 13. (a) Holders of category 1 and category 2 licenses may accept wagers on sports events and other events authorized pursuant to this chapter in person at authorized facilities.

(b) Holders of an operator license may accept wagers on sports events and other events authorized pursuant to this chapter from individuals physically located within the commonwealth using mobile applications or digital platforms approved by the commission, through the patron's sports wagering account. The branding for each mobile application or digital platform shall be determined by the operator. All bets authorized pursuant to this section must be initiated, received and otherwise made within the commonwealth. Consistent with the intent of the federal

Unlawful Internet Gambling Enforcement Act of 2006, 31 U.S.C. section 5361 to 5367, inclusive, the intermediate routing of electronic data related to a lawful intrastate wager authorized pursuant to this chapter shall not determine the location or locations in which the wager is initiated, received or otherwise made.

(c) An operator may: (i) accept wagers placed by other operators and (ii) place wagers with other operators; provided, that any operator that places a wager with another operator shall inform the operator accepting the wager that the wager is being placed by an operator and shall disclose the operator's identity.

(d) An operator shall not accept: (i) a wager from a person who is less than 21 years of age; or (ii) a credit card .

(e)(1) The commission or operator may ban any person from participating in the play or operation of any sports wagering consistent with rules and regulations promulgated by the commission. A list of all excluded patrons shall be kept by the commission and provided to each licensee. No patron on the exclusion list shall be permitted to conduct sports wagering pursuant to this chapter.

(2) The commission shall establish a list of self-excluded persons from sports wagering. A person may request their name to be placed on the list of self-excluded persons by filing a statement with the commission acknowledging that they are a problem gambler and by agreeing that, during any period of voluntary exclusion, they shall not collect any winnings or recover any losses resulting from any sports wagering. The commission shall adopt further regulations for the self-excluded persons list including procedures for placement, removal and transmittal of the list to sports wagering operators. The commission may revoke, limit, condition, suspend or fine a

619 sports wagering operator if the operator knowingly or recklessly fails to exclude or eject from its
620 premises any person placed on the list of self-excluded persons. The list of self-excluded persons
621 from sports wagering shall not be open to public inspection.

622 (3) An operator that operates sports wagering through a mobile application or other
623 digital platform may allow patrons to set self-imposed limitations on sports wagering when the
624 patron joins the mobile application or digital platform.

625 (f) No employee may place a sports wager at any facility or through any mobile
626 application or digital platform owned or operated by their employer.

627 (g) Sections 24, 24A and 27 of chapter 10 of the General Laws shall not apply to an
628 operator conducting sports wagering in accordance with this chapter.

629 (h) Unclaimed winning sports wagers shall be retained by the operator for the person
630 entitled to the wager for 1 year after the game or event in which the wager was won. If no claim
631 is made for the wager within 1 year, the cash or equivalent cash value of the wager shall be
632 deposited in the Sports Wagering Control Fund established in section 15.

633 Section 14. (a) An excise is hereby imposed upon sports wagering operators in the
634 commonwealth at the rate of: (i) 15 per cent of the operator's adjusted gross sports wagering
635 receipts from the operation of in-person sports wagering; (ii) 20 per cent of the operator's
636 adjusted gross sports wagering receipts from the operation of sports wagering through mobile
637 applications and other digital platforms approved by the commission; and (iii) 15 per cent of the
638 adjusted gross fantasy wagering receipts of a person or entity that offers fantasy contests, as
639 defined in section 11M½. The accrual method of accounting shall be used for purposes of

calculating the amount of the tax owed by the licensee. The excise shall be paid to the commission at the time provided for filing the return pursuant to subsection (b).

(b)(1) The excise imposed and collected pursuant to subsection (a) shall be due and payable to the commission in monthly installments on or before the fifteenth calendar day following the calendar month in which the adjusted gross sports wagering receipts were received.

(2) On or before the fifteenth calendar day of each month, the operator shall complete and submit the return for the preceding month by electronic communication to the commission in a form prescribed by the commission that provides:

(i) the total gross sports wagering receipts and adjusted gross sports wagering receipts from operation of sports wagering during that month;

(ii) the total gross fantasy wagering receipts and adjusted gross fantasy wagering receipts from the offering of fantasy contests, as defined in section 11M½ of chapter 12, during that month;

(iii) the tax amount for which an operator or a person or entity that offers fantasy contests, as defined in said section 11M½ of said chapter 12, is liable; and

(iv) any additional information necessary in the computation and collection of the tax on adjusted gross sports wagering receipts and adjusted gross fantasy wagering receipts required by the commission.

(3) The excise amount shown to be due shall be remitted by electronic funds transfer simultaneously with the filing of the return.

660 (4) When an operator's adjusted gross sports wagering receipts for a month is a negative
661 number because the winnings paid to wagerers and excise taxes paid pursuant to federal law
662 exceed the operator's total gross receipts from sports wagering, the commission shall allow the
663 operator to carry over the negative amount to returns filed for subsequent months. The negative
664 amount of adjusted gross sports wagering receipts shall not be carried back to an earlier month
665 and taxes previously received by the commission shall not be refunded unless the operator
666 surrenders its license and the operator's last return reported negative adjusted gross sports
667 wagering receipts.

668 (c) The excise on adjusted gross sports wagering receipts imposed by this section shall be
669 in lieu of all other state and local taxes and fees imposed on the operation of, or the proceeds
670 from operation of, sports wagering.

671 (d) Annually, not later than July 1, the commission shall publish on its website a report
672 stating the amount in fees, surcharges and civil penalties received from operators and taxes
673 received from operators and from people or entities that offer fantasy contests, as defined in
674 section 11M½ of chapter 12.

675 Section 15. (a) There shall be established and set up on the books of the commonwealth a
676 separate fund to be known as the Sports Wagering Control Fund. The commission shall be the
677 trustee of the fund and shall expend money to finance the operational activities of the
678 commission pertaining to sports wagering. The fund shall be credited with: (i) any appropriation,
679 bond proceeds or other monies authorized by the general court and specifically designated to be
680 credited thereto; (ii) the proceeds of any fees collected pursuant to this section unless otherwise
681 specified; (iii) fees collected pursuant to sections 7 and 8; (iv) breaks; and (v) such additional

682 funds as are subject to the direction and control of the commission. All available money in the
683 fund that is unexpended at the end of each fiscal year shall not revert to the General Fund and
684 shall be available for expenditure in the subsequent fiscal year.

685 (b) The commission shall establish fees for any investigation into a violation of this
686 chapter or regulation promulgated hereunder by a sports wagering operator to be paid by the
687 sports wagering operator including, but not limited to, billable hours by commission staff
688 involved in the investigation and the costs of services, equipment or other expenses that are
689 incurred by the commission during the investigation.

690 (c) Any remaining costs of the commission necessary to maintain regulatory control over
691 sports wagering operators that are not covered by: (i) the fees set forth in subsection (b); (ii) any
692 other fees assessed pursuant to this chapter; or (iii) any other designated sources of funding, shall
693 be annually assessed on sports wagering operators pursuant to this chapter in proportion to each
694 operator's share of the commonwealth's total adjusted gross sports wagering receipts. Each
695 operator shall pay the amount assessed against the operator not more than 30 days after the date
696 of the notice of assessment from the commission.

697 (d) If the fees collected pursuant to subsections (b) and (c) exceed the cost required to
698 maintain regulatory control, the surplus funds shall be credited in proportional shares against
699 each sports wagering operator's next assessment.

700 (e) The commission shall annually assess and collect a \$1,000,000 fee in shares to be
701 determined by the commission against each sports wagering operator that is not a category 1 or
702 category 2 gaming licensee, as defined in section 2 of chapter 23K. The fee collected pursuant to
703 this subsection shall be deposited into the Public Health Trust Fund established in section 58 of

704 said chapter 23K and shall be used for the costs of services and public health programs provided
705 for in said section 58 of said chapter 23K.

706 Section 16. (a) The commission may assess a civil administrative penalty on an operator
707 who fails to comply with any provision of this chapter, house rules or any regulation or order
708 adopted by the commission; provided, however, that the noncompliance shall have occurred after
709 the commission has given such operator written notice of the noncompliance and the time stated
710 in the notice for coming into compliance has elapsed; provided further, that the commission may
711 assess a penalty without providing written notice if the failure to comply: (i) was part of a pattern
712 of noncompliance and not an isolated instance; (ii) was willful or neglectful and not the result of
713 error; (iii) resulted in a significant breach to the integrity of the operator or the sports wagering
714 laws of the commonwealth; or (iv) consisted of failure to promptly report to the commission any
715 knowledge of evidence or circumstances that would cause a reasonable person to believe that a
716 violation of this chapter has been committed. The civil administrative penalty shall be in addition
717 to any other civil penalty that may be prescribed by law.

718 (b) For the purpose of determining whether such noncompliance was part of a pattern of
719 noncompliance and not an isolated instance, the commission shall consider, but not be limited to;
720 (i) whether the commission had previously notified the operator of such noncompliance on more
721 than 1 occasion during the previous month or of any noncompliance with the same provision of a
722 law, regulation, order, license or approval as the current noncompliance during the previous 6-
723 month period; or (ii) whether the current and previous instances of noncompliance, considered
724 together, indicate a potential threat to the integrity of the operator and sports wagering in the
725 commonwealth or an interference with the commission's ability to efficiently and effectively
726 regulate sports wagering in the commonwealth and enforce any regulation, license or order. If an

727 operator that has received a notice of noncompliance fails to come into compliance within the
728 time period stated in the notice, the civil administrative penalty may be assessed by the
729 commission upon the operator from the date of receipt of such notice.

730 (c) If the commission seeks to assess a civil administrative penalty on an operator, the
731 commission shall cause to be served upon the operator, by service in hand or by certified mail,
732 return receipt requested, a written notice of its intent to assess a civil administrative penalty that
733 shall include: (i) a concise statement of the alleged act or omission for which such civil
734 administrative penalty is sought to be assessed; (ii) each law, regulation, order, license or
735 approval that has not been complied with as a result of such alleged act or omission; (iii) the
736 amount that the commission seeks to assess as a civil administrative penalty for each alleged act
737 or omission; (iv) a statement of the operator's right to an adjudicatory hearing on the proposed
738 assessment; (v) the requirements the operator shall comply with to avoid being deemed to have
739 waived the right to an adjudicatory hearing; and (vi) the manner of payment thereof if the
740 operator elects to pay the penalty and waive an adjudicatory hearing. After written notice of
741 noncompliance or intent to assess a civil administrative penalty has been given, each day
742 thereafter during which noncompliance occurs or continues shall constitute a separate offense
743 and shall be subject to a separate civil administrative penalty if reasonable efforts have not been
744 made by the operator to promptly come into compliance.

745 (d) If the commission seeks to assess a civil administrative penalty on an operator, the
746 operator shall have the right to an adjudicatory hearing under chapter 30A, the provisions of
747 which shall apply except when they are inconsistent with the provisions of this chapter.

748 (c) An operator shall be deemed to have waived its right to an adjudicatory hearing
749 unless, not more than 21 days after the date of the commission's notice that the commission
750 seeks to assess a civil administrative penalty, the operator files with the commission a written
751 statement denying the occurrence of any of the acts or omissions alleged by the commission in
752 the notice or asserting that the amount of the proposed civil administrative penalty is excessive.
753 In an adjudicatory hearing authorized under chapter 30A, the commission shall be required to
754 prove, by a preponderance of the evidence, the occurrence of each act or omission alleged by the
755 commission in the notice.

756 (f) If an operator waives the right to an adjudicatory hearing, the proposed civil
757 administrative penalty shall be final immediately upon such waiver. If a civil administrative
758 penalty is assessed at the conclusion of an adjudicatory hearing, the civil administrative penalty
759 shall be final upon the expiration of 30 days unless an action for judicial review of the decision is
760 commenced under chapter 30A.

761 (g) An operator who institutes proceedings for judicial review of the final assessment of a
762 civil administrative penalty shall place the full amount of the final assessment in an interest-
763 bearing escrow account in the custody of the clerk or magistrate of the reviewing court. The
764 establishment of an interest-bearing escrow account shall be a condition precedent to the
765 jurisdiction of the reviewing court unless the party seeking judicial review demonstrates, in a
766 preliminary hearing held not more than 20 days after the filing of the complaint, the presence of
767 a substantial question for review by the court or the operator's inability to pay. Upon such a
768 demonstration, the court may grant an extension or waiver of the interest-bearing escrow account
769 requirement or may require, in lieu of such interest-bearing escrow account, the posting of a

770 bond payable directly to the commonwealth in the amount of 125 per cent of the assessed
771 penalty.

772 If, after judicial review, in a case where the escrow account requirement has been waived,
773 and in cases where a bond has been posted in lieu of such requirement, the court affirms, in
774 whole or in part, the assessment of a civil administrative penalty, the commission shall be paid
775 the amount thereof together with interest at the rate provided in section 6C of chapter 231. If,
776 after judicial review in a case where an interest-bearing escrow account has been established, the
777 court affirms the assessment of such penalty, in whole or in part, the commission shall be paid
778 the amount thereof together with the accumulated interest in the interest-bearing escrow account.
779 If the court sets aside the assessment of a civil administrative penalty in a case where the amount
780 of such penalty has been deposited in an interest-bearing escrow account, the operator on whom
781 the civil administrative penalty was assessed shall be repaid the amount so set aside, together
782 with the accumulated interest thereon.

783 (h) Each operator who fails to timely pay a civil administrative penalty and each operator
784 who issues a bond under this section and fails to timely pay to the commission the amount
785 required for the bond, shall be liable to the commonwealth for up to 3 times the amount of the
786 civil administrative penalty, together with costs, plus interest accrued from the time the civil
787 administrative penalty became final and attorneys' fees, including all costs and attorneys fees
788 incurred directly in the collection of the penalty. The rate of interest shall be the rate provided in
789 section 6C of chapter 231. The commission may require that the amount of a civil administrative
790 penalty imposed under this section exceed any economic benefit realized by a person.

(i) The commission may impose conditions on, suspend or revoke an operator's license or reprimand or assess a fine on an operator upon a finding that the operator: (i) has committed a criminal or civil offense under this chapter or under any other law; (ii) is not in compliance with sports wagering regulations promulgated pursuant to this chapter; (iii) is under criminal investigation in another jurisdiction; (iv) has breached a condition of licensure; (v) has affiliates, close associates or employees that are not qualified or licensed under this chapter with whom the operator continues to conduct business or employ; (vi) is no longer capable of maintaining operations as a sports wagering operator; or (vii) whose business practice, upon a determination by the commission, is injurious to the policy objectives of this chapter.

Section 17. There shall be established and set up on the books of the commonwealth a Sports Wagering Fund which shall receive revenues collected pursuant to sections 6 and 14. The commission shall be the trustee of the fund and shall transfer monies from the fund as follows:

(1) 45 per cent to the General Fund;

(2) 17.5 per cent to the Workforce Investment Trust Fund established in section 18;

(3) 27.5 per cent to the Gaming Local Aid Fund established in section 63 of section 23K;

(4) 1 per cent to the Youth Development and Achievement Fund established in section 19; and

section 16. Monies transferred to the fund shall be continuously expended, without regard for fiscal year, exclusively for carrying out the purposes of this section. Money remaining in the fund at the end of a fiscal year shall not revert to the General Fund.

(b) The fund shall be administered by the secretary of housing and economic development. Money in the fund shall be competitively granted to develop and strengthen workforce opportunities for low-income communities and vulnerable youth and young adults in the commonwealth, including providing opportunities and strategies to promote stable employment and wage growth.

(c) Eligible grant recipients shall provide opportunities which: (i) target at risk youth, including resources to empower youth to succeed in the workforce; (ii) provide job skills trainings, including programs offering trainings in multiple languages and areas for development, including education and hands on skills; (iii) promote adult literacy, including strategies to master reading and writing and providing digital formats to increase accessibility; and (iv) provide English language learning programs to promote access to the workforce. The secretary of housing and economic development shall establish criteria to evaluate applications for the grant program; provided, that the criteria shall include, but shall not be limited to, at risk populations; provided further, that preference shall be given to eligible grant recipients providing opportunities for individuals who meet at least 2 of the following: (i) is under 30 years of age; (ii) is a victim of violence; (iii) is over 18 years of age and does not have a high school diploma; (iv) has been convicted of a felony; (v) has been unemployed or has had a family income below 250 per cent of the federal poverty level for not less than 6 months; (vi) lives in a census tract where over 20 per cent of the populations fall below the federal poverty line; or (vii) is an immigrant, refugee or person of color.

835 (d) Annually, not later than October 1, the secretary of housing and economic
836 development shall provide a report of the grants given and a breakdown of expenditures made by
837 the fund. The report shall be posted on the website of the executive office of housing and
838 economic development.

839 Section 18. There shall be established and set up on the books of the commonwealth a
840 fund to be known as the Youth Development and Achievement Fund. The fund shall be credited
841 any monies transferred from the Sports Wagering Fund pursuant to section 16 and all monies
842 credited to or transferred to the fund from any other fund or source. Expenditures from the fund
843 shall be subject to appropriation and shall be expended equally for the following purposes:

844 (1) For the purposes of providing financial assistance to students from the commonwealth
845 enrolled in and pursuing a program of higher education in any approved public or independent
846 college, university, school of nursing or any other approved institution furnishing a program of
847 higher education;

851 community service programs; and

854 academic events and programs, cultural events and award ceremonies both nationally and
855 internationally.

Section 20. The commission shall conduct a study into the feasibility of allowing retail locations in the commonwealth to operate sports wagering kiosks. The study by the commission shall include, but not be limited to, an analysis of: (i) the economic impact of this chapter on retail establishments that serve alcoholic beverages for on premises consumption, such as restaurants and bars; (ii) which retail locations have the ability to operate a sports wagering kiosk; (iii) the economic impact to the commonwealth of authorizing retail locations to operate a sports wagering kiosk; (iv) the methods and availability of payouts of winnings by a sports wagering kiosks at retail locations; (v) the public health and safety impacts to the commonwealth of authorizing retail locations to operate a sports wagering kiosk; (vi) the potential effect of sports wagering kiosks at retail locations on problem gaming or gambling; (vii) the impact of sports wagering kiosks at retail locations on minors; (viii) the economic impact of authorizing this method of sports wagering on businesses owned by people of color; (ix) the public health and economic impact of this method of sports wagering as an alternative to the current black market, particularly in communities far from authorized in-person sports wagering; and (x) recommendations to ensure diversity, equity and inclusion are included in this method of sports wagering. As part of the study, the commission shall consult retailers, convenience stores, restaurants, women and minority owned businesses and small business owners. The commission shall report on its findings and submit any recommendations to the clerks of the house and senate, the house and senate committees on ways and means, the joint committee on consumer protection and professional licensure and the joint committee on economic development and emerging technologies no later than December 31, 2022.

896 less than \$25,000 and not more than \$100,000, or both.

897 Section 22. An operator shall not discharge, demote, suspend, threaten, harass or in any
898 other manner discriminate against an employee because of any lawful act done by the employee
899 to provide information, cause information to be provided or otherwise assist in an investigation

900 regarding any conduct that the employee reasonably believes constitutes a violation of this
901 chapter.

902 Section 23. (a) The commission shall develop an annual research agenda in order to
903 understand the social and economic effects of sports wagering in the commonwealth and to
904 obtain scientific information relative to the neuroscience, psychology, sociology, epidemiology
905 and etiology of sports wagering. The secretary of health and human services, with the advice and
906 consent of the commission, may expend funds from the Public Health Trust Fund established in
907 section 58 of chapter 23K to implement the objectives of the sports wagering research agenda;
908 provided, however, that the objectives of the sports wagering research agenda shall, to the extent
909 practicable, be substantially similar to the objectives of the research agenda established under
910 section 71 of said chapter 23K. The sports wagering research agenda shall also include, but not
911 be limited to: (i) an assessment of whether problem sports wagering is comorbid with problem

926 following new section:-

927 Section 9. Notwithstanding sections 1 to 8, inclusive, or any other general or special law

RE: Written Testimony: Item #10893: An Ordinance to Amend the Code of the City of Gardner, Chapter 675 thereof, entitled "Zoning," to amend Section 1070 thereof, entitled "Marijuana Establishments" to increase the quota allowed by the Code of the City of Gardner

Dear Madam President, Councilors, Mr. Chairman, and Planning Board Members,

I am writing in support of the aforementioned zoning amendment proposal.

When the retail sale of cannabis products was legalized in the Commonwealth in 2019, several municipalities, including Gardner, took steps to heavily regulate the industry since we didn't really know what would happen once the cannabis industry became legalized.

Since then we have seen that commercial enterprises like these do not cause as much of a strain on our services as we had originally been concerned about and have not been a public safety concern at all for us.

This proposal seeks to loosen the market constraints in the City and simply let the economic market be the market. If the City does not have the capability of handling more up to four (4) retail cannabis stores, then the market will correct itself for that.

An example of this can be seen with the regular tobacco/vape smoke shops that used to exist in the Downtown area. These businesses, unregulated in terms of number of facilities that could open in the City, were not marketed by the City and simply opened and then consolidated from five (5) to one (1) on their own because that was all the market was able to carry.

The purpose of this amendment, while it also provides a financial benefit to the City through statutorily required sales tax and host community agreement fees, is simply to relax some of the regulations placed on this industry and let the City's economy play itself out. This does still regulate the retail cannabis industry to four (4) locations, but it at least loosens the restriction of only being able to allow two (2) locations in the City.

Respectfully,

Michael J. Nicholson

RE: An Ordinance to Amend the Code of the City of Gardner, Chapter 675 thereof, entitled "Zoning," to amend Section 1070 thereof, entitled, "Marijuana Establishments" to increase the quota allowed by the Code of the City of Gardner.

Dear Madam President and Councilors,

As you are aware, in 2018, the retail sale of cannabis products became legalized in the Commonwealth.

When the City adopted the sale of Marijuana into our ordinances in November of 2018, the ordinances limited the number of establishments that could open in the City for the retail sale of cannabis to twenty percent (20%) of "license issues for retail sale of alcohol not consumed on the premises." (Code of the City of Gardner 675-1070(C)(8)(b)).

Whereas the City is currently issued ten (10) liquor licenses that fit this category, this provision of the City Code limited the number of retail cannabis locations to two (2) locations in the City.

One of the main reasons this quota limit was drafted was due to uncertainty as to how this new market would run its course in the City and the Commonwealth as a whole. However, since then, we have seen that these businesses do not provide a detriment to the City, and have seen the financial benefit the City receives from this as well.

The City currently has one retail location open with Sanctuary, with a second location – Bloc Cannabis – permitted at the Timpany Crossroads location.

This attached ordinance amendment proposal would increase the number of locations allowed in the City from two (2) to four (4). It is the belief of the Administration that this would allow more economic activity in the City based on inquiries that we have seen, keep the industry within a workable range that we are seeing in market trends with the cannabis industry around the Commonwealth, and done with the full support of our public safety departments.

Re: Retail Marijuana Ordinance

Dear Mayor,

After reviewing the proposed ordinance change from two retail dispensary licenses to four, I do not see any issue with this particular change moving forward. Retail marijuana dispensaries have been operating in the state for the past few years and are closely monitored and regulated by the Cannabis Control Commission. Any retail dispensaries are required to have pre-determined surveillance camera coverage (inside and outside) and purpose-built safes for stored retail product. This is in addition to physical security during operating hours.

The Gardner Police Department has responded to calls at the current recreational retail dispensary, but the vast majority of the calls are general service calls (accidents, lockouts, burglar alarms, etc.). The police department rarely deals with anything else there.

We have conducted "compliance checks" at Sanctuary using underage youths to enter and purchase cannabis products. Sanctuary has never failed a compliance check. In fact, no youth has ever made it past the front door. I have spoken to law enforcement in other host dispensary locations and have not heard of any major issues.

If there are any further questions or concerns, please do not hesitate to contact me.

Very truly yours,

RE: Marijuana Retail Establishments

Dear Mr. Mayor,

I believe the text amendment regarding the number of Marijuana Retail Establishments will only increase opportunities in the City for revenue, and jobs. From a Zoning standpoint I have seen no ill effects from the existing Marijuana Facility. I currently have an application for a Building permit for a second facility which would leave us with no additional licenses. This would in effect tie our hands regarding further growth. I am in full support of this proposal.

Do not hesitate to contact me should you need any further assistance.

RE: **Petition 10892** – An Ordinance to Amend the Code of the City of Gardner, Chapter 675 thereof, entitled “Zoning,” to add “Sports Betting” to the Zoning Table of Uses.

Dear President Kazinskas:

At its meeting on March 22, 2023, the Planning Board voted unanimously, 5-0, to recommend approving the proposed zoning amendment referenced above based on the information provided to them by the petitioner.

If the proposed amendment is approved, the Planning Board recommends the rewording of number 54 to read:

Indoor amusement, fitness, recreational place, place of assembly, or a sports betting facility, provided that the building is so insulated and maintained as to confine noise to the premises and is located not less than 100 feet from a residential district.

In addition, due to the potential significant scope and complexity of such a project if implemented under this proposed zoning amendment, the Board recommends changing the use table for number 54 from permitted by right (P) to Special Permit Planning Board (SPPB) for Commercial 1 and Commercial 2 zones; and number 56 from permitted by right (P) to Special Permit Planning Board (SPPB) for Commercial 2 and Industrial 1 zones.

The Planning Board looks forward to joining the City Council at the joint public hearing scheduled on Monday, April 3, 2023, at 6:30 p.m. Please contact Trevor Beauregard if you have any questions or need additional information.

RE: Joint Public Hearing Written Testimony – Item #10892: An Ordinance to Amend the Code of the City of Gardner, Chapter 675, thereof entitled “Zoning,” to add “Sports Betting” to the Zoning Table of Uses

Dear Madam President and Councilors,

I am writing in favor of the Administration’s proposed Zoning Amendment to add the term “Sports Betting,” to line items 54 and 56 the Zoning Table of Uses.

In May of 2018, the United States Supreme Court struck down the federal Professional and Amateur Sports Protection Act (“PASPA”)¹, also known as the Bradley Act, as unconstitutional in their ruling of *Murphy v. National Collegiate Athletic Association*². This federal statute had effectively outlawed sports betting nationwide, except for a few excluded states. The Supreme Court had ruled this act as unconstitutional, thus paving the way for several states to legalize sports betting.

In August of 2023, former Governor Charlie Baker signed House Bill 5164 into law, legalizing online, retail, and kiosk sports betting in the Commonwealth for residents ages 21 and older. Retail sports betting went live on January 31, 2023, and online sports betting launched on March 10, 2023. Kiosk sports betting will go live later this year.

There are currently three (3) approved retail sites and ten (10) approved mobile betting applications. When kiosk sports betting goes live later this year, they will be allowed across the Commonwealth in locations that follow a specific procedure as outlined by the new law.

The Supreme Court of the United States has ruled on several occasions, that under the First Amendment of the Constitution, a municipality cannot outright ban a particular industry or business from opening within its borders, but can limit where these businesses are located.

Since the City cannot bar this type of business from opening in Gardner, and since this type of activity is not currently listed in the City’s Zoning Table of Uses, it leaves the City open to

¹ 28 U.S.C. ch.178 §3701 et seq.

² *Murphy v. NCAA*, 138 S.Ct. 1461 (2018).

liability of not being able to control whether these types of facility are located in largely residential neighborhoods or in areas in the City that may not be suited for this type of activity.

As such, it is the request of my Administration that this use be added to the City Code's Zoning table of uses under Line 54: Indoor Amusement, and Line 56: Outdoor Amusement, as these items fit the closest to the realm of sports betting.

This amendment to the Zoning Table of Uses, does not waive the other requirements these locations would have to go through should any sports betting facility open in Gardner in the future.

Per the requirements of the sports betting enabling legislation, any sports betting facility would have to enter into a Host Community Agreement ("HCA") similar to cannabis facilities in the Commonwealth. The Expanded Gaming Act requires that all applicants for sports betting licenses must first submit to the Massachusetts Gaming commission:

"a signed agreement between the host community and the applicant setting forth the conditions to have a gaming establishment located within the host community; provided, however, that the agreement shall include a community impact fee for the host community and all stipulations of responsibilities between the host community and the applicant, including stipulations of known impacts from the development and operation of a gaming establishment."

Additionally, after the HCA is approved by the City Council and signed by the Mayor, the City Council must then annually vote to allow the proposed establishment to operate a sports betting facility within the City at its location.

Lastly, before any facility should open, they must also go through the regular requirements for site plan approval and Development Review Committee vetting, both listed in Chapter §675-1010 of the City Code.

As such, this action to add this type of use to the Zoning Ordinances still requires this type of industry to be heavily regulated and vetted by the City by both branches of its government and its boards and commissions.

This action is simply being put forward to protect the City in the long run and pre-plan should one of these facilities come to Gardner rather than waiting and reacting if this should ever come up.

RE: Zoning Ordinance Proposal- Sports Betting Facilities

Dear Madam President and Councilors,

As you are likely aware, on August 10, 2022, former Governor Charlie Baker signed Chapter 173 of the Acts of 2022 into law, legalizing sports betting in the Commonwealth.

This new addition to the General Laws, some parts of which have already taken effect while others will within the next few months, allows for the opening of new facilities across the Commonwealth where individuals can gamble and place wagers on sporting games.

Currently, these types of facilities are not governed by our zoning ordinance, as they were not allowed prior to the passage of this act. The attached ordinance proposal is being presented to help protect the City so that we can regulate where facilities like this can go and make sure that in the event that a facility like this looks to open in Gardner, it locates in a location that fits this use rather than in a largely residential area that could cause disruptions to a neighborhood.

I believe it is in the best interest of the City to be proactive in this matter in order to make sure the City has the tools in place before any situations may arise.

RE: Text Amendment

Dear Mr. Mayor,

Please accept this letter as my full support for your proposed text amendment to our Zoning Ordinance regarding sports betting. I believe when new laws are enacted at a state level that a municipalities Zoning must change to reflect the new law, or be forced to react to a potential problem.

238 wagering in the commonwealth unless all required licenses have been obtained in accordance
239 with this chapter and the rules and regulations of the commission.

240 (b) The commission shall not grant an operator license until it determines that each
241 person who has control of the applicant meets all qualifications for licensure. For the purposes of
242 this chapter, the following shall be considered to have control of an applicant: (i) a person who
243 owns 10 per cent or more of a corporate applicant and who has the ability to control the activities

248 ability to control the activities of the non-corporate applicant; and (iii) at the commission's

249 discretion, an executive, employee or agent having the power to exercise significant influence
250 over decisions concerning the applicant's sports wagering operations in the commonwealth.

251 (c) A person having control of an applicant pursuant to subsection (b) shall submit to the

257 who is a natural person that has submitted to a national criminal records check in any jurisdiction
258 within the previous year shall not be required to submit to another national criminal records
259 check if such person submits to the commission the results of such previous national criminal
260 records check. Any applicant convicted of any disqualifying offense, as determined by the
261 commission, shall not be licensed.

262 (d) Each person licensed under this chapter shall give the commission written notice not
263 more than 30 days after any change to any material information provided in the application for a
264 license or renewal.

265 (e) A commission employee shall not be an applicant for any license issued under this
266 chapter.

267 Section 6. (a) A licensed qualified gaming entity may operate sports wagering upon the
268 approval of the commission.

269 (b)(1) The commission shall issue a category 1 license to any holder of a gaming license,
270 as defined in section 2 of chapter 23K, that meets the requirements of this chapter and the rules

271 and regulations of the commission; provided, however, that any holder of a category 1 license
272 shall not be issued a category 2 license.

273 (2) The commission shall issue a category 2 license to: (i) any holder of a license to
274 conduct a live horse racing meeting in accordance with chapter 128A; (ii) a running horse racing
275 licensee that conducted simulcast wagering as of December 31, 2020 as authorized by law; or
276 (iii) a greyhound meeting licensee that conducted simulcast wagering as of December 31, 2020
277 as authorized by law; that meets the requirements of this chapter and the rules and regulations of
278 the commission; provided, however, that any holder of a category 2 license shall not be issued a
279 category 1 license; and provided further, that no more than 1 category 2 license shall be issued to
280 any 1 person, entity, or affiliate or close associate of such person or entity.

281 (3) The commission may issue a category 3 license to any entity that offers sports
282 wagering through a mobile application or other digital platform that meets the requirements of
283 this chapter and the rules and regulations of the commission; provided, however, the commission
284 shall issue no more than 7 category 3 licenses that are not connected to a category 1 or category
285 2 license.

286 (4) A category 1 or category 2 licensee may enter into agreements related to mobile or
287 digital sports wagering with a category 3 licensee pursuant to the approval of the commission.
288 Nothing in this chapter shall require a category 3 licensee to partner with or have any
289 commercial relationship with a category 1 or 2 licensee.

290 (c)(1) A qualified gaming entity may submit to the commission a request for a temporary
291 license for the immediate commencement of sports wagering operations. Such request shall
292 include an initial licensing fee of \$1,000,000 payable to the commission.

293 (2) Upon receiving a request for a temporary license, the executive director of the
294 commission shall review the request. If the executive director determines that the entity
295 requesting the temporary license is a qualified gaming entity and has paid the sports wagering
296 initial licensing fee pursuant to paragraph (1), the commission shall authorize the qualified
297 gaming entity to conduct sports wagering for a period of 1 year under a temporary license or
298 until a final determination on its operator license application is made.

299 (3) All sports wagering conducted under authority of a temporary license shall comply
300 with the house rules adopted under section 10.

301 (d) Prior to issuing an operator license, the commission shall commence an investigation
302 into the suitability of the applicant. The commission may use information obtained from the
303 applicant pursuant to chapter 23K, chapter 128A, chapter 128C, or information from other
304 jurisdictions where the applicant is authorized to conduct sports wagering. In evaluating the
305 suitability of the applicant, the commission shall consider the overall reputation of the applicant
306 including, but not limited to: (i) the integrity, honesty, good character and reputation of the
307 applicant; (ii) the financial stability, integrity and background of the applicant; (iii) the business
308 practices and the business ability of the applicant to establish and maintain a successful sports
309 wagering operation; (iv) whether the applicant has a history of compliance with gaming or sports
310 wagering licensing requirements in other jurisdictions; (v) whether the applicant, at the time of
311 application, is a defendant in litigation involving its business practices; and (vi) the suitability of
312 all parties in interest to the license, including affiliates and close associates, and the financial
313 resources of the applicant.

314 (c) The commission may deny an application, if the commission determines during its
315 investigation that an applicant has failed to: (i) establish the applicant's integrity or the integrity
316 of any affiliate, close associate, financial resources or any person required to be qualified by the
317 commission; (ii) demonstrate responsible business practices in any jurisdiction; or (iii) overcome
318 any other reason, as determined by the commission, as to why it would be injurious to the
319 interests of the commonwealth to award the applicant an operator license.

320 (f) Upon application by a qualified gaming entity that is not denied pursuant to subsection
321 (e) and payment of a \$5,000,000 licensing fee, the commission shall grant an operator license to
322 a qualified gaming entity that provides the right to conduct sports wagering; provided, that the
323 qualified gaming entity shall meet the requirements for licensure under this chapter and the rules
324 and regulations of the commission. Such license shall be issued for a 5-year period, and may be
325 renewed for 5-year periods upon payment of a \$5,000,000 renewal fee; provided, that the
326 operator shall continue to meet all requirements under this chapter and the rules and regulations
327 of the commission. The commission shall credit any initial licensing fee paid pursuant to
328 paragraph (1) of subsection (c) to a successful applicant for an operator license against the
329 licensing fee due under this subsection.

330 (g) An operator shall submit to the commission such documentation or information as the
331 commission may require to demonstrate that the operator continues to meet the requirements of
332 this chapter and the rules and regulations of the commission. An operator shall submit required
333 documentation or information no later than 5 years after issuance of its operator license and
334 every 5 years thereafter, or within lesser periods based on circumstances specified by the
335 commission.

(h) No licensee shall transfer an operator license, or any direct or indirect interest in the license, without the majority approval of the commission. A person seeking to acquire such license through a transfer shall qualify and otherwise be determined by the commission to be eligible for licensure under this chapter. The commission may reject a proposed license transfer or a proposed transfer of interest in the license to an unsuitable person and may reject a proposed transfer that, in the determination of the commission, would be injurious to the interests of the commonwealth. The commission may promulgate regulations governing this process which may include assessment of a fee to reflect the cost associated with reviewing the proposed transfer.

(i) Applications for operator licenses shall be public records under section 10 of chapter 66; provided however, that trade secrets, competitively-sensitive or other proprietary information provided in the course of an application for an operator license under this chapter, the disclosure of which would place the applicant at a competitive disadvantage, may be withheld from disclosure under said section 10 of said chapter 66.

Section 7. (a) An applicant for an operator license shall pay to the commission a nonrefundable processing fee of \$200,000 for the costs associated with the processing of the application and investigation of the applicant; provided, however, that if the costs of the investigation exceed the initial application fee, the applicant shall pay the additional amount to the commission not more than 30 days after notification of insufficient fees or the application shall be rejected.

(b) All fees in this section shall be deposited into the Sports Wagering Control Fund established in section 14.

Section 8. Section 8. (a) All persons employed by an operator to perform duties directly related to the operation of sports wagering in the commonwealth in a supervisory role shall maintain a valid occupational license issued by the commission. The commission shall issue such occupational license to a person who meets the requirements of this section.

(b) An occupational license authorizes the licensee to be employed in the capacity designated by the commission while the license is active. The commission may establish, by rule or regulation, job classifications with different requirements based on the extent to which a particular job impacts, or has the potential to impact, the lawful operation of sports wagering.

(c) An applicant for an occupational license shall submit any required application forms established by the commission and shall pay a nonrefundable application fee of \$100. An employer may pay an application fee on behalf of an applicant.

(d) Not later than March 1 of the third calendar year following the issuance or renewal of an occupational license, an occupational license holder shall pay a nonrefundable license renewal fee of \$100 and submit a renewal application on a form established by the commission. An employer may pay the license renewal fee on behalf of the licensed employee.

Section 9. Section 9. (a) The commission may deny a license to any applicant, reprimand any licensee or suspend or revoke a license if the applicant or licensee: (i) has knowingly made a false statement of a material fact to the commission; (ii) has had a license revoked by any governmental authority responsible for regulation of gaming activities; (iii) has been convicted of a felony or other crime involving embezzlement, theft, fraud, perjury, or a gambling-related offense; (iv) has not demonstrated to the satisfaction of the commission financial responsibility sufficient to adequately meet the requirements of the proposed enterprise; (v) has affiliates or

close associates that would not qualify for a license or whose relationship with the applicant may pose an injurious threat to the interests of the commonwealth in awarding an operator license to the applicant; or (vi) in the case of an operator or an applicant for an operator license, is not the true owner of the business or is not the sole owner and has not disclosed the existence or identity of other persons who have an ownership interest in the business.

(b) The commission may deny, suspend or revoke an operator license or reprimand any licensee if the applicant or licensee has not met the requirements of this chapter.

Section 10. (a) An operator shall adopt comprehensive house rules for game play governing sports wagering transactions with the operator's patrons. The house rules shall specify the amounts to be paid on winning wagers and the effect of sports event schedule changes. An operator shall not conduct sports wagering until the commission has approved the house rules and an operator shall not conduct sports wagering in a manner inconsistent with approved house rules.

(b) The house rules, together with any other information the commission deems appropriate, shall be accessible to any patrons of the sports wagering operator. The operator shall make copies readily available to patrons and shall post the house rules as required by the commission, including on a prominent place on the operator's public website and mobile application or other digital platform.

Section 11. (a) An operator shall employ commercially reasonable methods to: (i) prohibit the operator, directors, officers, owners and employees of the operator and any relative living in the same household as any such person from placing bets with the operator; (ii) prohibit athletes, coaches, referees, team owners, employees of a sports governing body or its member

401 teams and player and referee union personnel from wagering on any sporting event of their
402 sport's governing body; provided, however, that the operator shall use lists of such persons that a
403 sports governing body may provide to the commission to determine which persons are excluded
404 from placing wagers under this subsection; and provided further, that the commission may use
405 the list of barred employees from the operator and may work directly with a member team to
406 determine the risk posed by certain employees for obtaining nonpublic confidential information
407 on a sporting event and may remove an employee without knowledge of team strategy or game
408 operations from such a list if the commission determines any such risk is de minimis; (iii)
409 prohibit any individual with access to nonpublic confidential information held by the operator
410 from placing wagers with the operator; (iv) prohibit persons from placing wagers as agents or
411 proxies for others; and (v) maintain the security of wagering data, customer data and other
412 confidential information from unauthorized access and dissemination; provided, however, that
413 nothing in this chapter shall preclude the use of internet or cloud-based hosting of such data and
414 information or disclosure as required by court order, other law or this chapter; and provided
415 further, that such data and information shall be hosted in the United States.

416 (b) A sports governing body or players association representing athletes who participate
417 in sporting events of the sports governing body may submit to the commission, in writing, by
418 providing notice in a form and manner as the commission may require, a request to restrict, limit
419 or exclude a certain type, form or category of sports wagering with respect to sporting events of
420 the sports governing body, if the sports governing body or players association believes that such
421 type, form or category of sports wagering with respect to sporting events of the sports governing
422 body: (i) is contrary to public policy; (ii) unfair to consumers; (iii) may undermine the perceived
423 integrity of the sports governing body, sporting events of the sports governing body or the

424 athletes participating therein; or (iv) affects the integrity of the sports governing body or sporting
425 events of the sports governing body or the athletes participating therein.

426 The commission shall request comment from operators on all such requests. After giving
427 due consideration to all comments received, the commission shall, upon a demonstration of good
428 cause from the requestor, grant the request. The commission shall respond to a request
429 concerning a particular event before the start of the event or, if it is not feasible to respond before
430 the start of the event, not later than 7 days after the request is made; provided, however, that if
431 the commission determines that the requestor is more likely than not to prevail in successfully
432 demonstrating good cause for its request, the commission may provisionally grant the request
433 until the commission makes a final determination as to whether the requestor has demonstrated
434 good cause. Absent a provisional grant by the commission, an operator may continue to offer
435 sports wagering on sporting events that are the subject of a request during the pendency of the
436 consideration of the applicable request.

437 (c) The commission shall designate a state law enforcement entity to have primary
438 responsibility for conducting, or assisting the commission in conducting, investigations into
439 abnormal betting activity, match fixing and other conduct that corrupts a betting outcome of a
440 sporting event for purposes of financial gain.

441 (d) The commission and operators shall use commercially reasonable efforts to cooperate
442 with investigations conducted by sports governing bodies or law enforcement agencies,
443 including, but not limited to, using commercially reasonable efforts to provide or facilitate the
444 provision of anonymized account-level betting information and audio or video files relating to
445 persons placing wagers. All disclosures under this section are subject to the obligation of an

446 operator to comply with all federal, state and local laws and regulations, including, but not
447 limited to, laws and regulations relating to privacy and personally identifiable information.

448 (e) An operator shall immediately report to the commission any information relating to:
449 (i) criminal or disciplinary proceedings commenced against the operator in connection with its
450 operations; (ii) abnormal betting activity or patterns that may indicate a concern with the
451 integrity of a sporting event; (iii) any potential breach of the internal rules and codes of conduct
452 pertaining to sports wagering of a relevant sports governing body; (iv) any other conduct that
453 corrupts a betting outcome of a sporting event for purposes of financial gain, including, but not
454 limited to, match fixing; or (v) suspicious or illegal wagering activities, including, but not limited
455 to: (A) use of funds derived from illegal activity; (B) wagers to conceal or launder funds derived
456 from illegal activity; (C) use of agents to place wagers; and (D) use of false identification. An
457 operator shall immediately report information relating to conduct described in clauses (ii), (iii)
458 and (iv) of this subsection to the relevant sports governing body.

459 (f) The commission and operators shall maintain the confidentiality of information
460 provided by a sports governing body for purposes of investigating or preventing the conduct
461 described in clauses (ii), (iii) and (iv) of subsection (e), unless disclosure is required by this
462 chapter, the commission, other law or court order or unless the sports governing body consents to
463 disclosure.

464 (g) With respect to any information provided by an operator to a sports governing body
465 relating to conduct described in clauses (ii), (iii) and (iv) of subsection (e), a sports governing
466 body shall: (i) only use such information for integrity purposes and shall not use the information
467 for any commercial or other purpose; and (ii) maintain the confidentiality of such information,

unless disclosure is required by this chapter, the commission, other law or court order or unless the operator consents to disclosure; provided, however, that the sports governing body may make any disclosure necessary to conduct and resolve integrity-related investigations and may publicly disclose such information if required by its integrity policies or if deemed by the sports governing body in its reasonable judgment to be necessary to maintain the actual or perceived integrity of its sporting events, and subject in all cases to the sports governing body's compliance with federal, state and local laws and regulations, including, but not limited to, laws and regulations relating to privacy and personally identifiable information; and provided further, that prior to any such public disclosure that would identify the operator by name, the sports governing body shall provide the operator with notice of such disclosure and an opportunity to object to such disclosure.

(h) An operator shall maintain records of all wagers placed by its patrons, including: (i) personally identifiable information of a patron who places a sports wager through a mobile application or other digital platform or a patron who places an in-person sports wager that exceeds an amount determined by the commission; (ii) amount and type of the bet; (iii) the time the bet was placed; (iv) the location of the bet, including the Internet Protocol address if applicable; (v) the outcome of the bet; and (vi) records of abnormal betting activity for 3 years after a sporting event occurs and video camera recordings in the case of in-person wagers for at least 1 year after a sporting event occurs. An operator shall make these records available for inspection upon request of the commission or as required by court order.

(i) An operator shall use commercially reasonable efforts to maintain, in real time and at the account level, anonymized information for each patron, including: (i) the amount and type of bet; (ii) the time the bet was placed; (iii) the location of the bet, including the Internet Protocol

491 address if applicable; (iv) the outcome of the bet; and (v) records of abnormal betting activity.
492 The commission may request the information in the form and manner as it requires. Nothing in
493 this section shall require an operator to provide any information prohibited by federal, state or
494 local laws or regulations, including, but not limited to, laws and regulations relating to privacy
495 and personally identifiable information.

496 (j) If a sports governing body has notified the commission and demonstrated a need for
497 access to the information described in subsection (i) for wagers placed on sporting events of the
498 sports governing body for integrity monitoring purposes and demonstrated the capability to use
499 the data for the purpose of effectively monitoring the integrity of sporting events of the sports
500 governing body, an operator shall share, in a commercially reasonable frequency, form and
501 manner, with the sports governing body or its designee the same information the operator is
502 required to maintain pursuant to said subsection (i) with respect to sports wagers on sporting
503 events of the sports governing body. A sports governing body and its designee shall only use
504 information received pursuant to this section for integrity-monitoring purposes and shall not use
505 information received pursuant to this section for any commercial or other purpose. Nothing in
506 this section shall require an operator to provide any information that is prohibited by federal,
507 state or local law or regulation, including, but not limited to, laws and regulations relating to
508 privacy and personally identifiable information.

509 (k)(1) An operator shall conduct a background check on each newly hired employee.
510 Background checks shall search for criminal history, charges or convictions involving corruption
511 or manipulation of sporting events and association with organized crime.

(2) An operator shall conduct a single background check on any employee hired before the operator was issued an operator license. Background checks shall search for criminal history, charges or convictions involving corruption or manipulation of sporting events and association with organized crime.

Section 12. (a) An operator shall: (i) employ a monitoring system utilizing software to identify irregularities in volume or changes in odds that could signal suspicious activities and promptly report such information to the commission for further investigation; provided, however, that system requirements and specifications shall be developed according to industry standards and implemented by the commission as part of the minimum internal control standards; (ii) promptly report to the commission any facts or circumstances related to the operation of a sports wagering license that constitute a violation of state or federal law and promptly report to the appropriate state or federal authorities any suspicious betting over a threshold set by the operator that has been approved by the commission; (iii) conduct all sports wagering activities and functions in a manner that does not pose a threat to the public health, safety or welfare of the residents of the commonwealth; (iv) keep current in all payments and obligations to the commission; (v) prevent any person from tampering or interfering with the operation of any sports wagering; (vi) ensure that mobile sports wagering occurs only using a commission-approved mobile application or other digital platform to accept wagers initiated within the commonwealth; (vii) maintain sufficient cash and other supplies to conduct sports wagering at all times; (viii) maintain daily records showing the gross sports wagering receipts and adjusted gross sports wagering receipts of the operator from sports wagering; (ix) timely file with the commission any additional reports required by this chapter or by any rule or regulation;

534 and (x) use commercially reasonable efforts to prevent a person under 21 years old from placing
535 a wager.

536 (b) Sports wagering operators may use any data source for determining:

537 (1) the results of any and all tier 1 sports wagers on any and all sporting events; and

538 (2) the results of any and all tier 2 sports wagers on sporting events of an organization
539 that is not headquartered in the United States.

540 (c) A sports governing body may notify the commission that it desires sports wagering
541 operators to use official league data to settle tier 2 sports wagers on sporting events of such
542 sports governing body. The notification shall be made in the form and manner as the commission
543 may require. Within 5 days of receipt of the notification, the commission shall notify each sports
544 wagering operator of the requirement to use official league data to settle tier 2 sports wagers. If a
545 sports governing body does not notify the commission of its desire to supply official league data,
546 a sports wagering operator may use any data source for determining the results of any and all tier
547 2 sports wagers on sporting events of the sports governing body.

548 (d) Within 60 days of the commission notifying a sports wagering operator of the
549 requirement to use official league data to settle tier 2 sports wagers pursuant to subsection (c), or
550 such longer period as may be agreed between the sports governing body and the applicable
551 sports wagering operator, a sports wagering operator shall use only official league data to
552 determine the results of tier 2 sports wagers on sporting events of that sports governing body,
553 unless:

554 (1) the sports governing body or its designee cannot provide a feed of official league data
555 to determine the results of a particular type of tier 2 sports wager, in which case a sports
556 wagering operator may use any data source for determining the results of the applicable tier 2
557 sports wager until such time a data feed becomes available from the sports governing body on
558 commercially reasonable terms and conditions; or

559 (2) a sports wagering operator can demonstrate to the commission that the sports
560 governing body or its designee will not provide a feed of official league data to the sports
561 wagering operator on commercially reasonable terms and conditions.

562 (e) In evaluating whether official league data is offered on commercially reasonable
563 terms and conditions for purposes of paragraphs (1) and (2) of subsection (d), the commission
564 may consider factors, including, but not limited to:

565 (1) the availability of official league data to a sports wagering operator from more than 1
566 authorized source;

567 (2) market information, including, but not limited to, price and other terms and conditions
568 regarding the purchase by sports wagering operators of comparable data for the purpose of
569 settling sports wagers in the commonwealth and other jurisdictions;

570 (3) the nature and quantity of data, including the quality and complexity of the process
571 used for collecting the data; and

572 (4) the extent to which a sports governing body or its designee has made data used to
573 settle tier 2 wagers available to sports wagering operators and any terms and conditions relating
574 to the use of that data.

575 (f) Notwithstanding subsection (d) or any provision of this subsection to the contrary,
576 during the pendency of the determination of the commission as to whether a sports governing
577 body or its designee may provide official league data on commercially reasonable terms, a sports
578 wagering operator may use any data source to determine the results of tier 2 sports wagers. The
579 determination shall be made within 120 days of the sports wagering operator notifying the
580 commission that it requests to demonstrate that the sports governing body or its designee will not
581 provide a feed of official league data to the sports wagering operator on commercially reasonable
582 terms.

583 (g) A sports governing body may enter into commercial agreements with a sports
584 wagering operator or other entity in which such sports governing body may share in the amount
585 wagered or revenues derived from sports wagering on sporting events of the sports governing
586 body. A sports governing body shall not be required to obtain a license or any other approval
587 from the commission to lawfully accept such amounts or revenues.

588 Section 13. (a) Holders of category 1 and category 2 licenses may accept wagers on
589 sports events and other events authorized pursuant to this chapter in person at authorized
590 facilities.

591 (b) Holders of an operator license may accept wagers on sports events and other events
592 authorized pursuant to this chapter from individuals physically located within the commonwealth
593 using mobile applications or digital platforms approved by the commission, through the patron's
594 sports wagering account. The branding for each mobile application or digital platform shall be
595 determined by the operator. All bets authorized pursuant to this section must be initiated,
596 received and otherwise made within the commonwealth. Consistent with the intent of the federal

Unlawful Internet Gambling Enforcement Act of 2006, 31 U.S.C. section 5361 to 5367, inclusive, the intermediate routing of electronic data related to a lawful intrastate wager authorized pursuant to this chapter shall not determine the location or locations in which the wager is initiated, received or otherwise made.

(c) An operator may: (i) accept wagers placed by other operators and (ii) place wagers with other operators; provided, that any operator that places a wager with another operator shall inform the operator accepting the wager that the wager is being placed by an operator and shall disclose the operator's identity.

(d) An operator shall not accept: (i) a wager from a person who is less than 21 years of age; or (ii) a credit card .

(e)(1) The commission or operator may ban any person from participating in the play or operation of any sports wagering consistent with rules and regulations promulgated by the commission. A list of all excluded patrons shall be kept by the commission and provided to each licensee. No patron on the exclusion list shall be permitted to conduct sports wagering pursuant to this chapter.

(2) The commission shall establish a list of self-excluded persons from sports wagering. A person may request their name to be placed on the list of self-excluded persons by filing a statement with the commission acknowledging that they are a problem gambler and by agreeing that, during any period of voluntary exclusion, they shall not collect any winnings or recover any losses resulting from any sports wagering. The commission shall adopt further regulations for the self-excluded persons list including procedures for placement, removal and transmittal of the list to sports wagering operators. The commission may revoke, limit, condition, suspend or fine a

619 sports wagering operator if the operator knowingly or recklessly fails to exclude or eject from its
620 premises any person placed on the list of self-excluded persons. The list of self-excluded persons
621 from sports wagering shall not be open to public inspection.

622 (3) An operator that operates sports wagering through a mobile application or other
623 digital platform may allow patrons to set self-imposed limitations on sports wagering when the
624 patron joins the mobile application or digital platform.

625 (f) No employee may place a sports wager at any facility or through any mobile
626 application or digital platform owned or operated by their employer.

627 (g) Sections 24, 24A and 27 of chapter 10 of the General Laws shall not apply to an
628 operator conducting sports wagering in accordance with this chapter.

629 (h) Unclaimed winning sports wagers shall be retained by the operator for the person
630 entitled to the wager for 1 year after the game or event in which the wager was won. If no claim
631 is made for the wager within 1 year, the cash or equivalent cash value of the wager shall be
632 deposited in the Sports Wagering Control Fund established in section 15.

633 Section 14. (a) An excise is hereby imposed upon sports wagering operators in the
634 commonwealth at the rate of: (i) 15 per cent of the operator's adjusted gross sports wagering
635 receipts from the operation of in-person sports wagering; (ii) 20 per cent of the operator's
636 adjusted gross sports wagering receipts from the operation of sports wagering through mobile
637 applications and other digital platforms approved by the commission; and (iii) 15 per cent of the
638 adjusted gross fantasy wagering receipts of a person or entity that offers fantasy contests, as
639 defined in section 11M½. The accrual method of accounting shall be used for purposes of

calculating the amount of the tax owed by the licensee. The excise shall be paid to the commission at the time provided for filing the return pursuant to subsection (b).

(b)(1) The excise imposed and collected pursuant to subsection (a) shall be due and payable to the commission in monthly installments on or before the fifteenth calendar day following the calendar month in which the adjusted gross sports wagering receipts were received.

(2) On or before the fifteenth calendar day of each month, the operator shall complete and submit the return for the preceding month by electronic communication to the commission in a form prescribed by the commission that provides:

(i) the total gross sports wagering receipts and adjusted gross sports wagering receipts from operation of sports wagering during that month;

(ii) the total gross fantasy wagering receipts and adjusted gross fantasy wagering receipts from the offering of fantasy contests, as defined in section 11M½ of chapter 12, during that month;

(iii) the tax amount for which an operator or a person or entity that offers fantasy contests, as defined in said section 11M½ of said chapter 12, is liable; and

(iv) any additional information necessary in the computation and collection of the tax on adjusted gross sports wagering receipts and adjusted gross fantasy wagering receipts required by the commission.

(3) The excise amount shown to be due shall be remitted by electronic funds transfer simultaneously with the filing of the return.

660 (4) When an operator's adjusted gross sports wagering receipts for a month is a negative
661 number because the winnings paid to wagerers and excise taxes paid pursuant to federal law
662 exceed the operator's total gross receipts from sports wagering, the commission shall allow the
663 operator to carry over the negative amount to returns filed for subsequent months. The negative
664 amount of adjusted gross sports wagering receipts shall not be carried back to an earlier month
665 and taxes previously received by the commission shall not be refunded unless the operator
666 surrenders its license and the operator's last return reported negative adjusted gross sports
667 wagering receipts.

668 (c) The excise on adjusted gross sports wagering receipts imposed by this section shall be
669 in lieu of all other state and local taxes and fees imposed on the operation of, or the proceeds
670 from operation of, sports wagering.

671 (d) Annually, not later than July 1, the commission shall publish on its website a report
672 stating the amount in fees, surcharges and civil penalties received from operators and taxes
673 received from operators and from people or entities that offer fantasy contests, as defined in
674 section 11M½ of chapter 12.

675 Section 15. (a) There shall be established and set up on the books of the commonwealth a
676 separate fund to be known as the Sports Wagering Control Fund. The commission shall be the
677 trustee of the fund and shall expend money to finance the operational activities of the
678 commission pertaining to sports wagering. The fund shall be credited with: (i) any appropriation,
679 bond proceeds or other monies authorized by the general court and specifically designated to be
680 credited thereto; (ii) the proceeds of any fees collected pursuant to this section unless otherwise
681 specified; (iii) fees collected pursuant to sections 7 and 8; (iv) breaks; and (v) such additional

682 funds as are subject to the direction and control of the commission. All available money in the
683 fund that is unexpended at the end of each fiscal year shall not revert to the General Fund and
684 shall be available for expenditure in the subsequent fiscal year.

685 (b) The commission shall establish fees for any investigation into a violation of this
686 chapter or regulation promulgated hereunder by a sports wagering operator to be paid by the
687 sports wagering operator including, but not limited to, billable hours by commission staff
688 involved in the investigation and the costs of services, equipment or other expenses that are
689 incurred by the commission during the investigation.

690 (c) Any remaining costs of the commission necessary to maintain regulatory control over
691 sports wagering operators that are not covered by: (i) the fees set forth in subsection (b); (ii) any
692 other fees assessed pursuant to this chapter; or (iii) any other designated sources of funding, shall
693 be annually assessed on sports wagering operators pursuant to this chapter in proportion to each
694 operator's share of the commonwealth's total adjusted gross sports wagering receipts. Each
695 operator shall pay the amount assessed against the operator not more than 30 days after the date
696 of the notice of assessment from the commission.

697 (d) If the fees collected pursuant to subsections (b) and (c) exceed the cost required to
698 maintain regulatory control, the surplus funds shall be credited in proportional shares against
699 each sports wagering operator's next assessment.

700 (e) The commission shall annually assess and collect a \$1,000,000 fee in shares to be
701 determined by the commission against each sports wagering operator that is not a category 1 or
702 category 2 gaming licensee, as defined in section 2 of chapter 23K. The fee collected pursuant to
703 this subsection shall be deposited into the Public Health Trust Fund established in section 58 of

704 said chapter 23K and shall be used for the costs of services and public health programs provided
705 for in said section 58 of said chapter 23K.

706 Section 16. (a) The commission may assess a civil administrative penalty on an operator
707 who fails to comply with any provision of this chapter, house rules or any regulation or order
708 adopted by the commission; provided, however, that the noncompliance shall have occurred after
709 the commission has given such operator written notice of the noncompliance and the time stated
710 in the notice for coming into compliance has elapsed; provided further, that the commission may
711 assess a penalty without providing written notice if the failure to comply: (i) was part of a pattern
712 of noncompliance and not an isolated instance; (ii) was willful or neglectful and not the result of
713 error; (iii) resulted in a significant breach to the integrity of the operator or the sports wagering
714 laws of the commonwealth; or (iv) consisted of failure to promptly report to the commission any
715 knowledge of evidence or circumstances that would cause a reasonable person to believe that a
716 violation of this chapter has been committed. The civil administrative penalty shall be in addition
717 to any other civil penalty that may be prescribed by law.

718 (b) For the purpose of determining whether such noncompliance was part of a pattern of
719 noncompliance and not an isolated instance, the commission shall consider, but not be limited to;
720 (i) whether the commission had previously notified the operator of such noncompliance on more
721 than 1 occasion during the previous month or of any noncompliance with the same provision of a
722 law, regulation, order, license or approval as the current noncompliance during the previous 6-
723 month period; or (ii) whether the current and previous instances of noncompliance, considered
724 together, indicate a potential threat to the integrity of the operator and sports wagering in the
725 commonwealth or an interference with the commission's ability to efficiently and effectively
726 regulate sports wagering in the commonwealth and enforce any regulation, license or order. If an

727 operator that has received a notice of noncompliance fails to come into compliance within the
728 time period stated in the notice, the civil administrative penalty may be assessed by the
729 commission upon the operator from the date of receipt of such notice.

730 (c) If the commission seeks to assess a civil administrative penalty on an operator, the
731 commission shall cause to be served upon the operator, by service in hand or by certified mail,
732 return receipt requested, a written notice of its intent to assess a civil administrative penalty that
733 shall include: (i) a concise statement of the alleged act or omission for which such civil
734 administrative penalty is sought to be assessed; (ii) each law, regulation, order, license or
735 approval that has not been complied with as a result of such alleged act or omission; (iii) the
736 amount that the commission seeks to assess as a civil administrative penalty for each alleged act
737 or omission; (iv) a statement of the operator's right to an adjudicatory hearing on the proposed
738 assessment; (v) the requirements the operator shall comply with to avoid being deemed to have
739 waived the right to an adjudicatory hearing; and (vi) the manner of payment thereof if the
740 operator elects to pay the penalty and waive an adjudicatory hearing. After written notice of
741 noncompliance or intent to assess a civil administrative penalty has been given, each day
742 thereafter during which noncompliance occurs or continues shall constitute a separate offense
743 and shall be subject to a separate civil administrative penalty if reasonable efforts have not been
744 made by the operator to promptly come into compliance.

745 (d) If the commission seeks to assess a civil administrative penalty on an operator, the
746 operator shall have the right to an adjudicatory hearing under chapter 30A, the provisions of
747 which shall apply except when they are inconsistent with the provisions of this chapter.

(c) An operator shall be deemed to have waived its right to an adjudicatory hearing unless, not more than 21 days after the date of the commission's notice that the commission seeks to assess a civil administrative penalty, the operator files with the commission a written statement denying the occurrence of any of the acts or omissions alleged by the commission in the notice or asserting that the amount of the proposed civil administrative penalty is excessive. In an adjudicatory hearing authorized under chapter 30A, the commission shall be required to prove, by a preponderance of the evidence, the occurrence of each act or omission alleged by the commission in the notice.

(f) If an operator waives the right to an adjudicatory hearing, the proposed civil administrative penalty shall be final immediately upon such waiver. If a civil administrative penalty is assessed at the conclusion of an adjudicatory hearing, the civil administrative penalty shall be final upon the expiration of 30 days unless an action for judicial review of the decision is commenced under chapter 30A.

(g) An operator who institutes proceedings for judicial review of the final assessment of a civil administrative penalty shall place the full amount of the final assessment in an interest-bearing escrow account in the custody of the clerk or magistrate of the reviewing court. The establishment of an interest-bearing escrow account shall be a condition precedent to the jurisdiction of the reviewing court unless the party seeking judicial review demonstrates, in a preliminary hearing held not more than 20 days after the filing of the complaint, the presence of a substantial question for review by the court or the operator's inability to pay. Upon such a demonstration, the court may grant an extension or waiver of the interest-bearing escrow account requirement or may require, in lieu of such interest-bearing escrow account, the posting of a

770 bond payable directly to the commonwealth in the amount of 125 per cent of the assessed
771 penalty.

772 If, after judicial review, in a case where the escrow account requirement has been waived,
773 and in cases where a bond has been posted in lieu of such requirement, the court affirms, in
774 whole or in part, the assessment of a civil administrative penalty, the commission shall be paid
775 the amount thereof together with interest at the rate provided in section 6C of chapter 231. If,
776 after judicial review in a case where an interest-bearing escrow account has been established, the
777 court affirms the assessment of such penalty, in whole or in part, the commission shall be paid
778 the amount thereof together with the accumulated interest in the interest-bearing escrow account.
779 If the court sets aside the assessment of a civil administrative penalty in a case where the amount
780 of such penalty has been deposited in an interest-bearing escrow account, the operator on whom
781 the civil administrative penalty was assessed shall be repaid the amount so set aside, together
782 with the accumulated interest thereon.

783 (h) Each operator who fails to timely pay a civil administrative penalty and each operator
784 who issues a bond under this section and fails to timely pay to the commission the amount
785 required for the bond, shall be liable to the commonwealth for up to 3 times the amount of the
786 civil administrative penalty, together with costs, plus interest accrued from the time the civil
787 administrative penalty became final and attorneys' fees, including all costs and attorneys fees
788 incurred directly in the collection of the penalty. The rate of interest shall be the rate provided in
789 section 6C of chapter 231. The commission may require that the amount of a civil administrative
790 penalty imposed under this section exceed any economic benefit realized by a person.

(i) The commission may impose conditions on, suspend or revoke an operator's license or reprimand or assess a fine on an operator upon a finding that the operator: (i) has committed a criminal or civil offense under this chapter or under any other law; (ii) is not in compliance with sports wagering regulations promulgated pursuant to this chapter; (iii) is under criminal investigation in another jurisdiction; (iv) has breached a condition of licensure; (v) has affiliates, close associates or employees that are not qualified or licensed under this chapter with whom the operator continues to conduct business or employ; (vi) is no longer capable of maintaining operations as a sports wagering operator; or (vii) whose business practice, upon a determination by the commission, is injurious to the policy objectives of this chapter.

Section 17. There shall be established and set up on the books of the commonwealth a Sports Wagering Fund which shall receive revenues collected pursuant to sections 6 and 14. The commission shall be the trustee of the fund and shall transfer monies from the fund as follows:

(1) 45 per cent to the General Fund;

(2) 17.5 per cent to the Workforce Investment Trust Fund established in section 18;

(3) 27.5 per cent to the Gaming Local Aid Fund established in section 63 of section 23K;

section 16. Monies transferred to the fund shall be continuously expended, without regard for fiscal year, exclusively for carrying out the purposes of this section. Money remaining in the fund at the end of a fiscal year shall not revert to the General Fund.

(b) The fund shall be administered by the secretary of housing and economic development. Money in the fund shall be competitively granted to develop and strengthen workforce opportunities for low-income communities and vulnerable youth and young adults in the commonwealth, including providing opportunities and strategies to promote stable employment and wage growth.

The secretary of housing and economic development shall establish criteria to evaluate applications for the grant program; provided, that the criteria shall include, but shall not be limited to, at risk populations; provided further, that preference shall be given to eligible grant recipients providing opportunities for individuals who meet at least 2 of the following: (i) is under 30 years of age; (ii) is a victim of violence; (iii) is over 18 years of age and does not have a high school diploma; (iv) has been convicted of a felony; (v) has been unemployed or has had a family income below 250 per cent of the federal poverty level for not less than 6 months; (vi) lives in a census tract where over 20 per cent of the populations fall below the federal poverty line; or (vii) is an immigrant, refugee or person of color.

835 (d) Annually, not later than October 1, the secretary of housing and economic
836 development shall provide a report of the grants given and a breakdown of expenditures made by
837 the fund. The report shall be posted on the website of the executive office of housing and
838 economic development.

839 Section 18. There shall be established and set up on the books of the commonwealth a
840 fund to be known as the Youth Development and Achievement Fund. The fund shall be credited
841 any monies transferred from the Sports Wagering Fund pursuant to section 16 and all monies
842 credited to or transferred to the fund from any other fund or source. Expenditures from the fund
843 shall be subject to appropriation and shall be expended equally for the following purposes:

844 (1) For the purposes of providing financial assistance to students from the commonwealth
845 enrolled in and pursuing a program of higher education in any approved public or independent
846 college, university, school of nursing or any other approved institution furnishing a program of

As part of the study, the commission shall consult retailers, convenience stores, restaurants, women and minority owned businesses and small business owners. The commission shall report on its findings and submit any recommendations to the clerks of the house and senate, the house and senate committees on ways and means, the joint committee on consumer protection and professional licensure and the joint committee on economic development and emerging technologies no later than December 31, 2022.

900 regarding any conduct that the employee reasonably believes constitutes a violation of this
901 chapter.

902 Section 23. (a) The commission shall develop an annual research agenda in order to
903 understand the social and economic effects of sports wagering in the commonwealth and to
904 obtain scientific information relative to the neuroscience, psychology, sociology, epidemiology
905 and etiology of sports wagering. The secretary of health and human services, with the advice and
906 consent of the commission, may expend funds from the Public Health Trust Fund established in
907 section 58 of chapter 23K to implement the objectives of the sports wagering research agenda;
908 provided, however, that the objectives of the sports wagering research agenda shall, to the extent
909 practicable, be substantially similar to the objectives of the research agenda established under

RE: Written Testimony: Item #10893: An Ordinance to Amend the Code of the City of Gardner, Chapter 675 thereof, entitled "Zoning," to amend Section 1070 thereof, entitled "Marijuana Establishments" to increase the quota allowed by the Code of the City of Gardner

Dear Madam President, Councilors, Mr. Chairman, and Planning Board Members,

I am writing in support of the aforementioned zoning amendment proposal.

When the retail sale of cannabis products was legalized in the Commonwealth in 2019, several municipalities, including Gardner, took steps to heavily regulate the industry since we didn't really know what would happen once the cannabis industry became legalized.

Since then we have seen that commercial enterprises like these do not cause as much of a strain on our services as we had originally been concerned about and have not been a public safety concern at all for us.

This proposal seeks to loosen the market constraints in the City and simply let the economic market be the market. If the City does not have the capability of handling more up to four (4) retail cannabis stores, then the market will correct itself for that.

An example of this can be seen with the regular tobacco/vape smoke shops that used to exist in the Downtown area. These businesses, unregulated in terms of number of facilities that could open in the City, were not marketed by the City and simply opened and then consolidated from five (5) to one (1) on their own because that was all the market was able to carry.

The purpose of this amendment, while it also provides a financial benefit to the City through statutorily required sales tax and host community agreement fees, is simply to relax some of the regulations placed on this industry and let the City's economy play itself out. This does still regulate the retail cannabis industry to four (4) locations, but it at least loosens the restriction of only being able to allow two (2) locations in the City.

Respectfully,

Michael J. Nicholson

RE: An Ordinance to Amend the Code of the City of Gardner, Chapter 675 thereof, entitled "Zoning," to amend Section 1070 thereof, entitled, "Marijuana Establishments" to increase the quota allowed by the Code of the City of Gardner.

Dear Madam President and Councilors,

As you are aware, in 2018, the retail sale of cannabis products became legalized in the Commonwealth.

When the City adopted the sale of Marijuana into our ordinances in November of 2018, the ordinances limited the number of establishments that could open in the City for the retail sale of cannabis to twenty percent (20%) of "license issues for retail sale of alcohol not consumed on the premises." (Code of the City of Gardner 675-1070(C)(8)(b)).

Whereas the City is currently issued ten (10) liquor licenses that fit this category, this provision of the City Code limited the number of retail cannabis locations to two (2) locations in the City.

One of the main reasons this quota limit was drafted was due to uncertainty as to how this new market would run its course in the City and the Commonwealth as a whole. However, since then, we have seen that these businesses do not provide a detriment to the City, and have seen the financial benefit the City receives from this as well.

The City currently has one retail location open with Sanctuary, with a second location – Bloc Cannabis – permitted at the Timpany Crossroads location.

This attached ordinance amendment proposal would increase the number of locations allowed in the City from two (2) to four (4). It is the belief of the Administration that this would allow more economic activity in the City based on inquiries that we have seen, keep the industry within a workable range that we are seeing in market trends with the cannabis industry around the Commonwealth, and done with the full support of our public safety departments.

Re: Retail Marijuana Ordinance

Dear Mayor,

After reviewing the proposed ordinance change from two retail dispensary licenses to four, I do not see any issue with this particular change moving forward. Retail marijuana dispensaries have been operating in the state for the past few years and are closely monitored and regulated by the Cannabis Control Commission. Any retail dispensaries are required to have pre-determined surveillance camera coverage (inside and outside) and purpose-built safes for stored retail product. This is in addition to physical security during operating hours.

The Gardner Police Department has responded to calls at the current recreational retail dispensary, but the vast majority of the calls are general service calls (accidents, lockouts, burglar alarms, etc.). The police department rarely deals with anything else there.

We have conducted "compliance checks" at Sanctuary using underage youths to enter and purchase cannabis products. Sanctuary has never failed a compliance check. In fact, no youth has ever made it past the front door. I have spoken to law enforcement in other host dispensary locations and have not heard of any major issues.

If there are any further questions or concerns, please do not hesitate to contact me.

Very truly yours,

RE: Marijuana Retail Establishments

Dear Mr. Mayor,

I believe the text amendment regarding the number of Marijuana Retail Establishments will only increase opportunities in the City for revenue, and jobs. From a Zoning standpoint I have seen no ill effects from the existing Marijuana Facility. I currently have an application for a Building permit for a second facility which would leave us with no additional licenses. This would in effect tie our hands regarding further growth. I am in full support of this proposal.

Do not hesitate to contact me should you need any further assistance.
