There are no designated mountain bike trails in Ashburnham, however; there are some that don't specifically prohibit mountain bike usethe rail trail and a few of the land trusts. Consider making it a priority to welcome the MB community. Start by promoting the trails we already have on apps such as Trailforks. Mountain bikers use this app to find new places to ride. The trail stewards must allow the trails to be publicly designated as mountain bike trails in order for riders to find them on the app. Currently, Ashburnham shows no MB trails in trailforks. That can/should be fixed. I'd also like to see more trail development for MB use.	5/26/2022 7:55 AM

3	Many are here to live without light pollution. Please don't compromise our view of the night sky.	7/1/2022 6:13 PM
4	Our downtown needs a viable, clean and well stocked grocery/bakery. The second need is a pharmacy. The downtown needs a draw and I suggest a multi use community center with a pool.	7/1/2022 4:47 PM
5	Thank you for the opportunity to participate.	7/1/2022 4:20 PM
6	Ashburnham really has no "community." We're Balkanized around various lakes. It would be nice if the downtown village had more things to do, more spaces for grown-ups to visit	7/1/2022 4:03 PM

14	Open up both sides of Rt 12 bridge to view the canal	6/21/2022 4:06 PM
15	Roads are unsafe for pedestrian, cyclists, automobiles (several flat tires due to pot holes). Sidewalks on busy roads would help protect walkers. Streetlights would also help drivers see people walking on roads during evening hours	6/13/2022 12:01 PM

17	Need to get our tax dollars worth like neighboring towns do. Need a town pool, dining, and recreation. But use land that has vacant buildings instead of land that is undeveloped.	6/6/2022 11:42 AM
18	New playground/s needed desperately. More small businesses	6/6/2022 11:11 AM

21	We love living in Ashburnham, but with a family of three children, we find ourselves leaving town to go and use the playgrounds, bike parks, skate parks and public beaches of other communities because these are resources that Ashburnham has not taken the time to develop.	6/6/2022 9:36 AM
22	We need to maintain our current playgrounds and fix up our roads, attract small business	6/6/2022 7:04 AM
23	Our town has a major need and the residents deserve a beautiful park where children of all	6/6/2022 12:36 AM

ages and adults can enjoy all activities to fit a multitude of interests . So many people leave our town to find better playgrounds and parks. We should have a place so beautiful that other towns people want to visit our town. We should allow for more business to better our finances as a town. We can still maintain the beauty of nature but our families need and deserve need an activities center like this. Adams playground in Peterborough nh is exactly what we need.

24	Survey appears to be Town Center biased. Out edges of the town lack accomodations for children, travel, and safety.	6/5/2022 5:55 PM
25	not repairing roads but spending tax money on the town center is like putting lipstick on a pig	6/2/2022 3:04 PM
26	Better grocery store, more shops, and more dining g options would be a plus	6/1/2022 1:42 PM

31	please pave the rail trail, please connect willard road to town center for pedestrians/cyclists	5/28/2022 10:06 AM
32	Please review the concepts presented by Strong Towns (https://www.strongtowns.org/), we have the opportunity to make Ashburnham a regional leader by engaging in smart planning. We can also really screw things up for a long time with poor planning. We ought incorporate the lessons of others to ensure we're not making a mistake	5/28/2022 9:58 AM
33	Focus on Artist	5/27/2022 11:05 PM
34	Ashburnham has the potential to be further developed into a more vibrant town center with options for dining and shopping. The natural resources such as the lakes, rivers and open lands are very valuable and do determine the character of this beautiful area. I like to see more active development of renewable energy such as solar and wind and Ashburnham to support residential solar development rather than hinder it! I like to see more focus on biking and hiking opportunities. Some commercial development maybe necessary to develop jobs and a better tax base for the town. This is OK and can be managed, I think. Roads are in terrible shape and this aspect needs to be improved! Most important are Ashburnham's natural resources	5/27/2022 10:35 AM
35	Cushing Academy needs to start paying taxes	5/27/2022 8:29 AM
36	Thank you	5/27/2022 8:12 AM
37	Fight against urban sprawl. Understand we want more tax base but we cannot do this thinking of dirt term. Our water supply and quality will be an issue sone day given development and changing climate. We have nearby communities that have housing, keep the natural character of this town. Consider other ways for Cushing to contribute. Very few of these people that use it resources stay or move back to town to contribute to our community. They only take.	5/27/2022 7:53 AM
38	Let's bring back common sense and civility to Ashburnham!	5/27/2022 6:15 AM
39	Ashburnham does not need more houses or businesses to support more people	5/26/2022 10:11 PM

45	add a basketball court to the open space at the playground near the library, make it so that Cushing has to pay taxes to the town- they keep expanding and making more money and they hardly give any back to the town considering how much they keep adding on and improving their school and not having their land/roads available to town members to walk and ride through on bikes, take children on walks, take runs through	5/26/2022 2:51 PM
46	I am a bit conflicted about the sidewalks. While improved walkability would be nice, I'm not sure that it would be possible with the amount of space available on the roads. And if it were,	5/26/2022 1:03 PM

street lamps might cause light pollution. Bike paths/lanes might improve people's ability to get around without a car.

47	Ashburnham should focus on its forested and wild characteristics and enhance walking and biking trails, limit housing and protect water resources which cannot be replaced.	5/26/2022 12:40 PM
48	Community building events.	5/26/2022 11:46 AM
49	Rezoning to accommodate commercial development. Drawing new needed businesses (like grocery stores) in with incentives like initial tax breaks, or (nationwide?) lotteries of repossessed & town owned property.	5/26/2022 11:39 AM
50	more options to gather, more small businesses, bigger central parks, open space	5/26/2022 11:32 AM
51	Having been here four short years my thoughts do not mean much. However based on other similar places I have lived on the coast my one overall observation is that the poor infrastructure conditions, planning and operating do not happen overnight. It is very clear this has gone on for decades.	5/26/2022 10:08 AM
52	This survey is much too long. I fear it will deter many from completing it.	5/26/2022 9:56 AM
53	The roads in Ashburnham are horrendous. It feels like only the roads near the center are good. Outlying areas need to get more attention.	5/26/2022 9:53 AM
54	Building out the density of the town center by providing multi-use buildings that allow both new commercial development (to reduce residential tax base) and provide affordable housing should be priority.	5/26/2022 9:43 AM
55	Our town manager needs to be more directly receptive to the residents he serves. We are his employer, after all.	5/26/2022 9:42 AM
56	Fix the roads and public access to the lakes	5/26/2022 9:31 AM
57	Sidewalks outside of downtown. Distracted drivers make most roads unsafe for walkers/cyclists. The roads are unsafe for vehicles due to their poor conditions.	5/26/2022 9:02 AM
58	Inviting like Westminster. A grocery store that isn't gross . Sidewalks all through downtown . A playground and park for teens downtown .	5/26/2022 8:02 AM
59	Good to do this plan update. Hold to it!	5/26/2022 7:46 AM
60	The answers to these survey questions only tell part of the story. We need an integrated plan that the encourages responsible steady growth with a comprehensive mix of services provided.	5/9/2022 12:28 PM
