

Mount Wachusett Community College Confers 450 Degrees and 229 Certificates to 620 Students at 59th Commencement Ceremony

GARDNER, MA – May 15, 2024 – Mount Wachusett Community College celebrated the academic achievements of its graduates during the college’s 59th Commencement on May 15, 2024. A total of 620 students graduated, with 441 associate degrees and 234 certificates being conferred.

MWCC President James Vander Hooven welcomed graduates and guests, “Welcome to this celebration of our students. You have all accomplished so much and overcome so much to be here! Hundreds of hours of class time and homework balanced with the daily challenges of life – parenting, caring for loved ones, dealing with personal illness and recovery, part time or full-time work, and through it all you have persevered. And for that we applaud you.”

Also joining President Vander Hooven was Lieutenant Governor Kim Driscoll, who shared words of welcome with students: "Let me start by offering my sincerest and most heartfelt congratulations to Mt. Wachusett Community College Class of 2024! It’s an honor to be here today to celebrate this milestone with all of you. Each of you have different dreams and different goals, you’ve all had different ways of getting here, but all of you have done the work and today, all of you get to say you’re one step closer to pursuing the dreams you’ve imagined for yourself. And let me be the next person to tell you – because I’m sure I’m not the first – we are so proud of you."

The student speaker was Winchendon resident Katlin Bosworth, a mother of three and first-generation college student who received both a Human Services associate degree and a Liberal Arts and Sciences associate degree.

“MWCC will always be my safe place, the place where I am supported and encouraged, the place where I became an adult, the place that has helped me raise three children, the place that taught me success was within me, the place that supported me through the loss of my mother, the place that believed I was worth fighting addiction and the place that has given me acceptance and grace. The place that has picked me up time and time again through my own failures and struggles,” Bosworth told her fellow graduates. “Embrace your curiosity, curiosity fuels growth and new opportunities. Be resilient, challenges will

come your way, but setbacks are stepping-stones to success and dream big, because nothing is impossible.”

The ceremony also included the presentation of a certificate of graduation from the CAPS Link Program to Abigail Billings. The CAPS Collaborative’s Transition Link program has offered the opportunity for young adults to gain vocational, daily living, and social skills in a community-based setting on the MWCC Campus.

“Abigail has been an amazing contributor in our MWCC community,” Vander Hooven stated. “In her time at MWCC, Abigail has not only found her voice, but has developed the skills to use it in support of her future endeavors. She has built lasting relationships that will support her as she graduates and moves on to her next chapter.”
