Volunteer Opportunities

Providing Transformative Services to Families.

North Star Family Services is a community based, grass roots organization that has had a sound foundation of volunteerism since its inception in 2002.

There are many ways that you can significantly make a difference in the lives of the homeless families in our community.

Are you willing
to donate
some of
your time?

You have the
power to change
a life.

**North Star volunteers strengthen our organization
and help change our families' lives.**

**On an on-going basis, volunteers are needed
for projects and initiatives such as:**

- Organizing a work, church, civic, family or friend group to serve meals to the shelter on a rotating, quarterly basis.
- Volunteering with a friend on Tuesday nights to supervise structured activities with shelter children while the adults are in case management trainings.

Other ways to help:

- Painting projects
- Vegetable garden
- Fundraising Committee
- Enriching and engaging activities for our children

Ways to Help

Providing Transformative Services to Families.

North Star is a "Community" Shelter.

We need the entire
community to enable
us to help homeless
families.

This includes:

Corporate support
Private donor support
Fundraisers
Grants
Foundations
Trusts
Bequests

We Need Your Support.

North Star is not a Commonwealth, State run shelter
but rather is a private, Community Based shelter.

North Star is funded through small grants,
foundations, fundraisers, local business, private
donors, and the general community.

Our shelter operates on an efficient model of three
full-time staff members and all agency funds are
carefully and thoughtfully managed.

The shelter recently went green and secured a
donation of 44 solar panels so our electric power
is now provided by the sun.

Below is a partial list of our community donors:

- CDBG Fitchburg
- CDBG Leominster
- Rollstone Bank and Trust
- Digital Federal Credit Union
- DCU for Kids
- United Way of North Central Mass.
- Community Foundation of North Central Mass.
- Greater Worcester Community Foundation
- Nypro Foundation
- George Wallace Foundation
- Douglas and Isabelle Crocker Foundation
- Crane Foundation
- Avidia Charitable Foundation
- Bemis Associates, Inc
- Workers Credit Union
- Greater Lowell Community Foundation
- Nashoba Valley Healthcare Fund

Supportive Permanent Housing

Providing Transformative Services to Families.

Every Family
Deserves a
Safe &
Healthy Home

North Star is in the early planning stages to build a permanent, supportive living community for families in Leominster. We have secured a property with several acres where we are currently conducting due diligence measures prior to applying to the Commonwealth for grant assistance.

•

This program will provide truly affordable, subsidized housing for families. Additionally, wrap-around supportive services are planned to further strengthen and support our families.

•

A capital campaign and the generosity of many donors will be needed to make this community resource a reality.
