#### JOINT PUBLIC HEARING OF JULY 7, 2025

Monday evening, July 7, 2025. The Joint Public Hearing of the City Council and Planning Board, held in the City Council Chamber, was called to order by Council President George Tyros at 7:00 o'clock p.m. for the purposed amendment involves changing the zoning of:

11591 - An Ordinance to Amend the Gardner Zoning Map by changing the zoning district designation for the following existing parcel, lying on the easterly side of MA-101, in eastern Gardner, from the Commercial 2 Zoning District to the Industrial 1 Zoning District with Summit Solar Overlay.

City Clerk Titi Siriphan called the Roll. Present were:

#### Members of the City Council (8)

George C. Tyros, President Calvin D. Brooks Aleksander Dernalowicz Karen G. Hardern Brad E. Heglin Elizabeth J. Kazinskas Judy A. Mack Paul G. Tassone

#### Members of the Planning Board (3)

Paul A. Cormier Stephen E. Cormier Eric A. Flint

Councillors Craig Cormier, Dana M. Heath and David Thibault-Muñoz were absent.

Planning Board member Robert J. Swartz was absent.

Information regarding this amendment is available for viewing in the City Clerk's Office, the Department of Community Development and Planning (DCDP), or on the City's webpage – www.gardner-ma.gov. All persons interested in this matter and desire to offer testimony are invited to attend the hearing.

#11591 - An Ordinance to Amend the Gardner Zoning Map by changing the zoning district designation for the following existing parcel, lying on the easterly side of MA-101, in eastern Gardner, from the Commercial 2 Zoning District to the Industrial 1 Zoning District with Summit Solar Overlay.

Attorney Christine Tree who is representing her client, trustee Bruce Blessington, informed the public of the zoning amendment that will change the current zoning from COM 1 to IND 1 with the summit solar overlay:

#### IN CITY COUNCIL

#### JOINT PUBLIC HEARING OF JULY 7, 2025

- It's a vacant parcel approximately 6.13 acres that is currently owned by the CB Realty Trust, through the trustee Bruce Blessington who also owns Blessington Corp in the Summit Industrial Park.
- What our petition seeks to do is to move the boundary line um for thezoning district.
- The petitioner's current parcel, at 77 sublane is zoned IND1 with the summit solar overlay and they want them to move that boundary over to the adjacent parcel which they have purchased. Their purpose in doing so is to expand their current business, beyond its capacity.
- It is currently occupying approximately 15,000 square ft in the industrial park. It was built and initiated in approximately 2002 near the beginning of the industrial park and then they did an expansion to a second building in 2008. They have approximately 20 employees and are generally engaged in high-end woodworking on commercial and industrial applications.
- The business is a benefit to the City of Gardner. Its activities do not produce a substantial amount of waste and it's appropriately cited where it is.
- The expansion would be the most economically viable and convenient to them as it is the adjacent parcel.
- Her client's purpose in submitting this petition is for the expansion of his business.
- The reszoning of this parcel to industrial one is for the general welfare of the city by
  increasing the economic opportunity and development available to the city and
  increasing the amount of industrial land in a way that makes the best possible use of
  the City's existing facilities.
- There is no real impact that would be felt by the abutters. It will be a benefit to the city with increased taxes, increased developments, increased opportunity fo employment and other economic activity.

President Tyros opened the Public Hearing and announced thrice if anyone would like to speak in favor. No one spoke.

President Tyros announced thrice if anyone would like to speak in opposition of the amendment. No one spoke.

The public hearing closed at 7:15 p.m.

Councillor Brad Heglin gave a brief update on the Waterford Community Center:

• It's been about 3 weeks since President Tyros appointed Councillor Brad Heglin to the Waterford Community Center liaison.

#### IN CITY COUNCIL

#### **REGULAR MEETING OF JULY 7, 2025**

- In that time, he met Julie Meehan from the CAC, Mike Ellis from the Senior
- Center, Alan Agnelli from the historical commission, Director Cormier from purchasing and the Mayor. He is still working on scheduling a meeting with Andy Eagle of Growing Places, as well as the CAC board of directors and the chair of the Council on Aging.
- The purpose of the meetings was to get up to speed and to set a baseline.
- Work in the various spaces is coming along nicely. As some of you may know, Growing
  Places has been operating there for some time now and nearly all of their buildings are
  complete.
- The CAC space similarly has made considerable progress with one exception.
- The major work is done and they're really waiting on other building wide things to be completed.
- Alan Agnelli continued to work cleaning and organizing the space set aside for the city archive project. He's worked on designs for storage and use that are still in development and he expects to have more to report later.
- The additional capital improvements that were initiated earlier this year are
- moving through their process. Progress is continuing to be made and expect more
  adjustments to the plan will continue to be made as well and as people sort of get into the
  space and find out their needs.
- One thing I that's worth mentioning that came up in all of his meetings and agree with is that improved communication is needed.

On a motion made by Councillor Brad Heglin and seconded by Councillor Aleksander Dernalowicz, it was voted to place on file, *Council Liaison - Waterford Community Center Update*.

9 yeas, motion passes.

#### #11614

On a motion made by Councillor Brad Heglin and seconded by Councillor Aleksander Dernalowicz, it was voted on call of the roll, eight (8) yeas, President George Tyros and Councillors Craig Cormier, Aleksander Dernalowicz, Karen Hardern, Brad Heglin, Elizabeth Kazinskas, Judy Mack, and Paul Tassone; one (1) recuse, Councillor Calvin Brooks; to adopt, *A Measure Declaring the Land and Buildings Located at 130 Elm Street as Surplus for the Purpose of Disposition with an established minimum sale price of \$300,000.00.* 

## DECLARING SURPLUS FOR PURPOSE OF DISPOSAL OF LAND AND BUILDINGS AT 130 ELM STREET

#### #11523

On a motion made by Councillor Judy Mack and seconded by Councillor Aleksander Dernalowicz, it was voted to adopt, *An Order Authorizing the Spending Limit of the Council on Aging Recreational Activities Revolving Account to \$60,000.00 or Available Balance, whichever is lower, pursuant to Section 53E 1/2 of Chapter 44 of the General Laws of the Commonwealth.* 

# AUTHORIZING FY2025 REVOLVING FUNDS M.G.L. CH.44, S.53E½

*ORDER:* To authorize and direct the City Treasurer to establish the following revolving funds for the fiscal year beginning July I, 2024 to June 30, 2025 in accordance with M.G.L. Chapter 44, section  $53E\frac{1}{2}$ :

Revolving	Authorized	Revenue	Purpose of	Spending Limit
Fund	to Expend	Source	Fund	
Council on			Salaries and	
Aging	Senior	Recreation	expenses	Available balance or \$60,000,
Recreational	Director	Fees	relating to	whichever is less
Activities			recreational	
			activities at	
			Senior Center	

As per M.G.L., interest earned on this fund shall be treated as general fund revenue.

The person or persons authorized to expend from each fund shall report annually to the Mayor and City Council the total amount of receipts and expenditures for the prior fiscal year and for the current fiscal year through December 3151, along with any other information that City Council may by vote require.

In the event any fund is not reauthorized for the following fiscal year or the city changes the purpose of the revolving fund, the balance in the fund shall revert to surplus revenue, unless City Council and the Mayor vote to transfer the funds to another revolving fund established in accordance with M.G.L. Chapter 44, section  $53E^{1/2}$ .

Councillor Elizabeth expressed some concerns, would like more clarification and had a few questions about the order. She also stated she is in support but would like additional information.

On a motion made by Councillor Judy Mack and seconded by Councillor Brad Heglin, it was requested for more time, *A Measure Creating a revolving account for LifeLine Service Activities, under the provisions of Chapter 44, Sec 53 E ½ of the General Laws of the Commonwealth, to be managed and overseen by the Gardner Senior Center, for which the balance shall not exceed \$20,000.00.* 

There were no objections, more time was granted.

## REPORTS OF STANDING COMMITTEE ECONOMIC AND COMMUNITY DEVELOPMENT COMMITTEE

#### #11609

Councillor Elizabeth Kazinskas updated the City Council of the June Economic and Community Development. She informed the Council of the following:

- The committee has met with Director Jason Stevens and provided his monthly update.
- Rear Main Street Project overview. There has been significant progress made in preparation for the end of the fiscal year. The city successfully secured a full fiscal year extension. This will be until June 30th, 2026, for the Mass Works grant. It is expected to be completed by December of 2025 this year, but we do have that extra time.
- Construction timeline has the key drainage and site prep work is ongoing through early July.
  There's work on removing underground obstructions, so tunnels and old concrete. It began at
  the end of June and continues through this week and the beginning of July. Then warmer
  weather items like landscaping and concrete will be scheduled for the spring of 2026 if only
  necessary.
- Greenwood Pool, there was a bid issue. There was a bid protest that was delayed. That delayed the project to a misdelivered bid. The lower bidder was eventually confirmed as the winner and after an appeal process resolved in late May. There was a mail carrier that brought the bid to the wrong mailbox, and it was confirmed that it was in there and they couldn't consider it. This was brought to the attorney general's office, went through their process, and it was confirmed that it was fair to consider that bid.
- The demolition of the old structure which is the current structure is now planned for late September to early October.
- They will ensure that demolition does not interfere with the pool season and pool
- usage.
- In terms of signage kind of around the area for renderings of what it will look like. Project signs have to follow state requirements for CDBG funded projects but they will make an effort to add visual renderings for public information.

#### IN CITY COUNCIL

#### **REGULAR MEETING OF JULY 7, 2025**

- The North Central Pathway Project is near completion. Final ceiling and transitions, which is sidewalks, pathway lips, will be finished mid-July.
- The pathway is already in use and appreciated by the public. The city continues to extend the pathway with the with future mass trails grants and connect it over 140 into Winchendon.
- The Rome building site, is no longer the Rome building. The demolition is clearly complete. The grass has taken root and the fencing is mostly down around it. The Gardener Redevelopment Authority owns that property and it will be sold to a developer. The final approval from the state is pending to close out this project for CDBG.
- Director Stevens, regarding staffing, hired an Assistant Director. The Economic Development and Finance Manager position has also been filled, and the new hire will start in August.
- Overall, the city has made visible progress on multiple projects. They're staying on track with
  funding deadlines and keeping a strong collaboration. Director Steven said between city staff
  with multiple departments, with state agencies, contractors, any of the federal funds he's had
  to deal with, he said he's had a very positive experience.

On a motion made by Councillor Elizabeth Kazinskas and seconded by Councillor Aleksander Dernalowicz, it was voted to place this update on file and be in the meeting minutes.

**Project:** National Grid City Council Petition – Derby Drive and West Lynde Street

National Grid has submitted a petition for the installation of underground concrete encased electrical conduits and a handhole in the layout of West Lynde Street and Derby Drive. A new handhole will be installed at the sidewalk/loading area on the south side of West Lynde Street. Concrete encased electrical conduit will be installed in West Lynde and Derby Drive as shown in the petition plan to re-feed existing electrical gear and new electrical gear associated with the city Rear Main construction project.

Based on my review of the petition application and the plan provided therein, I have the following comments:

- The installation of the new conduits will require trenching in existing concrete sidewalks, paved roads, and concrete/brick paver walks. All disturbed areas shall be repaired to match (or exceed) existing surfaces. All work and materials shall meet or exceed city specifications.
- 2. Concrete sidewalks shall not be cut for trenching. Full panels shall be removed and replaced. Additional sidewalk replacement may be required, at the discretion of the DPW Director or City Engineer, at the time of construction based on final routing of proposed conduits.
- 3. Existing granite curbing shall be removed and reset where crossed by new conduit or otherwise disturbed by construction. Damaged granite pieces shall be replaced.
- 4. Upon completion of the project, Contractor shall provide record drawings of the construction to the Engineering Department.

**Project:** National Grid City Council Petition – West Lynde, Main and Pleasant Streets

National Grid has submitted a petition for the installation of underground concrete encased electrical conduits, pad mounted transformer, and a handhole within the layouts of West Lynde, Main and Pleasant Streets. A new handhole will be installed in the sidewalk adjacent to 2-10 Parker Street. A new transformer will be installed on city owned property and West Lynde Street. Concrete encased electrical conduit will be installed in West Lynde, Main, and Pleasant Streets as shown in the petition plan to provide new electrical service from the new transformer in West Lynde Street to the building at 2-10 Parker Street.

Based on my review of the petition application and the plan provided therein, I have the following comments:

- 1. The installation of the new transformer will require the construction of a small length of new sidewalk in the loading area adjacent to the parking lot at 13-17 West Lynde Street. The final layout of this sidewalk will be reviewed by the DPW Director and City Engineer prior to installation. The layout shall maintain minimum required accessibility width or match existing width, whichever is greater.
- 2. The location of the transformer and bollards shall not interfere with the driveway at the rear of the building at 4 Main Street.
- 3. The installation of the new conduits will require trenching in existing concrete sidewalks and paved roads. All disturbed areas shall be repaired to match (or exceed) existing surfaces. All work and materials shall meet or exceed city specifications.
- 4. Concrete sidewalks shall not be cut for trenching. Full panels shall be removed and replaced. Additional sidewalk replacement may be required, at the discretion of the DPW Director or City Engineer, at the time of construction based on final routing of proposed conduits.
- 5. Existing granite curbing shall be removed and reset where crossed by new conduit or otherwise disturbed by construction. Damaged granite pieces shall be replaced.
- 6. Upon completion of the project, Contractor shall provide record drawings of the construction to the Engineering Department.

RE: Zoning Determination for 407 CHESTNUT ST, GARDNER MA 01440 (PARCEL ID #R22||18||6|||)

Attention festus osagie,

In response to your submitted request referenced below, the above referenced property is located in the Commercial 2 (Com2) zoning district.

This office has reviewed the proposed use for the above-referenced property in accordance with City Code Chapter 675, Zoning Ordinance, and the Massachusetts Zoning Act (M.G.L. c. 40A).

### **Zoning Determination**

The property is located within the **Commercial 2 (COM2)** zoning district.
Under **Table of Uses, #45**, "Sales room for motor vehicles, trailers, boats, farm implements or machinery, with repair services and storage" is **permitted by right** within this district.

## **Conditions & Additional Requirements**

The applicant must clearly identify which **Dealer Class (I, II, or III)** is being sought and obtain a valid **Motor Vehicle Dealer License** from the **City of Gardner** and the **Massachusetts Registry of Motor Vehicles** prior to operation.

Any proposed **repair or service activities** must occur within an enclosed structure and comply with **Building**, **Fire**, **and Board of Health** requirements.

Site improvements such as signage, paving, lighting, and drainage may require separate review and/or permits.

#### Referral

Re: Item 11704 - Planning Board Referral & Recommendation

To all parties,

Following the joint public meeting held on Monday, November 3, 2025, between the City Council and the Planning Board to review Item 11704, - *An Ordinance to Amend Chapter 675 of the Code of the City of Gardner, Thereof Entitled "Zoning" to promote housing growth and production in the City of Gardner*, the Planning Board hereby issues its formal recommendation.

The Planning Board recommends the following inclusion for the proposed *Section 675-820: Accessory Dwelling Units (ADUs)* to be compliant with the below section of MGL Chapter 40A Section 1A:

"Accessory dwelling unit", a self-contained housing unit, inclusive of sleeping, cooking and sanitary facilities on the same lot as a principal dwelling, subject to otherwise applicable dimensional and parking requirements, that:

(ii) is not larger in floor area than 1/2 the floor area of the principal dwelling or 900 square feet, whichever is smaller;

The board respectfully submits this recommendation with intent to change the proposed *Section* 675-820(D)1 to the following:

1. **Maximum Size:** An ADU shall not exceed ½ the gross floor area of the principal dwelling or 1,250 square feet of gross floor area, whichever is smaller.

The Planning Board respectfully submits this recommendation to the City Council for its final consideration and action.

# AN ORDINANCE TO AMEND CHAPTER 675 OF THE CODE OF THE CITY OF GARDNER, THEREOF ENTITLED "ZONING" TO PROMOTE HOUSING GROWTH AND PRODUCTION IN THE CITY

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GARDNER AS FOLLOWS:

#### Preamble

WHEREAS, the Commonwealth of Massachusetts is experiencing a statewide housing crisis, marked by limited housing supply, rising costs, and barriers to affordability; and

WHEREAS, the City of Gardner is likewise facing these challenges, with growing demand for housing that has placed strain on residents, families, and local businesses; and

WHEREAS, insufficient housing availability threatens the economic stability and quality of life of the community by limiting opportunities for individuals and families to live and thrive in Gardner; and

WHEREAS, Mayor Michael Nicholson, in his State of the City Address on January 14, 2025, emphasized the urgent need for Gardner to take action to increase housing production and to make the development of housing easier and more efficient; and

WHEREAS, it is the policy of the City of Gardner to promote sustainable growth, remove unnecessary barriers to housing development, and expand housing opportunities for residents of all income levels; and

WHEREAS, zoning reform is an essential step in addressing supply and demand imbalances and ensuring that Gardner remains a welcoming and affordable community for all;

NOW, THEREFORE, the City Council of the City of Gardner hereby proposes the following amendments to the Code of the City of Gardner to advance these goals.

#### **SECTION 1:** Short Title

That the short title of this ordinance be known as the "H.O.M.E. Act" for the Housing Opportunity & Modernization for Everyone Act, in acknowledgment of the goal to cut back unnecessary red tape in the production of housing in Gardner, creating and expanding new opportunities for residential development, cost stabilization in apartment rents and costs, and increased opportunity for home ownership and equity growth.

**SECTION 2:** That a new Section 850 be added to Chapter 675 of the Code of the City of Gardner, to be entitled "Small Homes (Tiny Homes & Efficiency Homes)" to be written as follows:

#### **SECTION 675-850: SMALL HOMES (Tiny Homes and Efficiency Homes)**

#### Preamble:

The City of Gardner is facing an urgent housing shortage, with rising costs that place significant burdens on working families, seniors, and young residents. Current zoning rules make it difficult to build smaller, more affordable housing types, resulting in limited supply and rising rents.

This proposed amendment creates a new Small Homes (\$675-850) provision to allow Tiny Homes and Efficiency Homes as flexible, affordable, and sustainable housing options. By permitting up to 10 units per acre by right in select residential and overlay districts, Gardner can create attractive new neighborhoods on underutilized land while reducing pressure on existing single-family districts. Projects exceeding 10 units per acre, or those in commercial districts, will require review by the Planning Board to ensure safety, livability, and community character.

#### Key benefits include:

- Affordability and Home Equity Access: Smaller, lower-cost homes make it easier for residents to enter the housing market, build savings, and gain access to home equity.
- **Smart Growth:** High-density development supports efficient land use and walkable, sustainable neighborhoods.
- **Revitalization:** Encourages redevelopment of vacant or underutilized commercial and industrial parcels.
- **Flexibility:** Cluster Site Plan provisions allow the Planning Board to balance density with open space, walkability, and good design.
- **Community Character:** Standards for design, setbacks, and shared open space ensure these developments fit within Gardner's neighborhoods.

Adoption of this ordinance will help Gardner lead in addressing the housing crisis by cutting regulatory barriers, encouraging innovation, and ensuring that all residents have access to safe, affordable housing and opportunities to build wealth through homeownership.

#### A) Purpose and Intent

The purpose of this section is to expand Gardner's housing options by permitting Small Homes (including Tiny Homes and Efficiency Homes) at higher densities than traditional

housing. These housing types provide affordable, sustainable, and flexible living arrangements that help address the City's housing shortage, promote smart growth, and encourage reinvestment in underutilized properties, while preserving public health and safety.

#### **B)** Definitions

- 1. Small Home: A permanent dwelling unit with a maximum gross floor area of 600 square feet, designed for full-time residence, and containing complete independent living facilities for one or more persons, including provisions for living, sleeping, eating, cooking, and sanitation. Units may be constructed on a foundation or on a licensed chassis, provided they meet the Massachusetts State Building Code and Appendix Q of the International Residential Code. Small Homes may also be used for short-term rentals, subject to local regulations.
- 2. **Small Home Community**: A planned development consisting of three (3) or more Small Homes located on a single parcel, with shared infrastructure, open space, and parking.

#### C) Applicability

#### (1) By Right

Small Homes and Small Home Communities of up to 10 units per acre shall be permitted by right in the following districts:

- Single Family Residential
- Rural Residential
- General Residential 3
- Mill Street Corridor Development Overlay District

Small Homes may also be established as an Accessory Dwelling Unit (ADU) on the same lot as a principal dwelling in all residential districts.

#### (2) By Special Permit from the Planning Board

- Small Home Communities of more than 10 units per acre in any district.
- Small Home Communities in the Commercial 1 District, regardless of density.
- Redevelopment of vacant, underutilized, or nonconforming commercial or industrial properties into Small Home developments.

#### D) Dimensional and Design Standards

#### (1) Density and Lot Area

- Minimum lot area per dwelling unit: 400 square feet.
- Maximum density by right: 10 units per acre.
- Projects exceeding 10 units per acre require a special permit from the Planning Board.

#### (2) Setbacks and Separation

- Individual units within Small Home Communities must maintain a minimum 6-foot separation between structures.
- Perimeter setbacks of 10 feet must be maintained from all property lines.

#### (3) Height

No Small Home shall exceed 1.5 stories or 20 feet in height.

#### (4) Parking

- One (1) off-street parking space per three (3) dwelling units.
- Parking may be provided in shared lots or on-street as approved by the Planning Board.

#### (5) Utilities

- All units shall connect to municipal water and sewer where available.
- Shared utility connections and clustered infrastructure are permitted.

#### (6) Design

- Units shall be designed with residential materials such as wood, clapboard, shingles, siding, or masonry.
- Roof pitch, windows, and entrances shall be oriented toward streets or common areas to promote neighborhood character.
- Shared open space equivalent to 10% of the lot area shall be provided.

#### E) Cluster Site Plan Flexibility

To encourage innovative, high-quality design for Small Home Communities, the Planning Board may grant waivers or modifications to dimensional, frontage, road width, parking, or

other site plan requirements for both by-right and special permit projects, provided that all of the following conditions are met:

- 1. The development meets applicable density standards:
  - Up to 10 units per acre for by-right projects;
  - Over 10 units per acre for special permit projects.
- 2. Adequate pedestrian access, circulation, and emergency access is provided.
- 3. At least 10% of the site is preserved as common open space accessible to residents.
- 4. Shared infrastructure (parking areas, walkways, utilities, and community facilities) is provided and maintained by a homeowners' association, cooperative, or similar legal entity.
- 5. The project demonstrates consistency with the City's housing, sustainability, and smart growth goals.

**Note:** Waivers shall not reduce open space below 10%, nor compromise public health, safety, or accessibility standards.

#### F) Administration

- All Small Homes and Small Home Communities shall comply with the Massachusetts State Building Code, including Appendix Q, and all applicable local and state health and safety regulations.
- 2. Small Homes may be used for long-term or short-term residential occupancy, provided compliance with local permitting and regulations.

#### G) Severability

If any provision of this Section is held invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining provisions.

**SECTION 3:** That Section 820 of Chapter 675 of the Code of the City of Gardner, thereof entitled "In-Law Apartments," be deleted in its entirety and replaced with a new section 820 to be entitled "Accessory Dwelling," to be written as follows:

#### **SECTION 675-820: ACCESSORY DWELLING UNITS (ADUs)**

#### A. Purpose

The purpose of this ordinance is to comply with the Massachusetts Affordable Homes Act

and to facilitate the development of Accessory Dwelling Units (ADUs) to address housing affordability, support multigenerational living, and provide flexible housing options within the City of Gardner.

#### **B. Definitions**

For the purposes of this ordinance:

- Accessory Dwelling Unit (ADU): A self-contained residential unit, inclusive of sleeping, cooking, and sanitary facilities, located on the same lot as a principal single-family dwelling. ADUs may be attached or detached from the primary dwelling.
- 2. **Attached ADU:** An ADU that shares a wall or is structurally connected to the principal dwelling.
- 3. **Detached ADU:** An ADU that is physically separate from the principal dwelling, such as a converted garage or a newly constructed standalone unit.

#### C. Permitted Locations

ADUs are permitted **by-right** in all residential zoning districts within the City of Gardner, including:

- Single-Family Residential 1 (SFR-1)
- Rural Residential 2 (RR-2)
- General Residential 3 (GR-3)

#### D. Dimensional and Design Standards

- 1. Maximum Size: An ADU shall not exceed 1250 square feet of gross floor area.
- 2. **Lot Coverage:** The ADU shall comply with the lot coverage limits of the underlying zoning district.
- 3. **Setbacks:** Detached ADUs shall adhere to the minimum front, side, and rear yard setbacks of the underlying zoning district.
- 4. **Height:** Detached ADUs shall not exceed the height limitations of the underlying zoning district.

#### 5. Parking:

a. No additional parking spaces are required for ADUs located within  $\frac{1}{2}$  mile of a public transit stop.

b. For ADUs located farther than ½ mile from a public transit stop, one additional off-street parking space shall be provided.

#### E. Occupancy and Use

- 1. Only **one ADU** is permitted per lot.
- 2. The owner of the principal dwelling must reside on the property as their primary residence.
- 3. ADUs may be rented or occupied by family members but may not be sold separately from the principal dwelling.

#### F. Building and Safety Requirements

All ADUs must comply with the Massachusetts State Building Code, the Massachusetts State Sanitary Code, and all other applicable health, fire, and safety regulations.

#### **G.** Administration

 No special permit, variance, or additional approval from the Planning Board or Zoning Board of Appeals shall be required for the construction or conversion of an ADU that complies with this ordinance.

#### H. Severability

If any section or provision of this ordinance is found invalid by a court of competent jurisdiction, the remaining sections shall remain in full force and effect.

**SECTION 4:** That a new Section 675-860 to be entitled "Expedited Permitting of Housing Developments," be added as follows:

#### \$675-860 EXPEDITED PERMITTING OF HOUSING DEVELOPMENTS

#### A. Purpose

The purpose of this section is to streamline and expedite the permitting process for residential development within the City of Gardner in order to promote the creation of housing, increase housing affordability, and comply with state housing goals.

#### B. Applicability

This section applies to:

- 1. All applications for permits, approvals, or reviews related to the construction, expansion, or alteration of residential developments, including:
  - Single-family homes
  - Multi-family homes

- Accessory dwelling units (ADUs)
- Small Homes, as defined by the City
- 2. All applications submitted to the City for new residential units or residential projects subject to local zoning, building, and other regulatory approvals.

#### C. Expedited Review Requirement

- 1. The City shall review, process, and render a final decision on all applications covered under this section within 90 calendar days of receipt of a complete application.
- 2. A "complete application" is one that meets all submission requirements specified by applicable City ordinances, bylaws, and regulations.
- 3. In cases where additional information is required from the applicant, the 90-day period shall be tolled from the date the City requests additional materials until such materials are submitted.

#### **D. Veterans Preference Housing**

- Definition: "Veterans Preference Housing" means housing units designated for occupancy by U.S. military veterans in accordance with applicable state and federal law.
- 2. If a housing development includes Veterans Preference Housing for a minimum of 5% of the proposed units, the timelines for City review under this section shall be reduced by 10 calendar days.

#### E. Notice of Approval or Denial

- 1. The City shall provide written notice of approval, conditional approval, or denial to the applicant within the 90-day review period.
- Any denial must include specific reasons based on applicable ordinances, regulations, or design standards, and the applicant's right to appeal must be clearly stated.

#### F. Appeal

 Applicants may appeal any denial or condition of approval in accordance with the City's established appeal procedures under the Zoning Ordinance or applicable Massachusetts General Laws. 2. All appeals filed with the Zoning Board of Appeals under this section must be concluded within 90 calendar days of the appellant's filing with the Board.

#### G. Effect of Non-Action

If the City fails to issue a decision within the 90-day period (excluding any period tolled for additional applicant submissions), the application shall be deemed approved, unless an extension has been mutually agreed upon in writing.

#### H. Implementation

City departments, boards, and commissions with jurisdiction over residential permitting are directed to adopt procedures necessary to comply with the time frames established in this section, including coordination to prevent duplicative or unnecessary reviews.

#### I. Severability

If any provision of this section or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect the provisions or application of this section which can be given effect without the invalid provision or application, and to this end, the provisions of this section are declared to be severable.

**SECTION 5:** That a new Section 570 of Chapter 675 of the Code of the City of Gardner be added to be entitled "Starter Home Overlay District," to be written as follows:

#### **§675-570 Starter Home Overlay District**

#### A. Purpose

This ordinance establishes Starter Home Zoning Districts within the City of Gardner, in accordance with Chapter 40Y of the General Laws of Massachusetts. The purpose is to facilitate the development of affordable, sustainable, and family-friendly housing options to address the housing needs of moderate-income households.

#### **B.** Definitions

For the purposes of this ordinance, the following definitions shall apply:

- 1. **Starter Home**: A single-family dwelling unit not exceeding 1,850 square feet of heated living area.
- 2. **Starter Home Zoning District**: A zoning district established under this ordinance, either as a base or overlay district, that complies with the requirements of Chapter 40Y.
- 3. **Developable Land Area**: Land within the Starter Home Zoning District that is suitable for residential development, excluding areas such as wetlands, steep slopes, and existing open space.

4. **Affordable Housing**: Housing units affordable to households earning less than 110% of the area median income, as determined by the United States Department of Housing and Urban Development.

#### C. Establishment of Starter Home Zoning Districts

- 1. **Preliminary Determination**: Prior to adoption, the City shall request a preliminary determination from the Massachusetts Department of Housing and Community Development (DHCD) to confirm compliance with Chapter 40Y.
- 2. **Adoption Process**: The ordinance establishing the district shall be adopted in accordance with the provisions of Chapter 40A, with a simple majority vote of the City Council.
- 3. **Final Approval**: After adoption, the City shall seek final approval from DHCD to ensure compliance with Chapter 40Y.

#### D. Development Standards

- 1. **Density**: A minimum of 4 starter homes per acre of developable land area.
- 2. **Unit Size**: Each starter home shall not exceed 1,850 square feet of heated living area.
- 3. **Bedroom Count**: At least 50% of the starter homes shall contain no fewer than 3 bedrooms.
- 4. **Affordable Housing Requirement**: For developments of more than 12 starter homes, at least 10% shall be affordable to households earning less than 110% of the area median income.
- 5. **Accessory Dwelling Units**: Accessory dwelling units of no more than 600 square feet may be permitted, subject to compliance with applicable regulations.
- 6. **Open Space**: Developments shall incorporate sustainable development standards, including the preservation of open space and low-impact stormwater management practices.

#### E. Site Plan Review

- 1. **Timeframe**: The Planning Board shall render a decision within 90 days of receiving a complete application, unless an extension is mutually agreed upon.
- 2. **Consultant Fees**: Applicants may be required to pay for reasonable consulting fees for peer review of the application.

3. **Approval Criteria**: The Planning Board may approve the site plan subject to conditions necessary to ensure compliance with this ordinance and to mitigate any adverse impacts on surrounding properties.

#### F. Reporting and Compliance

- 1. **Development Status**: The number of starter homes constructed within the district.
- 2. Amendments: Any amendments to the ordinance or by-law affecting the district.
- 3. **Compliance**: Confirmation that developments comply with the affordability requirements.

#### G. Revocation of Approval

- 1. **Non-Compliance**: DHCD may revoke its approval of a Starter Home Zoning District if the City has not complied with the requirements of Chapter 40Y.
- 2. **Infeasibility**: DHCD may revoke approval if the zoning applicable to the district no longer complies with Chapter 40Y.

#### H. Severability

If any provision of this ordinance is found to be invalid or unenforceable, the remainder of the ordinance shall remain in full force and effect.

**SECTION 6:** That a new Section 580 be added to Chapter 675 of the Code of the City of Gardner to be entitled, "Housing Priority Overlay District," to be written as follows:

#### §675-590 HOUSING PRIORITY OVERLAY DISTRICT

#### A. Purpose

The purpose of this ordinance is to encourage the development of housing in areas well-served by transit and municipal services, increase housing diversity, and promote compact, sustainable development patterns. This ordinance is intended to facilitate multifamily residential development in suitable locations while maintaining consistency with existing planning objectives and community character.

#### **B.** Definitions

- Multifamily Residential Use: A residential development containing two or more dwelling units on a single parcel of land.
- 2. **Housing Priority Overlay District (HPOD)**: A district established under this ordinance that overlays existing zoning districts and provides additional development standards and allowances for multifamily residential development.

- 3. **Transit-Accessible Area**: Land located within a reasonable walking distance of public transit stops or stations, as designated by the City.
- 4. **Development Site**: Any parcel of land within the HPOD suitable for multifamily residential development, excluding wetlands, floodplains, and steep slopes.

#### C. Establishment of the Housing Priority Overlay District

- 1. The City Council may establish one or more Housing Priority Overlay Districts in areas deemed appropriate for higher-density residential development.
- 2. The overlay district shall be mapped and officially recorded in the City's Zoning Map.
- 3. The HPOD shall **supersede underlying zoning restrictions only to the extent expressly allowed in this ordinance**, while all other zoning regulations remain applicable.

#### D. Permitted Uses

- 1. **Multifamily Residential Development** is permitted **by right** within the HPOD, subject to compliance with the development standards outlined in this ordinance.
- 2. **Accessory Uses**: Uses accessory to multifamily residential development, including parking, recreation areas, and community facilities, are permitted.
- 3. **Mixed-Use Development**: Ground-floor commercial uses may be permitted in mixed-use developments where allowed by the underlying zoning district.

#### E. Development Standards

- 1. **Density**: Minimum of **10 dwelling units per acre**, unless otherwise approved for environmental or infrastructure considerations.
- 2. **Building Height**: Maximum of **50 feet**, unless otherwise approved for specific site conditions.
- 3. **Setbacks**: Front, side, and rear setbacks shall be consistent with underlying zoning or as modified for multifamily developments to promote efficient land use.
- 4. **Parking**: Off-street parking shall be provided in accordance with City standards, with flexibility for shared or structured parking to encourage compact development.
- 5. **Open Space**: Developments must provide usable open space and landscaping to enhance livability.

6. **Design Standards**: Architectural design and site layout shall be compatible with surrounding neighborhoods and maintain visual harmony.

#### F. Site Plan Review

- 1. Multifamily developments within the HPOD **do not require special permits** for use, but shall undergo **site plan review** by the Planning Board to ensure compliance with this ordinance.
- 2. **Review Timeline**: The Planning Board shall issue a decision within **90 days** of receiving a complete application, unless an extension is mutually agreed upon.
- 3. **Approval Criteria**: The Planning Board shall approve the site plan if it complies with the development standards of the HPOD and applicable local regulations.

#### G. Reporting and Compliance

The City shall maintain records of all HPOD developments, including:

- 1. Number of multifamily units created.
- 2. Compliance with development standards.

#### H. Severability

If any provision of this ordinance is found to be invalid or unenforceable, the remainder shall remain in full force and effect.

**SECTION 7:** that Section 750(B) of Chapter 675 of the Code of the City of Gardner, thereof entitled "Schedule of Parking Uses," be amended by removing the phrase "with 1 or fewer bedrooms; 2 per dwelling unit with 2 or more bedrooms," from the section defining parking for "Dwelling," in order to read as follows:

Principal Use	Parking Spaces Required
Dwelling	1 per dwelling unit

**SECTION 8:** That a new Subsection D be added to Section 770 of Chapter 675 of the Code of the City of Gardner, to be entitled "Cooperative Establishment and Operation of Parking Area," to be written as follows:

**D:** Cooperative Establishment and Operation of Parking Areas - Required parking spaces for any number of Uses may be provided in a combined Lot or Lots (public or private), provided that the number of spaces in the combined facility shall not be less than the sum of those required of the individual Uses, with allowances made, upon formal

designation, for night use or for separate and distinct working shifts, and provided also that such Lot or Lots shall be within 1,100 feet of the Principal Buildings served.

**SECTION 9:** That subsection A of Section 720 of Chapter 675 of the Code of the City of Gardner, thereof entitled "Change of use," be amended by replacing the phrase "For all zoning districts, except COM1," with "for all residential zoning districts (SFR1,RR2, GR3)," to read as follows:

A. Change of use. For all residential zoning districts (SFR1,RR2, GR3), a change in use where the existing use (or in the case of a vacancy, the next previous use) did not provide for the number of on-site parking spaces required by this chapter, then the proposed use shall only have to provide an additional number of parking spaces equal to the increase, if any, between the number required under this chapter for the existing use and the number required for the proposed use.

**SECTION 10:** That subsection B of Section 720 of Chapter 675 of the Code of the City of Gardner, thereof entitled "Commercial 1 Districts," be amended by replacing the title to "Commercial and Industrial Properties," and replacing "Com1 Districts," to "Commercial and Industrial Districts (Com1, Com2, Ind1, Ind2)," in the first recital, to read as follows:

- B. Commercial and Industrial Districts.
- (1) For Commercial and Industrial Districts (Com1, Com2, Ind1, Ind2), no additional parking is required for the following:

**SECTION 11:** That a new subsection B be added to Section 760 of Chapter 675 of the Code of the City of Gardner, thereof entitled "Standard Dimensional regulations for off-street parking facilities," to add a section for compact vehicles, with the current language in Section 675-760 be enumerated as Subsection A, preceding this new subsection to be entitled "Standard Sized Parking," to read as follows:

#### A: Standard Sized Parking

RE: A Communication from the Mayor Regarding the Certification of the FY2026 Tax Rate, Tax Recapitulation Form, and Levy Limit Worksheet

Dear Mr. President and Councilors,

On Wednesday, November 5, 2025, the Massachusetts Department of Revenue, Division of Local Services officially certified the City's FY2026 Tax Rate, Tax Recapitulation Form, and Levy Limit Worksheet.

This concludes all preparation materials that need to be completed by the end of the 2025 Calendar year in order for the actual tax bills to be issued for the final two (2) quarters of the fiscal year.

Our tax rate was officially certified at \$13.77. A copy of the recapitulation form and levy limit worksheet are attached here.

I would like to thank City Auditor John Richard and City Assessor Christine Kumar for their assistance in getting these processes completed.

Respectfully Submitted,

Michael J. Nicholson Mayor, City of Gardner MASSACHUSETTS DEPARTMENT OF REVENUE

RE: A Measure Authorizing the City to Enter into a Contract for up to Five (5) Years for On-Call Engineering Services for the Gardner Municipal Airport

Dear Mr. President and Councilors,

The General Laws of the Commonwealth require that all contracts that have the option of extending for over three (3) years but no more than five (5) years to receive legislative approval for offering the longer term.

These longer term contracts allow the City to obtain more competitive pricing when going out to bid for these services.

As the Gardner Municipal Airport goes through its master planning process and infrastructure improvement plan, this on-call engineering service would help guide both the projects and planning that comes in order to better prepare for the future of the facility.

Respectfully Submitted,

Michael J. Nicholson Mayor, City of Gardner

# AUTHORIZING FIVE-YEAR CONTRACT PERIOD ON CALL ENGINEERING SERVICES

VOTED: To authorize the City to enter into a contract not to exceed five (5) years

for On Call Engineering Services, pursuant to the provisions of

Massachusetts General Law, Chapter 30B, section 12 and under the terms

outlined in the Purchasing Agent's October 7, 2025, Memorandum.

TO: Gardner City Council

Mayor Michael J. Nicholson

FROM: Joshua Cormier, Purchasing Agent

DATE: October 7, 2025

SUBJECT: Request for 5-year contract

According to MGL c 30B, any contract that exceeds three years must be approved by a majority vote by the City Council.

I respectfully request permission from the Gardner City Council to seek up to a five-year contract (including renewals) for the below listed projects. Following compliance with procurement requirements, all such contracts will continue only if the contracted vendor(s) is in good standing.

• On-Call Engineering Services - Airport

My intention to seek a longer-term contract is to attract more competitive rates from vendors and to conduct more effective contract management.

If you have any questions or concerns, please feel free to contact me for additional details.

RE: A Measure Authorizing the Payment of a Prior Fiscal Year Salary Expenditure- Board of Health and Conservation Commission

Dear Mr. President and Councilors,

The General Laws of the Commonwealth require that any expenditures that missed payment during a previous fiscal year first receive legislative authorization before being paid out of the current fiscal year's appropriation.

This measure relates to stipend payments that were missed for one (1) member of the Board of Health and two (2) members of the Conservation Commission.

Corrections have been made for the current fiscal year to ensure these are not missed moving forward.

Respectfully Submitted,

Michael J. Nicholson

Mayor, City of Gardner

RE: A Communication From the Mayor Regarding the Certification of FY2025 Free Cash and Retained Earnings

Dear Mr. President and Councilors,

As you are aware, following the official closing of every fiscal year, the Massachusetts Department of Revenue certifies general fund free cash and enterprise fund retained earnings. The City was notified that these items were certified on October 21, 2025.

General Fund Free Cash: \$2,019,510 Sewer Enterprise Retained Earnings: \$4,058,665 Water Enterprise Retained Earnings: \$1,545,515 Golf Course Enterprise Retained Earnings: \$1,110,954 Landfill Enterprise Retained Earnings: \$115,446 Solid Waste Enterprise Retained Earnings: \$433,794

These funds are comprised of budgetary revenues that came in over budget and expenditures that came in under budget. Enterprise Accounts also retain the balance that was carried over from any previous fiscal year, whereas general fund free cash is only from the previous fiscal year.

The official certification notification sent to us by the Commonwealth is attached to this correspondence.

Please note, that this is considered FY2025 Free Cash, because the funding came from revenue surpluses and expenditures that came in under budget for the FY2025 year.

Respectfully Submitted,

RE: An Order Appropriating \$20,196.00 from Free Cash to the City Other Post Employee Benefits (OPEB) Stabilization Account

Dear Mr. President and Councilors,

The City's Administrative Financial Policies state that upon certification of Free Cash, the Mayor shall submit an appropriation request equivalent to one percent (1%) of certified free cash to be appropriated and deposited into the City's Other Post Employee Benefit (OPEB) Trust Fund.

With the Commonwealth's Department of Revenue certifying Free Cash at \$2,019,510.00, the attached appropriation request of \$20,196.00 reflects what these policies dictate.

While our OPEB Trust Fund is an account that the City is required to contribute to annually under current Department of Revenue regulations, I do want to state my objections and concerns to this requirement. Our OPEB Trust Fund is a fund used to ensure that if the City's government ever ceases to exist we have a fund established to pay our retiree benefits. Even though the City already funds these expenditures in our operating budget, we are legally obligated to maintain this account, from which we will never be able to utilize this funding for anything other than helping our bond rating and making things better for our actuaries.

This request is being submitted so as to not have a negative impact on our bond rating. However, I believe it is imprudent to tie up any more funds than one percent (1%) of certified free cash into an account like this that will likely never be used by the City.

Respectfully Submitted,

whall Juholan

Michael J. Nicholson Mayor, City of Gardner AN ORDER APPROPRIATING FROM FREE CASH TO THE OTHER POST-EMPLOYMENT BENEFITS LIABILITY TRUST FUND.

RE: An Order Appropriating \$201,951.00 from Free Cash to the Department of Public Works Road Resurfacing Account

Dear Mr. President and Councilors,

Attached please find a Free Cash Appropriation Request for Road Resurfacing and Repair. The City's Administrative Financial Policies that were drafted in conjunction with the City's outside auditing firm and their recommendations state that the Mayor shall submit an appropriation request for ten percent (10%) of certified free cash before the City Council annually.

With free cash certified at \$2,019,510.00, this order of \$201,951.00 follows this policy.

Respectfully Submitted,

Michael J. Nicholson

RE: An Order Appropriating \$100,000.00 from Free Cash to the Landfill Pump Repair Account

Dear Mr. President and Councilors,

The City's Health Department is currently overseeing the full repairs to the Solid Waste Landfill's leachate pump system that failed recently and currently has a temporary repair operating in its place.

This pump system controls the leachate and run off from the site and pumps it into the City's wastewater system for treatment.

This appropriation would cover the cost of this repair.

### **INFORMATION FOR BIDDERS**

#### 1 Project Site

The Project is the Gardner Sanitary Landfill, located at 744 West Street (Route 68) in the City of Gardner, Worcester County, Massachusetts.

#### 2 Inspection of Site

By submitting a bid, the Contractor acknowledges that it has taken steps reasonably necessary to ascertain the nature and location of the work, and that it has investigated and satisfied itself as to the general and local conditions which can affect the work or its cost, including but not limited to the conformation and conditions of the ground; the immediate and adjacent environs; access and egress; local ordinances, policies and regulations; and the identification of any discrepancies in the contract documents affecting the contract bid price, all as a result of a pre-bid visit and careful review of the bid documents.

Any failure of the Contractor to take the actions described and acknowledged in this paragraph shall not relieve the Contractor from responsibility for properly estimating the difficulty and cost of successfully performing all work in accordance with the Contract Documents without additional cost to the City of Gardner (hereinafter Owner, or City, or Awarding Authority).

The Owner assumes no responsibility for any conclusions or interpretations made by the Contractor based upon the information made available by the Owner.

### 3 Qualification Statements

In accordance with the City of Gardner's requirements, prospective bidders must complete and submit a Qualification Statement for this project. Qualification forms are included are included with the Form for General Bid.

#### 4. Bid Deposit

All proposals must be accompanied by a bid deposit in the amount of five percent (5%) of the value of the bid, and shall be in the form of a bid bond, or a certified or cashier's check issued by a responsible bank or trust company, payable to the City of Gardner, in the name of which the Contract for work is executed. Bid bonds shall be (a) in a form satisfactory to the City, (b) with a surety company qualified to do business in the Commonwealth and satisfactory to the City, and (c) conditioned upon the faithful performance by the principal of the agreements contained in the bid. The bid deposit must be enclosed in the same envelope with the proposal.

11727

Bid deposits will be returned to respective bidders within five (5) working days after proposals are opened; except those of the three (3) lowest responsible and eligible general bidders, which the City will hold until the successful bidder has executed the Contract. Thereafter, all remaining deposits, including that of the successful bidder, will be returned upon the expiration of the time prescribed for making an award. See applicable provisions of MGL c. 30 § 39M, and/or MGL c. 149 § 44B, which may apply.

#### 5 Award of Contract

The Notice of Award of a Contract, after approval by the awarding authority, shall be within thirty (30) days, Saturdays, Sundays and legal holidays excluded, and shall be in written form signed by an authorized representative of the City of Gardner. The notice shall bind the successful bidder to execute the Contract and furnish a Certificate of Good Standing in the Commonwealth of Massachusetts, 100% Performance and Payment bonds, insurance certificates, and be responsible for liquidated damages provided in the General Conditions. The rights and obligations provided by the Contract shall become effective and binding upon the parties only upon formal execution. See applicable provisions of MGL c. 149 § 44A-H, and/or MGL c. 149 § 29, which may apply.

### 6. Time for Executing Contract and Liquidated Damages for Failure to Execute

The successful bidder shall execute and deliver to the Owner of the Contract, and all required Bonds, Certificates and insurance certifications, within ten (10) days of receipt of Notice of Award. Failure or refusal of the successful bidder to execute and deliver the Contract and Bonds required within ten (10) days shall result in forfeiture of the bid deposit to the Owner as liquidated damages for such failure or refusal. The bid deposit shall become the property of the Owner for liquidated damages provided the amount of bid deposit does not exceed the difference between bid price and bid price of next lowest responsible bidder; and provided further that, in case of death, disability, bona fide clerical or mechanical error of a substantial nature, or other similar unforeseen circumstances affecting the general bidder, in the opinion of the Owner, said bid deposit shall be returned to such bidder.

#### 7 Prices

In the event of discrepancy between the prices quoted in the proposal in words and those quoted in figures, the words shall control. The prices are to include the furnishing of all materials, plant, equipment, tools and other facilities, and the performance of all labor services necessary or proper for the completion of the work, including all delivery and/or freight costs FOB work site.

#### 8. Sales Tax Exemption

The City of Gardner is exempt from State Sales Tax under the Sales Act, Chapter 14 of the Acts of 1966 and all amendments thereto. All purchases of supplies and materials in relation to the project are therefore exempt. This should be considered when forming contract prices. The City of Gardner Tax Exempt Number is E-046-001-389.

### 9. All Contracts Subject to Appropriation

The execution of a Contract is subject to adequate financial appropriation for the Project as advertised. The lack of adequate financial appropriation by the Owner, or granting agency, for the Project shall constitute grounds to reject all bids, or those bids which exceed the financial limitations imposed by the Owner.

### 10. <u>Changes in Quantities of Work</u>

- A. <u>Site Conditions</u> MGL c. 30, § 39N is incorporated herein and made a part of this Contract to the extent required by law.
- B. <u>Quantities</u> The City reserves the right to modify the scope of work including, but not limited to, estimated quantities, provided that the total price for all such modifications does not exceed 25% of the total Contract price, or as otherwise required by law.

The Contract shall be awarded to the lowest eligible and responsible bidder. The lowest bidder shall be the bidder with the lowest base bid plus a total of the alternates, if included in the project, selected by the Owner in the order presented.

#### 11. Addenda

If it becomes necessary to revise any part of this Invitation to Bid or if additional data are necessary to enable an exact interpretation of provisions, such addenda will be provided to all bidders who have requested the bid documents. No addenda will be issued within the immediate three (3) business days prior to the bidding deadline. If an addendum is issued, all bidders shall acknowledge receipt of each addenda on their bid submission.

#### 12. Questions During Bidding Period

Any questions during the bidding period as to the interpretation of the Invitation to Bid, form of proposal, form of Contract, plans, specifications or form of performance and payment bonds, must be received by the City not less than five (5) days prior to the date set for receipt of bids. Written inquires should be directed to: City of Gardner Purchasing and Civil Enforcement Department, 95 Pleasant Street, Room 217, Gardner, MA 01440. Attn: Jennifer Dymek, Director.

The Owner will forward, via certified mail, return receipt requested, or via confirmed facsimile or email, to all prospective bidders at the address given by them, interpretations of all questions raised in accordance with this section, which in the Owner's opinion, require such interpretation. The Owner's response shall be issued not less than two days prior to the date set for receipt of bids. Oral representations shall not bind the Owner.

#### *13. Competence*

No Contract shall be awarded except to responsible, established bidders capable of performing the class of work contemplated. Before the awarding of the Contract, any bidder may be required to show that it has the necessary facilities, experience, ability and financial resources to perform the work in a satisfactory

manner and within the time stipulated. The bidder may be required to furnish the Owner with statements as to its experience and financial status. The bidder agrees upon request of the Owner to furnish in confidence such information as will enable it to judge the financial responsibility of the bidder and any listed subcontractors.

# CITY OF GARDNER CONTRACT #2025-

THIS Contract made this day of October, 2025, by and between the City of Gardner, hereinafter referred to as the "City", and hereinafter referred to as the "Contractor."
WHEREAS the City Purchasing Agent has invited bids pursuant to Massachusetts General Laws and;
WHEREAS the City of Gardner, acting through the City Purchasing Agent, has awarded the bid to the Contractor the parties for the good and valuable consideration agree as follows:
SECTION ONE. TERM and PRICE.
1.1 The term of this contract shall be from to the completion of the project. Contract term is at the sole discretion of the City of Gardner and will not exceed three years.
SECTION TWO. SERVICE.
2.1 The Contractor shall provide services for the City of Gardner as specified herein.
SECTION THREE. OBLIGATIONS OF CONTRACTOR.
3.1 The Contractor agrees to furnish materials and labor in accordance with the terms of its Bid, which is incorporated herein and made part of this Contract. A copy of the Contractor's Bid is attached hereto.

**3.3** The Contractor agrees to furnish materials and labor equal to or better than that described in the specifications.

The Contractor agrees to furnish work described in accordance with the terms of the specifications, which are

**3.4** The Contractor agrees at all times to furnish careful, competent and experienced personnel for said contract.

incorporated herein and made part of this Contract. A copy of specifications is attached hereto.

3.2

- 3.5 The Contractor agrees to keep in force at all times during the term of this contract insurance coverage as specified in the bid documents. Upon the execution of this Contract by the Contractor, the Contractor shall deliver to the City of Gardner, Certificates of Insurance, which indicate the City of Gardner as named insured.
- 3.6 The Contractor hereby assumes the entire responsibility and liability for any and all injury to or death of any or all persons, including the Contractor's employees, and for any and all damage to property caused by, resulting from, or arising out of any act, omission, or neglect on the part of the Contractor or of anyone directly or indirectly employed by any of them, or of anyone for whose acts any of them may be liable in connection with operations under the contract.
  - (1) The contractor further agrees to indemnify and hold harmless the City, including its agents, employees and representatives, from and against all claims, damages, losses and expenses, including attorney's fees arising out of or resulting from the performance of the work, or any activity related to the work provided that any such claim, damage, loss or expense (a) is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the Work itself) including the loss of use resulting therefrom and; (b) is caused in wholly or in part by any intentional, reckless or negligent act or omission of the Contractor, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder.

Contract for Page 1 of 4

- (2) The contractor shall be responsible for all damage or injury to property of any character during the prosecution of the work resulting from any act, omission, neglect, or misconduct in the manner or method of executing the work or due to the non-execution of the work or at any time due to defective work or materials.
- (3) In any and all claims against the City or any of their agents or employees by any employee of the Contractor or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation under this paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor under Workmen's Compensation Acts, disability benefit acts or other employee benefit acts.
- (4) The obligations of the Contractor under this paragraph shall not extend to the liability of the City, its agents or employees, arising out of the giving of, or the failure to give, directions, or instructions by the City, its agents or employees provided such giving or failure to give directions is the primary cause of the injury or damage.
- (5) The intent of the specifications regarding insurance is to specify minimum coverage and minimum limits of liability acceptable under the Contract. However, it shall be the Contractor's responsibility to purchase and maintain insurance of such character and in such amounts as will adequately protect it and the City from and against all claims, damages, losses and expenses resulting from exposure to any casualty liability in the performance of the Work.
- 3.7 SUSPENSION AND DEBARMENT: The Contractor certifies that neither their entity nor its Principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded for the award of contracts by any Federal or State Government Agency or Department.
- **3.8** This Contract shall be binding upon the Contractor, its assigns, transferees, and/or successors in interest (and where not a corporation, the heirs and estate of the Contractor).

#### SECTION FOUR. OBLIGATIONS OF CITY

- **4.1** The City of Gardner agrees to compensate the Contractor at the rates indicated in the Contractor's form for bid (hereby incorporated and made part of this agreement)
- **4.2** Whenever the Contractor fails, for any reason to perform within requirements of the specifications, a prescribed deduction in the compensation herein before provided shall be made.

#### SECTION FIVE. RESERVATIONS OF RIGHTS.

- **5.1** The City of Gardner reserves the right, by giving thirty (30) days written notice, to terminate this agreement without liability on its part.
- The City of Gardner reserves the right to cancel this contract, by giving thirty days written notice, if funds are not appropriated or otherwise made available to support the contract in any fiscal year.
- **5.3** The City of Gardner reserves the right to enter agreements with other parties, if additional work is required.
- 5.4 Both the City and the Contractor acknowledge the applicability of the State Conflict of Interest Law (General Laws Chapter 268A) to the relationship(s) established by this Contract. This Contract expressly prohibits any activity that shall constitute a violation of that law. The Contractor shall be deemed to have investigated its applicability to the performance of this Contract; and by executing the contract documents, the Contractor certifies to the City that neither it nor its agents, employees, or subcontractors are thereby in violation of General Laws Chapter 268A.

#### SECTION SIX. DEFAULT.

Contract for Page 2 of 4

- 6.1 In the event the Contractor is unable to furnish services temporarily, the City of Gardner is authorized to hire a replacement(s) for such time is necessary, and the Contractor shall pay for the cost of this emergency service. Nothing herein shall be contracted to eliminate or diminish the obligation of the bonding company if any.
- **6.2** If the Contractor fails to perform services or performs services in a manner which is not pursuant to the terms and conditions of this Contract, the City of Gardner may make any reasonable purchase or contract to purchase services in substitution for service due from the Contractor, and may deduct the cost of any substitute contract, or damages sustained by the City of Gardner due to non-performance or non-conformance of services, together with incidental or consequential damages from the contract price, and shall withhold such damages from sums due or to become due.
- **6.3** The Contractor agrees that if it is determined by the City of Gardner at any time that the Contractor has substantially violated any of the provisions of this Contract, the City of Gardner may terminate this Contract any time. Determination may be based on default in performance, nonconformity of performance, breach of the terms and conditions of this contract, failure in any respect to perform the service with promptness and diligence, bankruptcy, receivership or a general assignment for the benefit of Contractor's creditors or any other act or conduct by the Contractor which impairs the service under this Contract.
- 6.4 All rights of the City of Gardner are distinct and cumulative to any other right and may be exercised by the City concurrently, independently or successively.
- Any forbearance by the City of Gardner in exercising any right shall not be a waiver, preclude the exercise of any such right, or remedy by the City of Gardner.

#### SECTION SEVEN. GENERAL CONDITIONS.

- 7.1 The Contractor will not subject, sell, transfer, assign, pledge or otherwise dispose of any portion of this Contract without the express, written consent of the City Purchasing Agent.
- **7.2** Any notice from the City of Gardner to the Contractor relating to this Contract shall be in writing and shall be deemed duly served, if mailed on the date of actual service properly addressed, to the Contractor at the above listed address.

Any notice from the Contractor to the City of Gardner relating to this Contract shall be deemed duly served, if mailed on the date of actual service properly addressed, to the City Purchasing Agent, 95 Pleasant Street, Gardner, MA 01440

- **7.3** This Contract, executed in three copies, is to be construed as a Massachusetts contract, is to take effect as a sealed instrument, sets forth the entire contract between the parties, is binding upon and endures to the benefit of the parties hereto, and may be made canceled, modified, or amended only by a written instrument executed by both the parties named herein.
- 7.4 This instrument, together with endorsed supplements, and the other components of the contract documents, constitutes the entire contract between the parties, with no agreements other than those incorporated herein.

IN WITNESS WHEREOF the said City of Gardner and Contractor have hereunto set their hands and seals.

# 3. <u>Contract Plans and Specifications</u>

All plans, specifications and addenda, hereinafter enumerated or referenced in this contract, shall form part of this Contract and the provisions thereof shall be as binding upon the parties hereto as if they were herein set fully forth. The table of contents, titles, headings, running headlines and marginal notes contained herein and in said documents are solely to facilitate reference to various provisions of the Contract Documents and in no way affect, limit or cast light on the interpretation of the provisions to which they refer.

# 4. Additional Instructions and Detail Drawings

The Owner may in its discretion provide the Contractor with additional instructions and detail drawings as necessary to carry out the work included in the contract, and the Contractor shall carry out the work in accordance with the same. The Contractor shall prepare for approval by the Engineer: (a) a schedule, fixing the dates at which special detail drawings will be required, such drawings, if any, to be furnished by the Engineer in accordance with said schedule, and (b) a schedule fixing the respective dates for the submission of shop drawings, the beginning of manufacture, testing and installation of materials, supplies and equipment, and the completion of the various parts of the work; each such schedule to be subject to change from time to time in accordance with the progress of the work.

#### 5. Shop or Setting Drawings

The Contractor shall submit promptly to the Engineer three (3) copies of each shop or setting drawing prepared in accordance with the schedule predetermined as aforesaid. After examination of such drawings by the Engineer and the return thereof, the Contractor shall make such corrections to the drawings as have been indicated and shall furnish the Engineer with three

(3) corrected copies. The Contractor shall furnish additional copies as requested by the Engineer. Regardless of corrections made in or approval given to such drawings by the Engineer, the Contractor shall nevertheless be responsible for the accuracy of such drawings and for their conformity to the plans and specifications, unless Contractor notifies the Engineer in writing of any deviations at the time such drawings are furnished.

#### 6. Materials, Services and Facilities

- 6.1 Except as otherwise specifically stated in the Contract Documents, the Contractor shall provide and pay for all materials, labor, tools, equipment, water, light, power, transportation, superintendence, temporary construction of every nature and all other services and facilities of every nature whatsoever necessary to execute, complete and deliver the work within the specified time.
- 6.2 Prior to installation, the Contractor shall furnish to the Engineer for approval the manufacturer's detailed specifications for all machinery, mechanical and other special equipment, which Contractor contemplates installing, together with full information as to type, performance characteristics, and all other pertinent information as required.
- 6.3 Materials specified by reference to the number or symbol of a specific standard (such as A.S.T.M. Standard, a Federal Specification or other similar standard), shall comply with requirements of the most recent revision thereof and any amendment or supplement thereto in effect on the date of the Advertisement, except as limited to type, class or grade, or modified in such reference. The standards referred to, except as may be modified by the Contract Documents, shall have full force and effect as though printed therein.
- When requested by the Engineer, the Contractor shall submit Certificates of Compliance from the manufacturer, certifying that the equipment materials comply with the requirements of the specifications or standards. Such certification shall be in the following form:

Any work necessary to be performed after regular working hours, on Sunday or Legal Holidays, shall be performed without additional expense to the Owner.

# 7. <u>Contractor's Title to Materials</u>

No materials or supplies for the work shall be purchased by the Contractor or by any Subcontractor subject to any chattel mortgage or under a conditional sale contract or other agreement by which an interest is retained by the seller. The Contractor warrants that it has good title to all materials and supplies used by him in the work, free from all liens, claims or encumbrances.

The Contractor shall obtain all necessary rights and licenses to allow the Owner to use the goods and services provided by this Agreement in full compliance with any and all copyright, patent rights or licenses, without requiring additional payment by the Owner.

# 8. <u>Title to Work</u>

The title to all work completed and in the course of construction and of all material on account of which any payment has been made shall be in the Owner.

# 9. Inspection and Testing of Materials

All materials and equipment used in the construction of the project shall be subject to inspection and testing by the Owner, or its designee, in accordance with accepted standards to establish conformance with specifications and suitability for uses intended. Nevertheless, said

inspection and/or testing, or a lack thereof, shall not relieve the Contractor of its obligations under the terms and conditions of the Contract Documents.

# 10. Express Warranty

The Contractor guarantees to Owner that all materials incorporated into the work shall be new unless otherwise specified or agreed by the Parties. Contractor also guarantees that all work shall be done in a workmanlike manner, free from defects, and in conformance with any and all specifications contained in the Contract Documents.

The work performed by the Contractor shall conform to the high professional standard of care and practice customarily expected of those engaged in performing comparable work, the personnel furnishing said services shall be qualified and competent to perform adequately the services assigned to them and the recommendations, guidance and performance of such personnel shall reflect such standards of professional knowledge and judgment.

# 11. Maintenance and Guarantee

The Contractor guarantees that all work performed under this contract shall meet fully all requirements thereof as to quality of workmanship and of materials. The Contractor hereby agrees to make at its own expense any repairs or replacements made necessary by defects in materials or workmanship that become evident within one (1) year after the date of the final payment, and to restore to full compliance with the requirements set forth herein any part of the work constructed hereunder, which during said one (1) year period is found by the Owner to be deficient with the respect to any provisions of the specifications. The Contractor shall hold the Owner harmless from claims of any kind arising from damage due to said defects. The Contractor shall make all repairs and replacements promptly upon receipt of written orders for same from the Owner. If the Contractor fails to make the repairs and replacements promptly, the Owner may do the work and the Contractor shall be liable to the owner for the full cost thereof.

# 12. "Or Equal" Clause

Whenever a material, article or piece of equipment is identified on the plans or in the specifications by reference to manufacturers' or vendors' names, trade names, catalogue numbers, etc., it is intended merely to establish a standard; and, any materials, article or equipment of other manufacturers and vendors which will perform adequately the duties imposed by the general design shall be considered equally acceptable provided the material, article or equipment so proposed is, in the opinion of the Engineer, of equal substance and function. It shall not be purchased or installed by the Contractor without the Engineer's prior written approval. Notwithstanding any provision to the contrary, the requirements of MGL c. 30, sec. 39M(a) are hereby incorporated and made a part of this Agreement.

# 13. Surveys, Permits and Regulations

Unless otherwise expressly provided for in the specifications, the Owner shall furnish to the Contractor all surveys necessary for the execution of the work. The Owner, however, does not warrantee or guarantee the accuracy or completeness of said surveys.

The Contractor shall procure and pay for all permits, licenses and approvals necessary for the execution of this contract, and shall comply with the provisions of 24 CFR 85.36(h)(l)-(3) and Massachusetts General Laws with respect to bonding and other insurance requirements.

The Contractor shall comply with all laws, ordinances, rules, orders and regulations relating to performance of the work, the protection of adjacent property and the maintenance of passageways, guard fences or other protective facilities.

# 14. <u>Contractor's Obligations</u>

The Contractor shall, in good and workmanlike manner, perform all work and furnish all supplies and materials, machinery, equipment, facilities and means, except as herein otherwise expressly specified, as are necessary and/or proper to perform and complete all the work required by this Contract, within the time herein specified, in accordance with the provisions of this Contract and said specifications and in accordance with the plans and drawings covered by this Contract any and all supplemental plans and drawings, and in accordance with the directions of the Engineer as may be given from time to time during the progress of the work. Contractor shall furnish, erect, maintain and remove such facilities, equipment, material and temporary works as may be required.

The Contractor shall observe, comply with, and be subject to all terms, conditions, requirements and limitations of the Contract and specifications, and shall perform, carry on and complete the entire work to the satisfaction of the Engineer and the Owner.

#### 15. Weather Conditions

In the event of temporary suspension of work, or during inclement weather, or whenever the Engineer with the Owner's approval shall direct, the Contractor shall, and shall cause its subcontractors to, protect carefully all work and materials against damage or injury from the weather. If, in the opinion of the Engineer, any work or materials have been damaged or injured by reason of failure on the part of the Contractor or any of its subcontractors to so protect such work, said materials shall be removed and replaced at the expense of the Contractor.

#### 16. Protection of Work and Property - Emergency

The Contractor shall at all times safely guard the Owner's property from injury or loss in connection with this Contract, and shall at all times safely guard and protect its own work, and that of adjacent property from damage. The Contractor shall replace or make good any such damage, loss or injury unless such be caused directly by errors contained in the Contract or by the Owner, or its duly authorized representatives.

In case of an emergency which threatens loss or injury of property, and/or safety of life, the Contractor is allowed to act, without previous instructions from the Engineer, in a diligent manner to prevent said loss or injury. Contractor shall immediately notify the Engineer and Owner in writing thereafter, and shall promptly submit any resulting claim for extra work to the Engineer.

Where the Contractor has not taken action but has notified the Engineer of an emergency threatening loss or injury to persons or property, or damage to the work or any adjoining property, it shall act as instructed or authorized by the Engineer.

The amount of extra payment claimed by the Contractor on account of any emergency action shall be determined in the manner provided in Paragraph 20 below.

# 17. Inspection

The authorized representatives and agents of the Owner shall be permitted to inspect all work, materials, payrolls, records of personnel, invoices of materials and other relevant data and records.

# 18. Reports, Records and Data

The Contractor shall submit to the Owner such schedule of quantities and costs, progress schedules, payrolls, reports, estimates, records and other data as the Owner may request concerning work performed or to be performed under this Contract. All records shall be retained by the Contractor for a period of seven years from completion of the work.

All documents produced pursuant to this Agreement shall be the property of the Owner.

All information required from the Owner, or from others at the expense of the Owner, in the performance of this Agreement shall be and remain the property of the Owner. This includes, but is not limited to, all records, data files, computer records, work sheets, deliverable products (complete and incomplete) and all other types of information prepared or acquired by the Contractor in the performance of this Agreement. The requirements of MGL c. 30, sec. 39R are hereby incorporated and made a part of this Agreement.

# 19. Superintendence by Contractor

At the site of the work, the Contractor shall employ a construction superintendent or foreman who shall have full authority to act for the Contractor, and shall be acceptable to the Engineer and Owner, and shall be a person anticipated to be continued in that capacity for the duration of the Agreement. The requirements of MGL c. 30, ss. 39I and 39N are hereby incorporated and made a part of this Agreement.

#### 20. Changes in Work

- 20.1 The Contractor shall make no changes in the work without prior written approval of the Owner, however, the Owner may at any time by written order, and without notice to any sureties, require the performance of such extra work or changes in the work as may be found necessary or desirable. Charges or credits for any such changes shall be determined by one or more, or a combination of, the following methods:
  - (a) Unit bid prices previously approved.
  - (b) An agreed lump sum.
  - (c) The actual cost of-
    - 1. Labor, including foremen.
    - 2. Materials entering permanently into the work.
    - 3. The ownership or rental cost of construction plant and equipment during the time of use on the extra work.
    - 4. Power and consumable supplies for the operation of power equipment.
    - 5. Insurance.
    - 6. Wages to be paid.

To the cost under (c) there shall be added a fixed fee to be agreed upon but not to exceed fifteen percent (15 %) of the actual cost of work. The fee shall include the cost of supervision, overhead, bond, profit and any other general expenses.

20.2 The Engineer may authorize minor changes or alterations in the work which do not involve any extra cost or expense, and which are not inconsistent with the overall intent of the Contract Documents. If the Contractor determines that any such minor change or alteration so authorized by the Engineer entitles Contractor to an increase in the contract price, the Contractor shall be required to obtain prior written approval from the Owner as per paragraph 20.1 above.

#### 21. Time for Completion and Liquidated Damages

It is hereby understood and mutually agreed, by and between the Contractor and the Owner, that the date of beginning and the time for completion of the work to be done hereunder are ESSENTIAL CONDITIONS of this Contract; and it is further mutually understood and agreed that the work embraced in this Contract shall be commenced on a date to be specified in the "Notice to Proceed."

The Contractor shall prosecute the work regularly, diligently, without interruption and at such rate of progress as will ensure full completion thereof within the time specified. It is expressly understood and agreed, by and between the Contractor and the Owner, that the time for the completion of the work described herein is a reasonable time for the completion of the same, taking into consideration the average climatic range and usual industrial conditions prevailing in this locality.

If the Contractor neglects, fails or refuses to complete the work within the time herein specified, or any proper extension thereof granted by the Owner, then the Contractor does hereby

agree, as a partial consideration for the awarding of this Contract, to pay to the Owner the amount of \$250.00, not as a penalty but as liquidated damages for such breach of contract as hereinafter set forth, for each and every calendar day that the Contractor shall be in default after the time stipulated in the Contract for completing the work.

The said amount of liquidated damages is fixed and agreed upon by and between the Contractor and the Owner because of the impracticability and extreme difficulty of fixing and ascertaining the actual damages the Owner would sustain in such event and said amount shall be retained from time to time by the Owner from current periodic estimates.

It is further agreed that time is of the essence of each and every portion of this Contract and of the specifications wherein a definite and certain length of time is fixed for the performance of any act whatsoever; and where under the Contract an additional time is allowed for the completion of any work, the new time limit fixed by such extension shall be of the essence of this contract. Provided, that the Contractor shall not be charged with liquidated damages or any excess cost when the Owner determines that the Contractor is without fault and the Contractor's reasons for the time extension are acceptable to the Owner; provided, further, that the Contractor shall not be charged with liquidated damages or any excess cost when the delay in completion of the work is due:

- (a) To any preference, priority or allocation order duly issued by the Government.
- (b) To unforeseeable cause beyond the control and without the fault of negligence of the Contractor, including, but not restricted to, acts of God, or of the public enemy, acts of the Owner, acts of another Contractor in the performance of a contract with the Owner, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes and severe weather.
- (c) To any delays of Subcontractors or suppliers occasioned by any of the causes specified in subsections (a) and (b) of this article.

<u>Provided further</u>, that the Contractor shall within ten (10) days from the beginning of such delay, notify the Owner, in writing, of the causes of the delay, and provide such additional information as the Owner may require, and the Owner shall ascertain the facts and extent of the delay and notify the Contractor within a reasonable time of its decision in the matter.

# 22. Correction of Work

All work, all materials, whether incorporated in the work or not, all processes of manufacture, and all methods of construction shall be at all times and places subject to the inspection of the Engineer who shall be the final judge of the quality and suitability of the work, materials, processes of manufacture and methods of construction for the purposes for which they are used. Should they fail to meet the Engineer's approval, they shall be forthwith reconstructed, made good, replaced and/or corrected, as the case may be, by the Contractor at its own expense. Rejected materials shall immediately be removed from the site. If, in the opinion of the Engineer, it is undesirable to replace any defective or damaged materials or to reconstruct or correct any portion of the work injured or not performed in accordance with the Contract

Documents, the payment to the Contractor hereunder shall be reduced by such amount as in the judgment of the Engineer shall be equitable.

#### 23. Subsurface Conditions Found Different

Should the Contractor encounter subsurface and/or latent conditions at the site materially differing from those shown on the plans or indicated in the specifications, Contractor shall, prior to disturbing such conditions, immediately provide written notice to the Engineer of such conditions. The Engineer shall thereupon promptly investigate the conditions, and if it is determined that such conditions materially differ from those shown on the plans or indicated in the specifications, the Engineer will at once make such changes in the plans and/or specifications as may be necessary. Any increase or decrease of cost resulting from such changes shall be adjusted in the manner provided in Paragraph 20 of these General Conditions. Notwithstanding any provision to the contrary, the requirements of MGL. c. 30, sec. 39N are hereby incorporated and made a part of this Agreement.

# 24. Right of Owner to Terminate Contract

The Owner may terminate this Contract by providing the Contractor and the Surety with ten (10) days written notice specifying the reasons for termination, including but not limited to those set forth below:

- (a) Violation of any of the provisions of this Contract by the Contractor or any of its subcontractors.
- (b) A determination by the Owner that the Contractor has engaged in fraud, waste, mismanagement, misuse of funds, or criminal activity with any funds provided by this Contract.
- (c) Failure of the Contractor, for any reason, to fulfill in a timely and proper manner its obligations under this Contract including, but not limited to, compliance with applicable state or local laws or regulations.

If the Owner terminates or suspends this Agreement for one or more of the reasons set forth in (a) through (c), the Contractor shall have a right only to payment for work performed and accepted prior to said termination or suspension, and shall have no right to recover indirect or consequential damages, including but not limited to lost profits.

In the event of any such termination, the Surety shall have the right to take over and perform the Contract. Provided, however, that if the Surety does not commence performance within ten (10) days from the date of the mailing of notice of termination to such Surety, the Owner may take over the work and prosecute the same to completion at the expense of the Contractor, and the Contractor and his Surety shall be liable to the Owner for any excess cost. If the Owner takes over the work, it may take possession of and utilize, at no cost, such equipment, material and temporary works as may be on the site.

Further, the Owner may terminate or suspend this Contract if local and/or state funding is cancelled, revoked, reduced, suspended or terminated.

If the Owner determines that a continuation of work on the project would endanger the life, health, or safety of those working or living at or near the project site, or that immediate action is necessary to protect public funds and/or property, the Owner may suspend work or terminate this Agreement by providing written notice to the Contractor. Should the Owner terminate or suspend this Agreement for any of the reasons set forth herein, the Contractor shall have a right only to payment for work performed and accepted prior to said termination or suspension and shall have no right to recover indirect or consequential damages, including but not limited to lost profits.

# 25. Payments to Contractor

- 25.1 Payment to the Contractor shall be in accordance with the requirements MGL, c. 30, s. 39K, which is hereby incorporated and made a part of this Agreement.
- 25.2 In preparing estimates, the material delivered on the site and preparatory work done may be taken into consideration.
- 25.3 Payment shall be contingent upon the Contractor submitting any and all required certified payroll reports to the Owner.
- 25.4 Payments shall be made in accordance with Supplemental General Condition Article 15.

# 26. Indemnification

The Contractor hereby indemnifies and shall at all times save and hold harmless the City of Gardner, and its officers, attorneys, employees, and agents, from and against any and all claims (including workers' compensation and wage claims), demands, suits, actions, liabilities, damages, penalties, judgments, and costs and expenses, including without limitation the costs and expenses of litigation, of or by anyone that in any way is caused by, arises out of, or is occasioned by the performance, activities, operations, conducts, negligence, or omissions of the Contractor, or any of its subcontractors, or the agents or employees of either, regardless of whether or not they are caused in part by a party indemnified hereunder.

#### 27. Substantial Completion, Final Completion, Acceptance and Final Payment

27.1 Substantial completion shall be that point at which the work has been completed to the extent that the Owner may occupy and make use of the project for which it was intended.

Upon receipt of written notice from the Contractor that the work is substantially complete, the Engineer will promptly make an inspection to determine whether the work is acceptable under the terms of the Contract and whether same is substantially complete. The Engineer will issue a dated certificate which states that the work is substantially complete and accepted under the terms and conditions of the Contract, and a punch list of

all items to be completed or corrected. The entire balance due the Contractor, less two percent (2%) retainage plus a retention based on the Engineer's estimate of the fair value of the punch list items, and cost of completing or correcting such items, and the estimated value of claims made relating to the project, shall be due and payable.

The general guarantee period for the work substantially complete shall begin on the date certified by the Engineer.

- 27.2 Final completion shall be that point at which all work on the project has been completed, all defective work has been corrected, and clean-up of the site and any debris has been accomplished. Unless a certificate of substantial completion has issued, the general guarantee period shall begin upon certification by the Engineer of final completion. The entire balance due the Contractor, less the estimated value of claims made relating to the project to the extent allowed by law, shall be due and payable within 35 days of the Contractor's written acceptance of the final estimate as required by MGL c. 30, s. 39G.
- 27.3 The acceptance by the Contractor of final payment shall be and shall operate as a release to the Owner of all claims and all liability by the Contractor. No payment, however, final or otherwise, shall operate to release the Contractor or its Sureties from any obligations under this Contract, the performance and payment bonds, or any express or implied warranties.

# 28. <u>Insurance</u>

The Contractor shall not commence work under this Contract until it has obtained and submitted proof to the Owner of all the insurance required under this paragraph and such insurance has been approved by the Owner. The form of proof shall be a Certificate furnished to the Owner no later than the time at which the Contractor executes the Contract.

#### (a) Workmen's Compensation Insurance:

The Contractor shall procure and shall maintain during the life of this Contract Workmen's Compensation Insurance as required by applicable federal, state or local law, for all of its employees and, in case of any such work sublet, the Contractor shall require the subcontractor similarly to provide Workmen's Compensation Insurance for all of the latter's employees as required by law.

(b) <u>Contractor's Public Liability and Property Damage Insurance and Vehicle Liability Insurance:</u>

The Contractor shall procure and shall maintain during the contract term, occurrence basis Contractor's Public Liability Insurance, Contractor's Property Damage Insurance and Vehicle Liability Insurance in the amount of \$1,000,000.

# (c) <u>Subcontractor's Public Liability and Property Damage Insurance and Vehicle Liability Insurance:</u>

The Contractor shall either (1) require each of its Subcontractors to procure and to maintain, during its subcontract term, occurrence basis Subcontractor's Public Liability and Property Damage Insurance and Vehicle Liability Insurance in the amount of \$1,000,000, or (2) insure the activities of such subcontractors, in addition to its policy specified in subparagraph (b) hereof.

# (d) <u>Builder's Risk Insurance (Fire and Extended Coverage):</u>

Until the project is completed and accepted by the Owner, the Contractor shall maintain Builder's Risk Insurance (fire and extended coverage) on a 100 percent completed value basis on the insurable portion of the project for the benefit of the Owner, the Contractor, and Subcontractors as their interests may appear.

#### (e) Proof of Insurance:

The Contractor shall furnish the Owner with certificates showing the type, amount, class of operations covered, effective dates and date of expiration of policies. Such certificates shall also contain substantially the following statement: "The insurance covered by this certificate shall not be canceled or reduced, except after thirty (30) days written notice has been received by the Owner."

#### (f) Additional Insured and Certificate Holder

The Contractor shall have the "City of Gardner" named as an additional insured for this project on the policy, which shall be evidenced by the Certificate

submitted to the Owner. The Certificate holder shall read exactly as follows: "Director of Purchasing and Civil Enforcement, 95 Pleasant Street, Room 217, Gardner, MA 01440."

#### 29. Contract Security, Performance and Payment Bonds

- 29.1 The Contractor shall furnish to the Owner, at the time of its execution of the Contract, a Performance Bond in an amount at least equal to one hundred percent (100 %) of the total contract price as security for the faithful performance of this Contract. Such bonds shall be in a form, and with a surety company approved by the Owner and authorized to do business in the Commonwealth of Massachusetts.
- 29.2 The Contractor shall furnish to the Owner, at the time of its execution of the Contract, a Payment Bond in an amount not less than one hundred percent (100 %) of the total contract price, as security for the payment of all persons performing labor on the project under this Contract, and furnishing materials in connection with this Contract. Such bond

- shall be in a form, and with a surety company approved by the Owner and authorized to do business in the Commonwealth of Massachusetts.
- 29.3 It is expressly understood and agreed that all sums retained or that may be retained by the City under any of the provisions of this Contract are solely for the benefit of the City and that the security required by MGL Ch. 149, sec. 29, as amended, is furnished exclusively by the bond accompanying the Contract.
- 29.4 Performance Bonds must remain in effect for at least TWO YEARS after final completion and acceptance of the project.
- 29.5 Failure to meet the bond requirements of this section shall be cause to terminate the Contract.

#### 30. Assignments

The Contractor shall not assign or subcontract the whole or any part of this Contract or any moneys due or to become due hereunder without the prior written consent of the Owner. If the Contractor assigns all or any part of any moneys due or to become due under this Contract, the instrument of assignment shall contain a clause substantially to the effect that the right of any assignee in and to any moneys due or to become due to the Contractor shall be subject to prior claims of all persons, firms and corporations for services rendered or materials supplied for the performance of the work required by this Contract.

# 31. Engineer's Authority

The Engineer will give all orders and directions contemplated under this Contract and specifications relative to the execution of the work. The Engineer shall determine the amount, quality, acceptability and fitness of the several kinds of work and materials which are to be paid for under this Contract and shall decide all questions which may arise in relation to said work and the construction thereof. The Engineer's estimates and decisions shall be final and conclusive, except as herein otherwise expressly provided. If any dispute arises between the parties hereto relative to said Contract and/or specifications, the determination of the Engineer shall be a condition precedent to the right of the Contractor to receive any money or payment for work related to said dispute. The Engineer does <u>not</u> have authority to bind the Owner to spend money in excess of the Contract Price, to suspend, terminate or stop the work.

The Engineer will decide the meaning and intent of any portion of the specifications and of any plans or drawings.

#### 32. <u>Use of Premises, Removal of Debris, Sanitary Conditions</u>

The Contractor, at its own expense, shall: (1) take every precaution against injuries or damage to property; (2) store its apparatus, materials, supplies and equipment in such orderly fashion at the site as to not unduly interfere with the progress of its work or the work of other contractors; (3) place upon the work or any part thereof only such loads as are consistent with the

safety of that portion of the work; (4) clean up frequently all refuse, rubbish, scrap materials and debris caused by its operations; (5) before final payment, remove all surplus material, falsework, temporary structures, including foundations thereof, plant of any description and debris of any nature resulting from its operations, and to put the site in neat, orderly condition; (6) effect all cutting, fitting or patching of its work required for conformance with the specifications and, except with consent of the Engineer, not cut or otherwise alter the work of any other contractor; and (7) maintain in a neat, sanitary condition such toilet accommodations for the use of its employees as may be necessary to comply with the State and local Boards of Health, or other bodies having jurisdiction over same.

# 33. Notice and Service Thereof

Any notice to either party from the other relating to this Agreement shall be in writing and posted, by certified mail, return receipt requested, to the party at the address noted below:

<u>City</u> <u>Contractor</u>

Jennifer Dymek, Director Department of Purchasing and Civil Enforcement 95 Pleasant Street, Room 217 Gardner, MA 01440

# 34. Subcontract

The Contractor shall insert in any and all subcontracts the Prevailing Wage Labor Standards Provisions contained herein.

#### 35. Interest of Member of or Delegate to Congress

No member of or delegate to Congress, or Resident Commissioner, shall be admitted to any share or part of this Contract or to any benefit that may arise therefrom, but this provision shall not be construed to extend to this Contract if made with a corporation for its general benefit.

#### 36. Other Prohibited Interests

No official of the Owner who is authorized in such capacity and on behalf of the Owner to negotiate, make, accept or approve, or to take part in negotiating, making, accepting or approving any architectural, engineering, inspection, construction or material supply contract or any subcontract in connection with the construction of the project, shall become directly or indirectly interested personally in this Contract or in any part hereof. No officer, employee, architect, attorney, engineer or inspector of or for the Owner who is authorized in such capacity and on behalf of the Owner to exercise any legislative, executive, supervisory or other similar functions in connection with the construction of the project, shall become directly or indirectly

interested personally in this Contract or in any part thereof, any material supply contract, subcontract, insurance contract or any other contract pertaining to the project.

#### 37. Suspension of Work

If the Owner is prevented or enjoined from proceeding with work either before or after the start of construction by reason of any litigation or other reason beyond the control of the Owner, the Contractor shall not be entitled to make or assert claim for damage by reason of said delay; but time for completion of the work shall be extended to such reasonable time as the Owner may determine will compensate for time lost by such delay with such determination to be set forth in writing. If the reason for said delay was not beyond the control of the Contractor, the Contractor shall have no right to damages, as set forth herein, or to an extension of time. Notwithstanding any provision to the contrary, the requirements of MGL c. 30, sec. 390 are hereby incorporated and made a part of this Agreement.

#### 38. Access to Records

The Contractor shall maintain accounts and records, including personnel, property and financial records, adequate to identify and account for all costs pertaining to the Contract and such other records as may be deemed necessary by the Owner to ensure proper accounting for all project funds. These records shall be made available for audit purposes to the Owner or any authorized representative, and shall be retained for seven years after final audit.

#### 39. Age Discrimination Act of 1975 (for contracts over \$2,000)

No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination from receiving Federal financial assistance. The Contractor shall comply with the provisions of the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.), prohibiting age discrimination in employment.

# 40. Non-Discrimination

The City of Gardner is an Equal Opportunity Employer. The Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, age, handicap, or national origin. The Contractor shall take affirmative action to ensure that applicants for employment and employees are treated without regard to their race, color, religion, sex, age, handicap, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor shall post in conspicuous places, available to employees and applicants for employment, notices setting forth the provision of this non-discrimination clause. The Contractor shall state in all solicitations or advertisements for employees placed by or on behalf of the Contractor, that all qualified applicants shall receive consideration for employment without regard to race, color, religion, sex, age, handicap, or national origin. The Contractor shall incorporate the foregoing requirements of this paragraph in all contracts for work to be performed in accordance with this Contract, and shall require all of

its subcontractors to incorporate such requirements in all subcontracts for program work. The City may cancel, terminate or suspend the Contract in whole or in part for any violation of this paragraph.

In the event of noncompliance by the Contractor with the nondiscrimination clauses of this Agreement or with any such rules, regulations, or orders of the Secretary of Labor, the Contract may be canceled, terminated or suspended in whole or in part, and the Contractor may be declared ineligible for further Government contract or federally assisted construction contract procedures authorized in Executive Order 11246, or by rules, regulations, or orders of the Secretary of Labor, as otherwise provided by law.

# 41. Non Federal Labor-Standards Provisions

The following Massachusetts Labor-Standards Provisions, including the provisions concerning maximum hours of work, minimum rates of pay, and overtime compensation, with respect to the categories and classifications of employees hereinafter mentioned are included in this Contract pursuant to the requirements of applicable State or local laws. The inclusion of such provisions shall not be construed to relieve the Contractor or any Subcontractor from the pertinent requirements of any corresponding Federal Labor-Standards Provisions of this Contract.

# 42. Schedule of Salaries and Wages

The Contractor shall be responsible for complying with minimum wage rates and health and welfare fund contributions applicable to this Contract as determined by the Commonwealth of Massachusetts, Department of Labor and Workforce Development, Division of Occupational Safety, under the provisions of Massachusetts General Laws, Chapter 149, Sections 26 - 27D.

When both are applicable, the greater of Federal or State prevailing wages, which are attached in the Supplemental General Conditions, and incorporated herein by reference, shall be paid under this contract and reported by the submission of certified weekly payrolls to the Owner. The Contractor is responsible for compliance of this paragraph by its subcontractors.

#### 43. Labor Provisions

43.1 In the employment of mechanics and apprentices, teamsters, chauffeurs and laborers by the Contractor and Subcontractors, preference shall first be given to citizens of the Commonwealth who have been residents of the Commonwealth for at least six months at the commencement of their employment, who are veterans as defined in clause forty-third of MGL c. 4, s. 7 and who are qualified to perform the work to which the employment relates; and secondly, to citizens of the Commonwealth generally who have been residents of the Commonwealth for at least six months at the commencement of their employment, and if they cannot be obtained in sufficient numbers, then to citizens of the United States, in accord with MGL c. 149, s. 26.

- 43.2 The minimum rates of wages to be paid mechanics and apprentices, chauffeurs, teamsters and laborers shall be set forth in the schedule of rates of wages determined by the Commissioner of Labor and Industry.
- In accordance with MGL c. 149, s 34A, the Contractor shall, before commencing 43.3 performance of the contract, provide by insurance for the payment of compensation and the furnishing of other benefits under M. G. L. c. 152 to all persons to be employed under the contract, and the Contractor shall continue such insurance in full force and effect during the term of the contract. Sufficient proof of compliance with this section must be furnished at the time of execution of this contract. Failure to provide and continue in force such insurance as aforesaid shall be deemed a material breach of the contract and shall operate as an immediate termination thereof. The attention of the Contractor is directed to that portion of G. L. c. 149, s. 34A which provides that whoever violates any of its provisions shall be punished by a fine of not more than one hundred dollars or by imprisonment for six months, or both; and, in addition, any Contractor who violates any provision of this section shall be prohibited from contracting, directly or indirectly, with the Commonwealth or any political subdivision thereof for the construction, alteration, demolition, maintenance or repair of, or addition to, any public works or public building for a period of two years from the date of conviction of said violation.
- 43.4 The Contractor shall pay to any reserve police officer employed by it the prevailing rate of wage paid to regular police officers, as required by MGL c. 149, s. 34B.

#### 44. Environmental Requirements

The Contractor shall comply, where applicable, with: federal Executive Order 11988, Floodplain Management, May 24, 1977 (42 CFR 26951 et. seq.) particularly section 2 (a); the Coastal Zone Management Act of 1972 (16 U.S.C. 1451 et. seq.), as amended, particularly section 307 (c) and (d) (16 U.S.C. 1456 (c) and (d); the Safe Water Drinking Act of 1974 (42 U.S.C. 201, 300 (f) et seq., and 21 U.S.C. 349), as amended; the Endangered Species Act of 1973 (16 U.S.C. 1531 et seq.) as amended, particularly section 7 (16 U.S.C. 1536; the Wild and Scenic Rivers Act of 1968 (16 U.S.C. 1271 et seq.) as amended, particularly section 7 (b) and (c) (16 U.S.C. 1278 (b) and (c); the Clean Air Act (42 U.S.C. 7401 et seq.), as amended, particularly section 176 (c) and (d) (42 U.S.C. 7506 (c) and (d)); HUD Environmental Criteria and Standards (44 CFR 40860-40866, July 12, 1979); "The American Standard Specification for Making Buildings and Facilities Accessible to and Usable by the Physically Handicapped," Number A-117.4-R 1971, subject to the exceptions contained in 41 CFR 101-19-604; and any corresponding provisions of State and local laws and regulations. The Contractor shall also comply, where applicable, with the National Environmental Policy Act of 1969, Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, Flood Disaster Protection Act of 1973, National Flood Insurance Act of 1968, and Protection of Wetlands Laws.

# 45. "Right To Know" Law

As per requirements established by the United States Department of Labor Occupational Safety and Health Administration and in compliance with MGL c. 111F, Right to Know Law, it

is required that all Material Safety Data Sheets accompany each initial product shipment where applicable, as well as a copy sent to the Grants Administrator, which will be forwarded to the Right-To-Know Coordinator for the City of Gardner.

#### 46. Historic Preservation

The Contractor shall, in the performance of environmental assessments under the National Policy Act, and the Massachusetts Environmental Policy Act, comply with section 106 of the National Historic Preservation Act of 1966 (16 U.S.C. 470), federal Executive Order 11593, and the Preservation of Archaeological and Historic Data Act of 1966 (17 U.S. C. 469 a-1 et seq.), by (a) consulting with the State Historic Preservation Officer to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 CFR Part 800.8) by the proposed activity, and (b) complying with all requirements established by HUD to avoid or mitigate adverse effects upon such properties.

# 47. Compliance with Air and Water Acts (for contracts exceeding \$100,000)

By executing this Agreement, the Contractor hereby certifies and represents the following:

- A. No facility to be utilized in the performance of any nonexempt contract or subcontract, is not listed on the List of Violating Facilities issued by the Environmental Protection Agency (EPA) pursuant to 40 CFR 15.20.
- B. Compliance with all the requirements of Section 114 of the Clean Air Act, as amended, (42 USC 1857c-8) and Section 308 of the Federal Water Pollution Control Act, as amended, (33 USC 1318) relating to inspection, monitoring, entry, reports and information, as well as all other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder.
- C. Prompt notice shall be given to the Owner of any notification received from the Director, Office of Federal Activities, EPA, indicating that a facility utilized, or to be utilized for the Contract, is under consideration to be listed on the EPA List of Violating Facilities.
- D. The criteria and requirements in paragraphs A through D of this section shall be included in every nonexempt subcontract, and the Contractor shall take such actions as the Government may direct as a means of enforcing such provisions.

#### 48. Special Conditions Pertaining to Hazards, Safety Standards and Accident Prevention

Lead-Based Paint Hazards (applicable to contracts for construction or rehabilitation of residential structures)

The construction or rehabilitation of residential structures is subject to the HUD-Lead-Based Paint regulations, 24 CFR Part 35. The Contractor and Subcontractors shall comply with

the provisions for the elimination of lead-based paint hazards under sub-part B of said regulations.

The Owner will be responsible for the inspections and certification required under Section 35.14(f) thereof, and requirements of M.G.L. Ch.111, Sec. 190-191, and the regulations for Lead Poisoning.

# 49. <u>Interest of Contractor and Employees</u>

The Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, in the study area or any parcels therein or any other interest which would conflict in any manner or degree with the performance of its services hereunder. The Contractor further covenants that in the performance of this contract, no person having any such interest shall be employed. Further, the Contractor shall adhere to the provisions of the Hatch Act (5 U.S.C. 1501 et seq.) which limits political activities by employees whose principal employment is in connection with an activity which is financed in whole or in part by federal funds.

#### 50. Statement of Management, CPA Statement (for contracts in excess of \$100,000)

For contracts in excess of \$100,000 the Contractor shall file a statement with the Owner assuring that its system of auditing controls ensures management accountability and protection of assets as required by MGL c. 30, sec. 39R(c).

For such contracts, the Contractor shall file with a Owner a signed statement from a Certified Public Accountant that said CPA has examined the Statement of Management and opines whether the representations of management are consistent with its system of controls and its financial statements as set forth in MGL c. 30, sec. 39R(c).

#### 51. Severability

If any provision of this Agreement is held invalid, the remainder of the Agreement shall not be affected thereby, and all other parts of this Agreement shall nevertheless be in full force and effect.

#### 52. Availability of Funds

The payments provided under this Agreement are subject to the continued availability of funds.

#### 53. Confidentiality

The Contractor shall protect the privacy of, and respect the confidentiality of information provided by, program participants, consistent with applicable federal and state regulations, and further shall comply with MGL c. 66, sec. 10, regarding access to public records.

# 54. MGL Chapter 30, Section 39P

The requirements of Massachusetts General Law, Chapter 30, Section 39P are hereby incorporated and made a part of this Agreement.

# 55. Compliance with Chapter 370 Acts of 1963

The contractor shall furnish all notices and shall do all work and be responsible for all requirements of Chapter 370 of the Acts of 1963, entitled "An Act Requiring a Contractor Making An Excavation In A Public Way to Give Notice Thereof to Public Utility Companies."

# 56. Foreign Corporations

Contractors and subcontractors incorporated outside of Massachusetts shall comply with MGL c. 30, sec. 39L and other applicable laws.

#### 57. Construction

This Agreement shall be construed under the laws of the Commonwealth of Massachusetts.

# 58. Flood Disaster Protection

The owner of land subject to acquisition or improvement under this contract, and it successors or assigns, are hereby obligated to obtain and maintain, during ownership of the land which is the subject of this contract, such flood insurance as is required with respect to financial assistance for acquisition or construction purposed under section 102 (a) of the Flood Disaster Protection Act of 1973.

#### **SUPPLEMENTAL GENERAL CONDITIONS**

#### 1. Scope of Work

The Scope of Work for the Project shall include, but not be limited to, any and all work described in the Contract Documents including the Invitation to Bid, Information for Bidders, printed form of Contract, General Conditions, Supplemental General Conditions, Special Conditions, Specifications, Plans and Drawings, together with any attachments or appendices, for the Leachate System Improvement Project.

## 2. <u>Notice To Proceed & Pre-Construction Conference</u>

A written Notice to Proceed shall be issued to the Contractor after receipt by the Owner of the following: (1) proof of required insurance, (2) verification that EEO poster has been posted in a conspicuous place at the job site, (3) posting of EEO Coordinator and state prevailing wage rates in a conspicuous place at the job site, (4) Contractor's Certification Concerning Labor Standards and Prevailing Wage Requirements, and (5) Subcontractor's Certification Concerning Labor Standards and Prevailing Wage Requirements. No work shall be performed by the Contractor prior to receipt of the Notice to Proceed.

Prior to the start of construction, the Contractor, all subcontractors, the Engineer, and the Owner shall attend a pre-construction conference. The conference will serve to acquaint the participants with the general plan of contract administration and requirements under which the construction operation is to proceed, and will inform the Contractor, in detail, of the obligations imposed on it and its subcontractors by the Executive Orders concerning Equal Employment Opportunity and state labor standards requirements.

The Owner shall inform the Contractor of the date, time, and place of the pre-construction conference.

#### 3. Schedule of Work

At the Pre-Construction Conference, the Contractor shall submit to the Owner and Engineer three copies of a bar chart with the schedule and sequence in which the construction work shall be prosecuted. No work shall commence until the Owner has approved, in writing, of the schedule and sequence of operations.

The Contractor shall be responsible for keeping public ways open and in a passable condition at all times, and for maintaining access at all times to all abutting properties.

#### 4. Environmental Protection

The Contractor shall adhere to all federal, state and local regulations, including any orders of conditions which may be attached hereto. Additionally, the Contractor shall conform to the following:

#### A. Plant and Pest Control

Where applicable, all soil moving equipment that has operated in, or will operate in, regulated areas shall be subject to plant quarantine regulations. In general, these regulations require the thorough cleaning of soil from equipment before such equipment is moved from regulated areas to uninfested areas.

Complete information may be obtained from the Massachusetts Dept. of Agriculture, Plant Pest Control Division, 100 Cambridge St., Boston, MA (Tele: 617-727-3031); and for information concerning the interstate movement of soil moving equipment: U.S. Dept. of Agriculture, Plant Pest Control Division, 424 Trapelo Rd., Waltham, MA.

Premises must be certified as free from vermin by a licensed extermination professional prior to issuance of the demolition permit.

#### B. <u>Prevention of Water Pollution</u>

The Contractor shall take such precautions as may be necessary to avoid contaminating water in adjacent water courses, or water storage areas, whether natural or man-made. All earth work, movement of equipment, water control of excavations or foundation areas, and other operations likely to increase silting, shall be conducted so as to avoid pollution of such water courses or water storage areas.

The Contractor shall construct silt retention filters in any such area, which filters shall be removed upon completion of the work. Water used during performance of the Contract which has become contaminated with oil, bitumen, harmful or objectionable chemicals, sewage or other pollutants shall be discharged so as to avoid affecting nearby water.

Under no circumstances shall the Contractor discharge pollutants directly into any water course or water storage area. When water from adjacent natural water sources is used in the Contract work, intake methods shall be such as to avoid contaminating the source of supply.

#### C. <u>Air Pollution and Dust Control</u>

The Contractor shall conduct its operations in accordance with federal, state and local regulations governing air pollution.

The Contractor is hereby placed on notice that blowing dust from unstabilized earth areas of the work shall be considered a nuisance under its control. Contractor shall, by spraying with water or other approved means, dampen the soil to hold down the dust. During working hours and before leaving the Project site for the evening, weekends, or other extended period, the Contractor shall assess the moisture content of the soil and dampen same to the extent necessary to hold down the dust. While work is suspended, Contractor shall, if directed by the Engineer, return to the site to maintain dust control.

**Supplemental General Conditions** 

# 5. <u>Cooperation of Contractor</u>

The Contractor's attention is directed to the fact that other contractors under separate contracts may be entering upon the work site for the construction of other proposed amenities. The Contractor shall complete its work in cooperation with other contractors so as to cause the least interference with same, and shall have no claim for any delay which may be due to, or result from, said work of these contractors.

#### 6. Record Drawings – As-Builts

The Contractor shall cooperate with the Engineer and shall prepare and maintain a set of drawings on which shall be recorded accurately, as the work progresses, the actual "as built" locations and dimensions of his work, indicating thereon all variations from the Contract Drawings. Prior to final acceptance of the work, all "as built" data shall be transferred to a complete set of reproducible record drawings in ink. This work shall be performed by the Contractor's Registered Land Surveyor with the cooperation of the Contractor as required. After review and approval by the Engineer of the record drawings shall be completed and delivered to the Owner.

#### 7. Photographs

The Contractor shall be required to furnish five (5) views of before, during, and after photographs of the site conditions. The Contractor is encouraged to submit "during" photographs, with negatives that shall become the property of the City, along with each pay requisition to facilitate approvals.

#### 8. Utilities

The Contractor shall obtain and shall pay for all licenses and permits that are required by the City or any other agencies that may be involved. The Contractor shall comply with all codes, regulations, and standards of the City.

"DIG SAFE", the City, and all private companies or agencies whose utilities are in the construction, shall be notified by the Contractor at least 72 hours prior to the start of any excavation. The Contractor shall be required to cooperate with the utility companies involved in order to assure completion of all work with the least amount of delay.

#### 9. <u>Provisions for Traffic/Police Details</u>

The Contractor shall not obstruct or close any portion of a street without obtaining the necessary permits from the proper municipal authorities. If any street or private way shall be rendered unsafe by the Contractor operations, he shall make such repairs or provide such temporary ways or guards as shall be acceptable to the Owner.

Streets, roads, private ways, and walks shall be maintained passable by the Contractor at his expense. The Contractor shall assume full responsibility for the adequacy and safety of provisions made. He shall conduct his construction operations such that interference with the flow of traffic will be held to a minimum.

The Contractor shall cooperate in every possible way with the municipal authorities to maintain a flow of traffic through the site. The Contractor shall notify the Fire Department, Police Department, School Bus Company, and the Highway Department when any street is to be closed regardless of the length of time or time of day. The Contractor shall also be responsible for the arrangement of police details as required by the City. The Contractor will be compensated for payment of police detail costs, including applicable administrative fees in accordance with terms in the measurement and payment section of these specifications.

All detours shall be signed and lighted as directed by the Engineer.

#### 10. Abandonment of Project

If the Contractor abandons the work, or any portion of the work, or sublets without prior written consent by the Owner, or assigns any claim thereunder other than as herein required, or if at any time the Owner shall certify in writing that the rate of progress is inadequate, or that the work or any part thereof is unnecessarily or unreasonably delayed, or that the contractor has violated any of the provisions of this Contract, then the Owner, in its sole discretion may notify the contractor by written order, with a copy mailed to the Surety, to discontinue all work, or any part thereof. Thereupon the contractor shall discontinue such work or such part thereof as the Owner may designate. The Owner may complete the work, or such part thereof, and charge the entire expense of so completing to the Contractor. The Owner may take possession of any facilities, equipment, materials, temporary works, machinery, implements, and tools of every description as may be found at the location of said work. The Owner reserves the right at all times to demand the Contractor's Surety to complete the work in accordance with the performance bond.

Any costs under this article shall be deducted and paid by the Owner out of any funds then due, or to become due, the Contractor under this Agreement. In such accounting the Owner shall not be held to obtain the lowest figures for the work of completing the Contract or any part thereof, or insuring its proper completion but all sums actually paid thereof shall be charged to the contractor.

If the expenses so charged are less than the sum which would have been payable under this Contract if the same had been completed by the Contractor, the Contractor shall be entitled to receive the difference; and if such expenses shall exceed the said sum, the Contractor shall pay the amount of the excess to the Owner.

#### 11. Contractor to Pay All Labor, Etc.

The Contractor shall pay for all labor performed or furnished, and for all material and equipment used or employed, for the performance of this Contract. The Contractor shall Supplemental General Conditions

furnish the Owner, upon request, with evidence satisfactory to the Owner that all persons who have performed work or furnished supplies, materials and/or equipment under this Contract, and all other claims for damage of any kind caused by or arising from the construction of said work have been fully paid or satisfactorily secured. If satisfactory evidence is not furnished, the Owner may retain appropriate amounts from any amount due the Contractor sufficient to cover any such unpaid claims.

#### 12. Laws and Regulations

The Contractor shall keep itself fully informed of all municipal, state and federal laws and regulations which may affect those engaged or employed in the work, or the materials used in the work, or in any way affecting the conduct of the work hereunder. Should any discrepancy or inconsistency be discovered in the Contract Documents in relation to any such law, ordinance, regulation, order or decree, the Contractor shall forthwith report the same to the Owner in writing. Contractor shall at all times observe and comply with, and shall cause all its agents and employees to comply with all such existing and future laws, ordinances, regulations, orders and decrees; and shall protect and indemnify the Owner and its officers and agents against any claim or liability arising from or based on the violations of any such law, ordinance, regulation, order or decree, whether by itself, its employees or its agents.

#### 13. Provisions Required by Law Deemed Inserted

Any provision of law or clause required by law to be inserted in this Agreement shall be deemed to be inserted herein.

#### 14. <u>Payment Procedures, Retainage</u>

The Contractor shall submit a monthly written request for payment to the Engineer which estimates the total amount of work complete and materials delivered through the date of such estimate. The Engineer shall review such request and make any adjustments to the estimated amounts therein as deemed appropriate for approval of and payment by the Owner within thirty-five (35) days from such approval.

The Owner shall retain five percent (5%) of such approved payment as partial security for the fulfillment of the Contract by the Contractor. In addition to the five percent (5%) retainage, additional amounts to cover any specific claims against the Contractor which have been identified may be withheld. The Owner reserves the right to verify that such payments are first applied to the payment of labor performed or employed, and materials supplied under the Contract. The requirements of MGL c. 30, §§ 39G and 39K are incorporated herein by reference.

Issuance of final payment and release of all retained funds shall be made in accordance with General Conditions Article 27.

#### 15. <u>Payment to Subcontractors</u>

The Contractor shall comply with the following statutory provisions pursuant to MGL Chapter 149, Sections 44A to L, as applicable. For contracts awarded under MGL Chapter 30, Section 39M, subparagraphs (a) through (h) shall apply.

- A. Forthwith after the general contractor receives payment on account of a periodic estimate, the general contractor shall pay to each subcontractor the amount paid for the labor performed and the materials furnished by the subcontractor, less any amount specified in any court proceedings barring such payment and also less any amount claimed due from the subcontractor by the general contractor.
- B. Not later than the sixty-fifth (65th) day after each subcontractor substantially completes his work in accordance with the plans and specifications, the entire balance due under the subcontract less amounts retained by the awarding Authority as the estimated cost of completing the incomplete and unsatisfactory items of work, shall be due the subcontractor; and the awarding authority shall pay that amount to the general contractor. The general contractor shall forthwith pay to the subcontractor the full amount received from the awarding authority less any amount specified in any court proceedings barring such payment and also less any amount claimed due from the subcontractor by the general contractor.
- C. Each payment made by the awarding authority to the general contractor pursuant to subparagraphs (a) and (b) of this paragraph for the labor performed and the materials furnished by a subcontractor shall be made to the general contractor for the account of that subcontractor; and the awarding authority shall take reasonable steps to compel the general contractor to make each such payment to each such subcontractor. If the awarding authority has received a demand for direct payment from a subcontractor for any amount which has already been included in a payment to the general contractor or which is to be included in a payment to the general contractor for payment to the subcontractor as provided in subparagraphs (a) and (b), the awarding authority shall act upon the demand as provided in this section.
- D. If, within seventy (70) days after the subcontractor has substantially completed the subcontract work, the subcontractor has not received from the general contractor the balance due under the subcontract including any amount due for extra labor and materials furnished to the general contractor, less any amount retained by the awarding authority as the estimated cost of completing the incomplete and unsatisfactory items of work, the subcontractor may demand direct payment of that balance from the awarding authority. The demand shall be by a sworn statement delivered to or sent by certified mail to the awarding authority, and a copy shall be delivered to or sent by certified mail to the general contractor at the same time. The demand shall contain a detailed breakdown of the balance due under the subcontract and also a statement of the status of completion of the subcontract work. Any demand made after substantial completion of the subcontract work shall be valid even if delivered or mailed prior to the seventieth (70th) day after the subcontractor has substantially completed the subcontract work. Within ten (10) days after the subcontractor has delivered or so mailed the demand to the awarding authority and delivered or so mailed a copy to the

general contractor, the general contractor may reply to the demand. The reply shall be by a sworn statement delivered to or sent by certified mail to the awarding authority and a copy shall be delivered to or sent by certified mail to the subcontractor at the same time. The reply shall contain a detailed breakdown of the balance due under the subcontract including any amount due for extra labor and materials furnished to the general contractor and of the amount due for each claim made by the general contractor against the subcontractor.

- Within fifteen (15) days after receipt of the demand by the awarding authority, but in no event prior to the seventieth (70th) day after substantial completion of the subcontract work, the awarding authority shall make direct payment to the subcontractor of the balance due under the subcontract including any amount due for extra labor and materials furnished to the general contractor, less any amount (i) retained by the awarding authority as the estimated cost of completing the incomplete or unsatisfactory items of work, (ii) specified in any court proceeding barring such payment, or (iii) disputed by the general contractor in the sworn reply; provided, that the awarding authority shall not deduct from a direct payment any amount as provided in part (iii) if the reply is not sworn to, or for which the sworn reply does not contain the detailed breakdown required by subparagraph (d). The awarding authority shall make further direct payments to the subcontractor forthwith after the removal of the basis for deductions from direct payments made as provided in parts (i) and (ii) of this subparagraph.
- F. The awarding authority shall forthwith deposit the amount deducted from a direct payment as provided in part (iii) of the subparagraph (e) in an interest-bearing joint account in the names of the general contractor and the subcontractor in a bank in Massachusetts selected by the awarding authority or agreed upon by the general contractor and the subcontractor and shall notify the general contractor and the subcontractor of the date of the deposit and the bank receiving the deposit. The bank shall pay the amount in the account, including accrued interest, as provided in an agreement between the general contractor and the subcontractor or as determined by the decree of a court of competent jurisdiction.
- G. All direct payments and all deductions from demands for direct payments deposited in an interest-bearing account or accounts in a bank pursuant to subparagraph (f) shall be made out of amounts payable to the general contractor at the time of receipt of a demand for direct payment from a subcontractor and out of amounts which later become payable to the general contractor and in the order of receipt of such demands from subcontractors. All direct payments shall discharge the obligation of the awarding authority to the general contractor to the extent of such payment.
- H. The awarding authority shall deduct from payments to a general contractor amounts which, together with the deposits in interest-bearing accounts pursuant to subparagraph (f), are sufficient to satisfy all unpaid balances of demands for direct payment received from subcontractors. All such amounts shall be earmarked for such

- direct payments, and the subcontractors shall have a right in such deductions prior to any claims against such amounts by creditors of the general contractor.
- I. If the subcontractor does not receive payment as provided in subparagraph (a) or if the general contractor does not submit a periodic estimate for the value of the labor or materials performed or furnished by the subcontractor and the subcontractor does not receive payment for same when due less the deductions provided for in subparagraph (a), the subcontractor may demand direct payment by following the procedure in subparagraph (d) and the general contractor may file a sworn reply as provided in that same subparagraph. A demand made after the first day of the month following that for which the subcontractor performed or furnished the labor and materials for which the subcontractor seeks payment shall be valid even if delivered or mailed prior to the time payment was due on a periodic estimate from the general contractor. Thereafter the awarding authority shall proceed as provided in subparagraph (d), (f), (g), and (h). MGL Ch. 30, sec. 39F.

## 16. <u>Termination</u>

<u>Force Majeure</u>. Neither party shall be liable to the other or deemed to be in breach under the Contract for any failure to perform, including, without limitation, a delay in rendering performance due to causes beyond its reasonable control such as an order, injunction, judgment, or determination of any Court of the United States or the Commonwealth of Massachusetts, an Act of God, war, civil disobedience, extraordinary weather conditions, labor disputes, or shortages, or fluctuation in electric power, heat, light, or air conditioning. Dates or time of performance shall be extended automatically to the extent of such delays, provided that the party whose performance is affected promptly notifies the other of the existence and nature of such delay.

<u>Performance Dates</u>. It is agreed, however, that since the performance dates of the Contract are important, continued failure to perform for periods aggregating sixty (60) days or more, even for causes beyond the control of the contractor, shall be deemed to render performance impossible and the City shall thereafter have the right to terminate the Contract in accordance with the provisions of the above.

<u>Delay or Hindrance</u>. The contractor shall have no damages for delay or hindrance. In the event of delay or hindrance not the fault of the contractor, an extension of time shall be the contractor's sole remedy.

<u>Incomplete Performance</u>. In the event of termination, the Contractor shall deliver to the Owner all finished work and documentation, complete and incomplete. The contractor shall be entitled to receive payment for any work performed and accepted under the Contract which was completed prior to the date of termination. In the event of termination the Contractor shall have no right to payment for lost profits or other consequential damages.

<u>Termination for Convenience</u>. Notwithstanding any other provision of the Contract, the City reserves the right at any time in its absolute discretion to suspend or terminate the Contract in Supplemental General Conditions

whole or in part for its convenience upon written notice of the contractor. If any portion of the Contract so suspended is not recommenced by written notice of the City within the time period specified in the written notice of suspension, the suspended portion of the Contract shall thereupon be deemed terminated as to that portion for the convenience of the City in accordance with this provision. The City shall incur no liability by reason of such termination for convenience, except for the obligation to pay for work performed and accepted and for reimbursable expenses accrued through the date of termination less any offset or claim of the Owner. Such obligation shall not exceed the available appropriation. The contractor shall have no right to recover other amounts, including but not limited to amounts for lost profits, or consequential damages.

<u>Inadequate Funds</u>. In the event that all or a portion of the project is postponed or terminated due to inadequate state or local funds, the provisions set forth in the above paragraph (Termination for Convenience) shall apply.

<u>Termination Cause</u>. If, after the notice of termination cause, it is determined that said cause was invalid, the termination shall be deemed to have been effected for the convenience of the City.

Any termination or suspension of the Agreement shall not impair the City's right to recover damages occasioned by the fault of the contractor. Any suspension shall not limit the right of the City to terminate this Agreement.

Lt. Governor

As determined by the Director under the provisions of the Massachusetts General Laws, Chapter 149, Sections 26 to 27H

LAUREN JONES
Secretary
MICHAEL FLANAGAN
Director

Awarding Authority: CITY OF GARDNER City/Town: GARDNER

Contract Number: 2026-018

**Description of Work:** Leachate System Improvement Project

Job Location: 774 West Street Gardner

## Information about Prevailing Wage Schedules for Awarding Authorities and Contractors

- The wage rates will remain in effect for the duration of the project, except in the case of multi-year public construction projects. For construction projects lasting longer than one year, awarding authorities must request an updated wage schedule no later than two weeks before the anniversary of the date the contract was executed by the awarding authority and the general contractor. For multi-year CM AT RISK projects, the awarding authority must request an annual update no later than two weeks before the anniversary date, determined as the earlier of: (a) the execution date of the GMP Amendment, or (b) the execution date of the first amendment to permit procurement of construction services. The updated wage schedule must be provided to all contractors, including general and subcontractors, working on the construction project.
- This annual update requirement is generally not applicable to 27F "rental of equipment" contracts. For such contracts, the prevailing wage rates issued by DLS shall remain in effect for the duration of the contract term. However, if the prevailing wage rate sheet issued does not contain wage rates for each year covered by the contract term, the Awarding Authority must request updated rate sheets from DLS and provide them to the contractor to ensure the correct rates are being paid throughout the duration of the contract. Additionally, if an Awarding Authority exercises an option to renew or extend the contract term, they must request updated rate sheets form DLS and provide them to the contractor.
- This wage schedule applies only to the specific project referenced at the top of this page and uniquely identified by the "Wage Request Number" on all pages of
  this schedule.
- An Awarding Authority must request an updated wage schedule if it has not opened bids or selected a contractor within 90 days of the date of issuance of the
  wage schedule. For CM AT RISK projects (bid pursuant to G.L. c.149A), the earlier of: (a) the execution date of the GMP Amendment, or (b) the bid for the
  first construction scope of work must be within 90-days of the wage schedule issuance date.
- The wage schedule shall be incorporated in any advertisement or call for bids for the project as required by M.G.L. c. 149, § 27. The wage schedule shall be made a part of the contract awarded for the project. The wage schedule must be posted in a conspicuous place at the work site for the life of the project in accordance with M.G.L. c. 149 § 27. The wages listed on the wage schedule must be paid to employees performing construction work on the project whether they are employed by the prime contractor, a filed sub-bidder, or a sub-contractor.
- Apprentices working on the project are required to be registered with the Massachusetts Division of Apprentice Standards (DAS). Apprentices must keep their
  apprentice identification card on their persons during all work hours on the project. An apprentice registered with DAS may be paid the lower apprentice wage
  rate at the applicable step as provided on the prevailing wage schedule. Any apprentice not registered with DAS regardless of whether they are registered
  with another federal, state, local, or private agency must be paid the journeyworker's rate.
- Every contractor or subcontractor working on the construction project must submit weekly payroll reports and a Statement of Compliance directly to the
  awarding authority by mail or email and keep them on file for three years. Each weekly payroll report must contain: the employee's name, address, occupational
  classification, hours worked, and wages paid. Do not submit weekly payroll reports to DLS. For a sample payroll reporting form go to
  http://www.mass.gov/dols/pw.
- Contractors with questions about the wage rates or classifications included on the wage schedule have an affirmative obligation to inquire with DLS at (617)
- Contractors must obtain the wage schedules from awarding authorities. Failure of a contractor or subcontractor to pay the prevailing wage rates listed on the wage schedule to all employees who perform construction work on the project is a violation of the law and subjects the contractor or subcontractor to civil and criminal penalties.
- Employees not receiving the prevailing wage rate set forth on the wage schedule may file a complaint with the Fair Labor Division of the office of the Attorney General at (617) 727-3465.

#### **Additional Apprentice Information**

All apprentices must be registered with the Division of Apprenticeship Training(DAS) in accordance with M.G.L.c. 23, §§ 11E-11L. Minimum wage rates for apprentices employed on public works projects are listed above as a percentage of the hourly prevailing wage rate established by the Commissioner under the provisions of M.G.L.c. 149, §§ 26-27D.

Apprentice ratios are established by DAS pursuant to M.G.L.c. 23, §§ 11E-11L. Ratios are expressed as the allowable number of apprentices to journeymen or fraction thereof, unless otherwise specified. The ratios listed herein have been taken from relevant private collective bargaining agreements(CBAs) and are provided for illustrative purposes only. They have not been independently verified as being accurate or continuing to be accurate.

Parties having questions regarding what ratio to use should contact DAS.

ADDENDUM 1

INVITATION FOR BID (Leachate System Improvement Project) MGL Chapter 30, 39M PROCUREMENT # 2026-018

ISSUE DATE: September 11, 2025

CITY OF GARDNER
Joshua Cormier, CPO, MCPPO
Director of Purchasing
<a href="mailto:jcormier@gardner-ma.gov">jcormier@gardner-ma.gov</a>

The purpose of this addendum is to notify all interested bidders of the following change(s), deletion(s), addition(s) or clarification(s) to the specifications and all bid documents for the bid listed.

This addendum forms a part of the contract documents and modifies the original bidding documents. Acknowledge receipt by including the first page of this Addendum within your proposal submission. Failure to acknowledge may result in the rejection of your bid. This addendum consists of two (2) typed pages.

## **Changes/Updates**

Please note: The "Required Submission Date" is <u>extended to Wednesday, October 1, 2025 at 1</u> <u>PM.</u>

## **Questions/Clarifications**

1. Is there an additional level sensor that gets placed in the riser pipe or is the scope of working referring to the level sensor that is building into the pump?

No. There is not an additional level sensor in the pipe. The level sensor is built into the EPG side riser pump for this application as indicated in item 1.1 (i.) of the SOW attached.

2. Can the Town specify what flow sensor they would like the contractor to use?

Item 1.2 of the attached SOW indicates that "Existing flowmeters shall also be assessed and replaced in-kind as necessary." The type of flow sensor shall be compatible with the pumping system and control panel integration

3. Is the intent to replace the control panel or just repair the panel?

Item 1.4 of the attached SOW states the intent is to replace all the integral components to restore to original operating conditions and repair the enclosure as described. If bidders feel that a complete replacement of the control panel provides long term value to the City then propose as such.

4. What repairs need to be made to the main power and control panel?

See response above for control panel repairs. Bidders will be required to assess the work required to provide fully functioning electrical components for the pumping system.

Scope of Work (Basic Services)

#### SCOPE OF BASIC SERVICES

## Phase 1: Leachate System Improvements

- 1.1 The existing six (6) side riser pumps shall be replaced in kind, which are model EPG SurePump<sup>TM</sup> Wheeled Sump Drainer. Pump models are as indicated in the referenced design drawing "Detail Sheet I, Leachate Pump Station Design, Gardner Sanitary Landfill", dated 7/29/1999. Replacement work will also include the attached removable piping, high voltage service switches, and junction boxes. New bolts for the pump access doors should also be installed.
  - The level sensors are mounted along the central axis of the EPG
     Surepumps and are an integral part of the pumps level control.

     Replacement pumps shall include level sensors as part of the pump, and not as a separate device.
  - ii. The new pumps shall be tested for operation in conjunction with the control panel upgrades, in the presence of the Owner or the Owner's representative.
  - iii. Installation of pumps, sideriser controls, control panel, flow meters, and all appurtenances shall conform to manufacturer's recommendations. The hoses for the pumps shall be as recommended and supplied by the manufacturer of the pumps (e.g. Kanaflex hose as supplied by EPG or equivalent), and the hoses shall be of type to resist chemicals typically encountered with landfill leachate. Weight of pump hoses shall not restrict proper installation of pumps into sideriser pipes and allow pumps to be located as required.
- 1.2 Existing flowmeters shall also be assessed and replaced in-kind as necessary.
- 1.3 Concurrently with the removal of the old pumps and prior to installation of the new pumps, the perforated sump portion of the 18-inch riser pipe shall be jetted and cleaned to remove sediment build-up in the pipe and sump area. A vac-truck shall be used to remove necessary landfill liquids (leachate) and sediment/debris removal during the pipe cleaning process.
  - i. The contractor will be allowed to dispose of landfill leachate from the jetting process at the adjacent Gardner sludge landfill, which shall be coordinated with the City a minimum of five business days prior to performing.
- 1.4 The existing control panel shall be updated with new components to restore it to the original operating condition and specifications. New gaskets on the front and rear control panel doors will need replacement to make the doors weather tight. Adjustment to the doors shall be made to confirm that the doors are water-tight. The three interior panel heaters shall also be replaced in-kind.

- i. Following the repair & upgrades of the control panel, it shall be tested and operated in the presence of the Owner or the Owner's representative.
- ii. All startup and field testing shall be fully documented with certification letters and filled in testing forms by the suppliers and/or contractors.
- 1.5 Replace desiccant capsules installed in-line at the pump station junction box and control panels. Perform maintenance every 4-6 months by replacing capsules.
- 1.6 Any inaccessible wiring will require conductivity testing to determine continuity and integrity of the wiring, for the full length and to confirm that proper operation of the pumps and controls will be successful.
- 1.7 Pressure testing shall be completed of inaccessible piping to verify integrity.
  - i. The pressure testing shall be in the presence of the Owner or Owner's representative.
  - ii. Ends of sections being tested shall be tightly closed by plugs, blind flanges, gates, or otherwise for the duration of the tests. Contractor shall furnish all such material, supplies, apparatus, labor, and equipment as necessary for carrying out the tests, and shall make all necessary arrangements for securing and furnishing any necessary air or water for test purposes. A test report shall be submitted to the Owner following completion.
- 1.8 The drawings and bid scope do not attempt to fully indicate the degree of assembly, subassembly, field conditions, extent of field work, or degree of accuracy required to install the equipment or materials. Bidders will be required to inform themselves of the existing conditions and amount of field work required to complete the scope described and produce a finished installation ready for operation.
- 1.9 Reference design drawings for this bid include 3 sheets titled as follows:
  - i. Pump Station Alternative, Leachate Pump Station Design, Sheet 1 of 3, City of Gardner, by Cushing, Goins & Kirschner, dated 7/29/1999
  - ii. Detail Sheet I, Leachate Pump Station Design, Sheet 2 of 3, City of Gardner, by Cushing, Goins & Kirschner, dated 7/29/1999
  - iii. Detail Sheet II, Leachate Pump Station Design, Sheet 3 of 3, City of Gardner, by Cushing, Goins & Kirschner, dated 7/29/1999

## **Changes/Updates**

A second Pre-Bid Site Walk will be held, on-site, at 9 AM on Tuesday, September 23, 2025.

## **Questions/Clarifications**

1. Where is the electrical meter located for the control panel and pump system?

The location is unknown at this time.

2. Are there any plans detailing the location/layout of the inaccessible wiring for the pumps and control panel?

See attachment entitled "Landfill Leachate System Electrical Line Location"

3. What are the current pump specifications?

Cell 1 – 2 Sure Pump wheeled sump drainer pumps, Model #WSD15-3

Cell 2 – 2 Sure Pump wheeled sump drainer pumps, Model #WSD16-1

Cell 3 – 2 Sure Pump wheeled sump drainer pumps, Model #WSD15-4

4. Will permit fees be waived?

The permit fees will be waived.

5. Is there a completion date for the project?

The completion date is dependent on the availability of parts as well as weather conditions but the goal is to have the project completed as soon as possible due to the needs that exist at this time.

6. Are there any hand holes for the electrical wiring?

This is unknown at this time.

7. What is the material that was used for the current wiring conduit?

The material used is unknown at this time.

- 8. At the pre bid meeting it was determined it would be best for the control panel to be replaced. Please confirm the electrical scope as defined below:
  - Disconnect and reconnect 6 pumps
  - Remove and replace junction box, disconnect switch, and backerboard stand for 6 pumps
  - Test continuity of the wires for the 6 pump and flow meters
  - Disconnect and reconnect flow meters
  - Remove and replace control panel for the 6 pumps
  - Install new gasket on both sides of the enclosure

The scope of work is accurate.

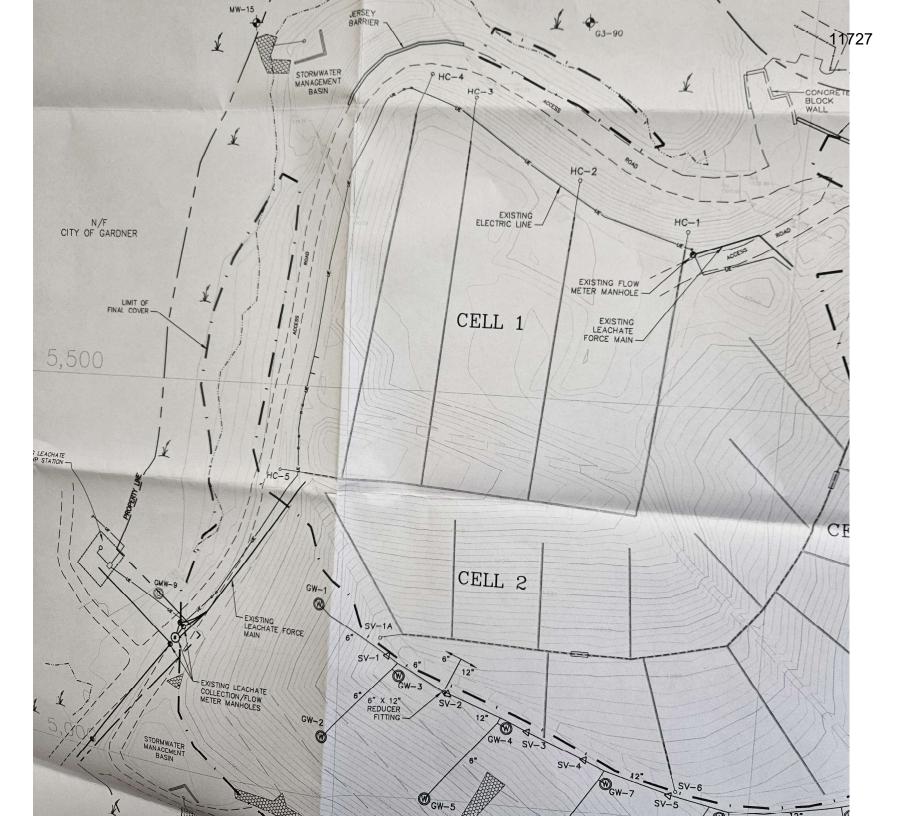

9. Please provide any information on the flow meter, the manhole was not open during the pre bid meeting. Some of the existing pumps are currently off, how often do those need to be pumped out?

There is no additional information available for the flow meters. To date, the Health Department has had the leachate pumped one time from Cell #2 on 8/29 with a volume of 6,000 gallons.

The purpose of this addendum is to notify all interested bidders of the following change(s), deletion(s), addition(s) or clarification(s) to the specifications and all bid documents for the bid listed.

This addendum forms a part of the contract documents and modifies the original bidding documents. Acknowledge receipt by including the first page of the Addendum within your proposal submission. Failure to acknowledge on the Bid Form may result in the rejection of your bid. This addendum consists of two (2) typed pages.

## **Questions/Clarifications**

1. Who will be responsible for disposal of the pumps, wiring, and old control panel components?

The city will be responsible for disposal. Items can be disposed of at the transfer station.

2. There was a question as to the number of panel heaters.

Only one panel heater was located during the pre-bid meeting, however, a prior estimate for the work indicated that there were three panel heaters.

3. There were repeated questions as to the type of flow meters.

The City has been unable to locate any additional plans or information.

# City of Gardner - Executive Department

# Mayor Michael J. Nicholson

November 13, 2025

Hon. George Tyros, Council President And City Councilors Gardner City Hall, Rm 121 95 Pleasant Street Gardner, MA 01440

RE: An Ordinance to Amend the Code of the City of Gardner, Chapter 8, Attachment E, thereof entitled "Non-Union Compensation Schedule" by removing positions into a new Attachment F and setting the compensation for such positions.

Dear Mr. President and Councilors,

Since September, the Ad-Hoc Committee has met regularly to review the relevant information related to the non-union salaries, and as a result of those discussions, I am submitting for the City Council's consideration an ordinance proposal to establish a compensation matrix for various non-union positions in the City.

Please note that, at the October 10, 2025 meeting of the Ad-Hoc Committee, I informed its members that fourteen (14) department head positions have taken steps for unionization, and at the advice of legal counsel, those positions are not included in this proposal.

I truly believe that this proposal is in the best interest of the City, weighing both retention of employees and taxpayer affordability concerns that were raised from the previous proposals, and I am in full support of this ordinance amendment.

This hybrid proposal blends the longevity benefits that were proposed in the Finance Committee's proposal- allowing for long term employees to have a portion of the previous service time with the City count toward their step level – while also recognizing years of service through the step system it includes.

- This proposal also recognizes that while several upper level positions have been adjusted in years past, that many of our supervisory and clerical staff have, by and large, remained unchanged. The matrix created for these employees corrects this and makes the adjustments created more equitable across the positions included.
- This proposal also builds off of the two previous proposals that were submitted- adding adjustments for our temporary and seasonal employees like our lifeguard- in order to allow an upward growth momentum for these employees to stay with the City season to season.

I truly believe this is the best direction for the city to go in to be able to create a system to better retain and attract employees while still maintaining our fiduciary responsibility for the City's residents. All of us have publicly said that something needs to get done, we have consistently worked to get something done, and this is the next step in doing so.

If you have any questions regarding this matter, I would ask that you please contact me directly and my office will arrange a meeting.

Respectfully Submitted,

Michael J. Nicholson Mayor, City of Gardner An Ordinance to Amend the Code of the City of Gardner, Chapter 8, Thereof Entitled "Personnel," amended by vote of the City Council on December 16, 2024, to add the following new exhibit, "Exhibit F" thereof entitled "Primary Non-Union Employee Compensation Schedule"

Be it ordained by the City Council of the City of Gardner as follows:

## **SECTION 1:**

The Code of the City of Gardner, Chapter 8, Thereof Entitled "Personnel," is hereby amended to add the following new exhibit "Exhibit F" of Attachment 1, thereof entitled "Primary Non-Union Employee Compensation Schedule,"

<u>Section 1:</u> The compensation of listed non-union employees in Exhibit F of the City of Gardner shall be set according to the Exhibit F Schedule and removed from Exhibit E. Any employee not listed in Exhibit F, who is listed in Exhibit E, and subject to Exhibit E, shall be paid at the rate listed in Exhibit E.

**Section 2:** Determination of Starting Step for Employees Hired On or After December 2, 2025

- (1) The Mayor, or for employees in Group 1B or 2B, the Council President, may, subject to Council approval, consider years of service with the City of Gardner in determination of the employee's starting step based on the following criteria:
  - (a) An employee must have a minimum of 5 years service in prior positions to qualify;
  - (b) Credited time shall only be awarded in quarters and shall not exceed 75% of the total prior time of employment;
  - (c) The maximum credited time awarded shall not exceed 10 years;
  - (d) The similarity in substance and skill of the prior position to the new position.
  - (e) The similarity in qualifications of the prior position to the new position.
- (2) The Mayor, or for employees in Group 1B or 2B, the Council President may, subject to Council approval, consider years of service with another employer in determination of the employee's starting step based on the following criteria:

- (a) An employee must have a minimum of 5 years service in prior positions to qualify;
- (b) Credited time shall only be awarded in quarters and shall not exceed 50% of the total prior time of continuous employment;
- (c) The maximum credited time awarded shall not exceed 10 years;
- (d) The similarity in substance and skill of the prior position to the new position.
- (e) The similarity in qualifications of the prior position to the new position.

### Section 3: Movement to a Position with Lower Pay Grade

When an employee is moved to a position with a lower pay grade, whether voluntarily or involuntarily, the employee shall be placed at the highest step in the lower pay step that does not exceed their current rate of pay. If the current pay rate falls below the starting salary of the new position, the employee shall be placed at the starting salary of the lower grade.

### Section 4: Step Rate Effective

The step placement associated with a position change shall be effective on the date the personnel action takes effect, or if the step placement requires Council approval, it shall be effective on the date of the vote of the Council.

### Section 5: Determination of Step for Personnel Employed On December 1, 2025

An employee's step level shall be determined by the total number of years in the current position and the following;

- (1) The Mayor, or for employees in Group 1B or 2B, the Council President may, subject to Council approval, consider years of service with the City of Gardner in determination of the employee's step based on the following criteria:
  - (a) Credited time shall only be awarded in quarters and shall not exceed 75% of the total prior time of employment;
  - (b) The maximum credited time awarded shall not exceed 10 years;
  - (c) The similarity in substance and skill of the prior position to the new position;
  - (d) The similarity in qualifications of the prior position to the new position.

(2) The Mayor, or for employees in Group 1B or 2B, the Council President must submit all recommendations for credited service time for current employees eligible for consideration by this section to the Council for approval by December 8, 2025 and the council must act to approve, amend, or disapprove by December 31, 2025, after which each employee's years of service is finalized per this ordinance.

### Section 6: Retroactive Effective Date

Salaries affected by this ordinance for employees in all Groups except 3A shall be in effect retroactive to July 1, 2025.

Salaries affected by this ordinance for employees in Groups 3A shall be in effect to June 1, 2026.

### Section 7: Eligibility for Pay Step Advancement

No employee subject to Council appointment or confirmation shall advance to a higher pay step if their appointment has expired. If confirmation is later conferred by the City Council, the employee may receive retroactive salary owed from the appointment expiration date forward if separately approved by the City Council.

### **Section 8:** Review of Compensation Schedule

The City Council shall establish procedures to review Attachment 1, Exhibit F, thereof entitled "Primary Non-Union Employee Compensation Schedule". The first review shall take place in fiscal year 2028, and every third fiscal year thereafter.

### <u>Section 9:</u> Report on Implementation

The Mayor shall submit to the Council by February 1, 2026, a report detailing the implementation of this ordinance. It shall include information about processes and procedures to ensure completion of all retroactive impacts on this ordinance, and steps to ensure sustained accurate application.

### **SECTION 2:**

This ordinance shall take effect upon passage and publication as required by law.
