RE: Appointment of Interim Town Administrator

DATE: October 29, 2026

CC: N/A

TEMPLETON NAMES TERENZINI AS INTERIM TOWN ADMINISTRATOR

The Templeton SelectBoard has announced the appointment of Mr. Carter Terenzini of Moultonborough, New Hampshire as its Interim Town Administrator with his [contract signing](#) today. He assumed the post this week and has a term ending on June 30, 2027. These dates were chosen to coordinate with the search for a new Administrator to commence shortly after the first of the coming year allowing him to deal with budget preparation and fiscal matters up through the Town Meeting and the close of the fiscal year.

The SelectBoard Chair, Mr. Jeff Bennett, said “Mr. Terenzini has an intimate familiarity with many of the Templeton staff, boards and commissions and issues from his prior service to the Town. The Board agreed this could help ensure a relatively smooth transition into the organization for him and the many challenges we now face as a community.” Since his retirement from full-time employ, concluding his seven-year stint as Moultonborough Town Administrator, he has now served to help bridge these transitions in a total of seven communities in both Massachusetts and New Hampshire including his service as both Interim and Town Administrator from August of 2016 through November of 2020.
